### SUMMARY ANALYSIS

Section 334.071, F.S., provides for legislative designations of transportation facilities for honorary or memorial purposes, or to distinguish a particular facility. The legislative designations do not “officially” change the current names of the facilities, nor does the statute require local governments and private entities to change street signs, mailing addresses, or 911 emergency telephone-number system listings. The bill makes the following designations and directs the Department of Transportation to erect suitable markers for each of these designations:

- Sgt. Thomas J. Baitinger, Officer Jeffrey A. Yaslowitz, and Officer David S. Crawford Memorial Highway in Pinellas County.
- Edna S. Hargrett-Thrower Avenue in Orange County.
- SP4 Thomas Berry Corbin Memorial Highway in Dixie County.
- U.S. Navy BMC Samuel Calhoun Chavous, Jr. Memorial Highway in Dixie County.
- Marine Lance Corporal Brian R. Busing Memorial Highway in Levy County.
- United States Army Sergeant Karl A. Campbell Memorial Highway in Levy County.
- U.S. Army SPC James A. Page Memorial Highway in Levy County.
- Veterans Memorial Highway in Putnam County.
- Ben G. Watts Highway in Washington County.
- Mardi Gras Way in Broward County.
- West Park Boulevard in Broward County.
- Starke Memorial Drive in Duval County.
- Pembroke Park Boulevard in Broward County.
- Duval County Law Enforcement Overpass in Duval County.
- Verna Bell Way in Nassau County.
- Deputy Hal P. Croft and Deputy Ronald Jackson Highway in Union County.

The bill also corrects errors in the Miss Lillie Williams Boulevard and the Father Jean-Juste Street designations that passed in 2010.

The bill has an estimated negative fiscal impact of \$12,800, which is the cost to the Department of Transportation to erect the markers.

The bill has an effective date of July 1, 2011.

## FULL ANALYSIS

### I. SUBSTANTIVE ANALYSIS

#### A. EFFECT OF PROPOSED CHANGES:

Section 334.071, F.S., provides for legