 67 ~~the Port Security Standards Compliance Plan delivered to the~~  
 68 ~~Speaker of the House of Representatives and the President of the~~  
 69 ~~Senate on December 11, 2000. The Office of Drug Control within~~  
 70 ~~the Executive Office of the Governor shall maintain a sufficient~~  
 71 ~~number of copies of the standards at its offices for~~  
 72 ~~distribution to the public and provide copies to each affected~~  
 73 ~~seaport upon request.~~

 75 more stringent, more extensive, or supplemental to the  
 76 applicable federal security regulations, including federal  
 77 facility security assessment requirements under 33 C.F.R. s.

83 ~~(2) EXEMPTION. The Department of Law Enforcement may~~  
 84 ~~exempt all or part of a seaport listed in s. 311.09 from the~~

85 ~~requirements of this section if the department determines that~~  
 86 ~~activity associated with the use of the seaport or part of the~~  
 87 ~~seaport is not vulnerable to criminal activity or terrorism. The~~  
 88 ~~department shall periodically review such exemptions to~~

 101 security plan based on the seaport's director's ongoing  
 102 assessment of security risks, the risks of terrorist activities,  
 103 and the specific and identifiable needs of the seaport for  
 104 ensuring that the seaport is in substantial compliance with

125 ~~The plans must also address access eligibility requirements and~~

127 (a) ~~The seaport's security plan must set forth the~~  
128 ~~conditions and restrictions to be imposed on persons employed~~  
129 ~~at, doing business at, or visiting the seaport who have access~~  
130 ~~to secure and restricted areas which are sufficient to provide~~  
131 ~~substantial compliance with the minimum security standards~~  
132 ~~established in subsection (1) and federal regulations.~~

133 1. All seaport employees and other persons working at the  
134 seaport who have regular access to secure or restricted areas  
135 must comply with federal access control regulations ~~and state~~  
136 ~~criminal history checks~~ as prescribed in this section.

148 ~~risk assessment under paragraph (3) (a), any secure or restricted~~  
149 ~~area that has a potential human occupancy of 50 persons or more,~~  
150 ~~any cruise terminal, or any business operation that is adjacent~~  
151 ~~to a public access area must be protected from the most probable~~  
152 ~~and credible terrorist threat to human life.~~

153 (b)(e) The seaport must provide clear notice of the  
154 prohibition against possession of concealed weapons and other

157 concealed weapon, or who operates or has possession or control  
158 of a vehicle in or upon which a concealed weapon is placed or  
159 stored, commits a misdemeanor of the first degree, punishable as  
160 provided in s. 775.082 or s. 775.083. This paragraph does not  
161 apply to active-duty certified federal or state law enforcement

168 ~~events applicable to that particular seaport, the management or~~

169 controlling authority of the port may temporarily designate any  
170 part of the seaport property as a secure or restricted area. The  
171 duration of such designation is limited to the period in which  
172 the high terrorist threat level is in effect or a port emergency  
173 exists.

174 ~~(5) ACCESS ELIGIBILITY REPORTING SYSTEM. Subject to~~  
175 ~~legislative appropriations, the Department of Law Enforcement~~  
176 ~~shall administer a statewide seaport access eligibility~~  
177 ~~reporting system.~~

178 ~~(a) The system must include, at a minimum, the following:~~

179 ~~1. A centralized, secure method of collecting and~~  
180 ~~maintaining fingerprints, other biometric data, or other means~~  
181 ~~of confirming the identity of persons authorized to enter a~~  
182 ~~secure or restricted area of a seaport.~~

183 ~~2. A methodology for receiving from and transmitting~~  
184 ~~information to each seaport regarding a person's authority to~~  
185 ~~enter a secure or restricted area of the seaport.~~

186 ~~3. A means for receiving prompt notification from a~~  
187 ~~seaport when a person's authorization to enter a secure or~~  
188 ~~restricted area of a seaport has been suspended or revoked.~~

189 ~~4. A means to communicate to seaports when a person's~~  
190 ~~authorization to enter a secure or restricted area of a seaport~~  
191 ~~has been suspended or revoked.~~

192 ~~(b) Each seaport listed in s. 311.09 is responsible for~~  
193 ~~granting, modifying, restricting, or denying access to secure~~  
194 ~~and restricted areas to seaport employees, other persons working~~  
195 ~~at the seaport, visitors who have business with the seaport, or~~  
196 ~~other persons regularly appearing at the seaport. Based upon the~~

197 ~~person's criminal history check, each seaport may determine the~~  
 198 ~~specific access eligibility to be granted to that person. Each~~  
 199 ~~seaport is responsible for access eligibility verification at~~  
 200 ~~its location.~~

201 ~~(c) Upon determining that a person is eligible to enter a~~  
 202 ~~secure or restricted area of a port pursuant to subsections (6)~~  
 203 ~~and (7), the seaport shall, within 3 business days, report the~~  
 204 ~~determination to the department for inclusion in the system.~~

205 ~~(d) All information submitted to the department regarding~~  
 206 ~~a person's access eligibility screening may be retained by the~~  
 207 ~~department for subsequent use in promoting seaport security,~~  
 208 ~~including, but not limited to, the review of the person's~~  
 209 ~~criminal history status to ensure that the person has not become~~  
 210 ~~disqualified for such access.~~

211 ~~(e) The following fees may not be charged by more than one~~  
 212 ~~seaport and shall be paid by the seaport, another employing~~  
 213 ~~entity, or the person being entered into the system to the~~  
 214 ~~department or to the seaport if the seaport is acting as an~~  
 215 ~~agent of the department for the purpose of collecting the fees:~~

216 ~~1. The cost of the state criminal history check under~~  
 217 ~~subsection (7).~~

218 ~~2. A \$50 fee to cover the initial cost of entering the~~  
 219 ~~person into the system and an additional \$50 fee every 5 years~~  
 220 ~~thereafter to coincide with the issuance of the federal~~  
 221 ~~Transportation Worker Identification Credential described in~~  
 222 ~~subsection (6). The fee covers all costs for entering or~~  
 223 ~~maintaining the person in the system including the retention and~~  
 224 ~~use of the person's fingerprint, other biometric data, or other~~

225 ~~identifying information.~~

226 ~~3. The seaport entering the person into the system may~~  
227 ~~charge an administrative fee to cover, but not exceed, the~~  
228 ~~seaport's actual administrative costs for processing the results~~  
229 ~~of the state criminal history check and entering the person into~~  
230 ~~the system.~~

231 ~~(f) All fees identified in paragraph (e) must be paid~~  
232 ~~before the person may be granted access to a secure or~~  
233 ~~restricted area. Failure to comply with the criminal history~~  
234 ~~check and failure to pay the fees are grounds for immediate~~  
235 ~~denial of access.~~

236 ~~(g) Persons, corporations, or other business entities that~~  
237 ~~employ persons to work or do business at seaports shall notify~~  
238 ~~the seaport of the termination, resignation, work-related~~  
239 ~~incapacitation, or death of an employee who has access~~  
240 ~~permission.~~

241 ~~1. If the seaport determines that the person has been~~  
242 ~~employed by another appropriate entity or is self-employed for~~  
243 ~~purposes of performing work at the seaport, the seaport may~~  
244 ~~reinstate the person's access eligibility.~~

245 ~~2. A business entity's failure to report a change in an~~  
246 ~~employee's work status within 7 days after the change may result~~  
247 ~~in revocation of the business entity's access to the seaport.~~

248 ~~(h) In addition to access permissions granted or denied by~~  
249 ~~seaports, access eligibility may be restricted or revoked by the~~  
250 ~~department if there is a reasonable suspicion that the person is~~  
251 ~~involved in terrorism or criminal violations that could affect~~  
252 ~~the security of a port or otherwise render the person ineligible~~

253 ~~for seaport access.~~

254 ~~(i) Any suspension or revocation of port access must be~~  
 255 ~~reported by the seaport to the department within 24 hours after~~  
 256 ~~such suspension or revocation.~~

257 ~~(j) The submission of information known to be false or~~  
 258 ~~misleading to the department for entry into the system is a~~  
 259 ~~felony of the third degree, punishable as provided in s.~~  
 260 ~~775.082, s. 775.083, or s. 775.084.~~

261 (4)~~(6)~~ ACCESS TO SECURE AND RESTRICTED AREAS.—

 263 to secure and restricted areas of a seaport must possess, ~~unless~~  
 264 ~~waived under paragraph (7) (e),~~ a valid federal Transportation  
 265 Worker Identification Credential (TWIC).

266 (b) A seaport may not charge a fee for the administration  
 267 or production of any access control credential that requires or  
 268 is associated with a fingerprint-based background check, in  
 269 addition to the fee for the federal TWIC. Beginning July 1,  
 270 2013, a seaport may not charge a fee for a seaport-specific

286 ~~subsection (7) or any crime that includes the use or possession~~  
287 ~~of a firearm.~~

288 ~~(b) Upon submission of a completed affidavit as provided~~  
289 ~~in paragraph (a), the completion of the state criminal history~~  
290 ~~check as provided in subsection (7), and payment of all required~~  
291 ~~fees under subsection (5), a seaport may grant the person access~~  
292 ~~to secure or restricted areas of the port.~~

293 ~~(c) Any port granting a person access to secure or~~  
294 ~~restricted areas shall report the grant of access to the~~  
295 ~~Department of Law Enforcement for inclusion in the access~~  
296 ~~eligibility reporting system under subsection (5) within 3~~  
297 ~~business days.~~

298 ~~(d) The submission of false information on the affidavit~~  
299 ~~required by this section is a felony of the third degree,~~  
300 ~~punishable as provided in s. 775.082, s. 775.083, or s. 775.084.~~  
301 ~~Upon conviction for a violation of this provision, the person~~

398 ~~in any act within the public seaports regulated under this~~  
399 ~~chapter that would pose a risk to or threaten the security of~~  
400 ~~the seaport and the public's health, safety, or welfare.~~

401 ~~2. The waiver process begins when an individual who has~~  
402 ~~been denied initial employment within or denied unescorted~~  
403 ~~access to secure or restricted areas of a public seaport submits~~  
404 ~~an application for a waiver and a notarized letter or affidavit~~  
405 ~~from the individual's employer or union representative which~~  
406 ~~states the mitigating reasons for initiating the waiver process.~~

407 ~~3. Within 90 days after receipt of the application, the~~  
408 ~~administrative staff of the Parole Commission shall conduct a~~  
409 ~~factual review of the waiver application. Findings of fact shall~~  
410 ~~be transmitted to the department for review. The department~~  
411 ~~shall make a copy of those findings available to the applicant~~  
412 ~~before final disposition of the waiver request.~~

413 ~~4. The department shall make a final disposition of the~~  
414 ~~waiver request based on the factual findings of the~~  
415 ~~investigation by the Parole Commission. The department shall~~  
416 ~~notify the waiver applicant of the final disposition of the~~  
417 ~~waiver.~~

418 ~~5. The review process under this paragraph is exempt from~~  
419 ~~chapter 120.~~

420 ~~6. By October 1 of each year, each seaport shall report to~~

421 ~~the department each instance of denial of employment within, or~~  
422 ~~access to, secure or restricted areas, and each instance waiving~~  
423 ~~a denial occurring during the last 12 months. The report must~~  
424 ~~include the identity of the individual affected, the factors~~  
425 ~~supporting the denial or waiver, and any other material factors~~  
426 ~~used to make the determination.~~

427 ~~(f) In addition to the waiver procedure established by the~~  
428 ~~Department of Law Enforcement under paragraph (e), each seaport~~  
429 ~~security plan may establish a procedure to appeal a denial of~~  
430 ~~employment or access based upon procedural inaccuracies or~~  
431 ~~discrepancies regarding criminal history factors established~~  
432 ~~pursuant to this subsection.~~

433 ~~(g) Each seaport may allow immediate waivers on a~~  
434 ~~temporary basis to meet special or emergency needs of the~~  
435 ~~seaport or its users. Policies, procedures, and criteria for~~  
436 ~~implementation of this paragraph must be included in the seaport~~  
437 ~~security plan. All waivers granted by the seaports pursuant to~~  
438 ~~this paragraph must be reported to the department within 30 days~~  
439 ~~after issuance.~~

440 ~~(8) WAIVER FROM SECURITY REQUIREMENTS. The Office of Drug~~  
441 ~~Control and the Department of Law Enforcement may modify or~~  
442 ~~wave any physical facility requirement or other requirement~~  
443 ~~contained in the minimum security standards upon a determination~~  
444 ~~that the purposes of the standards have been reasonably met or~~  
445 ~~exceeded by the seaport requesting the modification or waiver.~~  
446 ~~An alternate means of compliance must not diminish the safety or~~  
447 ~~security of the seaport and must be verified through an~~  
448 ~~extensive risk analysis conducted by the seaport director.~~

449 ~~(a) Waiver requests shall be submitted in writing, along~~  
450 ~~with supporting documentation, to the Office of Drug Control and~~  
451 ~~the Department of Law Enforcement. The office and the department~~  
452 ~~have 90 days to jointly grant or reject the waiver, in whole or~~  
453 ~~in part.~~

454 ~~(b) The seaport may submit any waivers that are not~~  
455 ~~granted or are jointly rejected to the Domestic Security~~  
456 ~~Oversight Council for review within 90 days. The council shall~~  
457 ~~recommend that the Office of Drug Control and the Department of~~  
458 ~~Law Enforcement grant the waiver or reject the waiver, in whole~~  
459 ~~or in part. The office and the department shall give great~~  
460 ~~weight to the council's recommendations.~~

461 ~~(c) A request seeking a waiver from the seaport law~~  
462 ~~enforcement personnel standards established under s. 311.122(3)~~  
463 ~~may not be granted for percentages below 10 percent.~~

464 ~~(d) Any modifications or waivers granted under this~~  
465 ~~subsection shall be noted in the annual report submitted by the~~  
466 ~~Department of Law Enforcement pursuant to subsection (10).~~

467 ~~(9) INSPECTIONS. It is the intent of the Legislature that~~  
468 ~~the state's seaports adhere to security practices that are~~  
469 ~~consistent with the risks assigned to each seaport through the~~  
470 ~~ongoing risk assessment process established in paragraph (3)(a).~~

471 ~~(a) The Department of Law Enforcement, or any entity~~  
472 ~~designated by the department, shall conduct at least one annual~~  
473 ~~unannounced inspection of each seaport to determine whether the~~  
474 ~~seaport is meeting the minimum security standards established~~  
475 ~~pursuant to subsection (1) and to identify seaport security~~  
476 ~~changes or improvements needed or otherwise recommended.~~

477 ~~(b) The Department of Law Enforcement, or any entity~~  
478 ~~designated by the department, may conduct additional announced~~  
479 ~~or unannounced inspections or operations within or affecting any~~  
480 ~~seaport to test compliance with, or the effectiveness of,~~  
481 ~~security plans and operations at each seaport, to determine~~  
482 ~~compliance with physical facility requirements and standards, or~~  
483 ~~to assist the department in identifying changes or improvements~~  
484 ~~needed to bring a seaport into compliance with minimum security~~  
485 ~~standards.~~

486 ~~(c) Within 30 days after completing the inspection report,~~  
487 ~~the department shall submit a copy of the report to the Domestic~~  
488 ~~Security Oversight Council.~~

489 ~~(d) A seaport may request that the Domestic Security~~  
490 ~~Oversight Council review the findings in the department's report~~  
491 ~~as they relate to the requirements of this section. The council~~  
492 ~~may review only those findings that are in dispute by the~~  
493 ~~seaport. In reviewing the disputed findings, the council may~~  
494 ~~concur in the findings of the department or the seaport or may~~  
495 ~~recommend corrective action to the seaport. The department and~~  
496 ~~the seaport shall give great weight to the council's findings~~  
497 ~~and recommendations.~~

498 ~~(e) All seaports shall allow the Department of Law~~  
499 ~~Enforcement, or an entity designated by the department,~~  
500 ~~unimpeded access to affected areas and facilities for the~~  
501 ~~purpose of plan or compliance inspections or other operations~~  
502 ~~authorized by this section.~~

503 ~~(10) REPORTS. The Department of Law Enforcement, in~~  
504 ~~consultation with the Office of Drug Control, shall annually~~

505 ~~complete a report indicating the observations and findings of~~  
506 ~~all reviews, inspections, or other operations relating to the~~  
507 ~~seaports conducted during the year and any recommendations~~  
508 ~~resulting from such reviews, inspections, and operations. A copy~~  
509 ~~of the report shall be provided to the Governor, the President~~  
510 ~~of the Senate, the Speaker of the House of Representatives, the~~  
511 ~~governing body of each seaport or seaport authority, and each~~  
512 ~~seaport director. The report must include each director's~~  
513 ~~response indicating what actions, if any, have been taken or are~~  
514 ~~planned to be taken pursuant to the observations, findings, and~~  
515 ~~recommendations reported by the department.~~

516 ~~(11) FUNDING.—~~

517 ~~(a) In making decisions regarding security projects or~~  
518 ~~other funding applicable to each seaport listed in s. 311.09,~~  
519 ~~the Legislature may consider the Department of Law Enforcement's~~  
520 ~~annual report under subsection (10) as authoritative, especially~~  
521 ~~regarding each seaport's degree of substantial compliance with~~  
522 ~~the minimum security standards established in subsection (1).~~

523 ~~(b) The Legislature shall regularly review the ongoing~~  
524 ~~costs of operational security on seaports, the impacts of this~~  
525 ~~section on those costs, mitigating factors that may reduce costs~~  
526 ~~without reducing security, and the methods by which seaports may~~  
527 ~~implement operational security using a combination of sworn law~~  
528 ~~enforcement officers and private security services.~~

529 ~~(c) Subject to the provisions of this chapter and~~  
530 ~~appropriations made for seaport security, state funds may not be~~  
531 ~~expended for security costs without certification of need for~~  
532 ~~such expenditures by the Office of Ports Administrator within~~

533 ~~the Department of Law Enforcement.~~

534 ~~(d) If funds are appropriated for seaport security, the~~  
535 ~~Office of Drug Control, the Department of Law Enforcement, and~~  
536 ~~the Florida Seaport Transportation and Economic Development~~  
537 ~~Council shall mutually determine the allocation of such funds~~  
538 ~~for security project needs identified in the approved seaport~~  
539 ~~security plans. Any seaport that receives state funds for~~  
540 ~~security projects must enter into a joint participation~~  
541 ~~agreement with the appropriate state entity and use the seaport~~  
542 ~~security plan as the basis for the agreement.~~

543 ~~1. If funds are made available over more than 1 fiscal~~  
544 ~~year, the agreement must reflect the entire scope of the project~~  
545 ~~approved in the security plan and, as practicable, allow for~~  
546 ~~reimbursement for authorized projects over more than 1 year.~~

547 ~~2. The agreement may include specific timeframes for~~  
548 ~~completion of a security project and the applicable funding~~  
549 ~~reimbursement dates. The agreement may also require a~~  
550 ~~contractual penalty of up to \$1,000 per day to be imposed for~~  
551 ~~failure to meet project completion dates if state funding is~~  
552 ~~available. Any such penalty shall be deposited into the State~~  
553 ~~Transportation Trust Fund and used for seaport security~~  
554 ~~operations and capital improvements.~~
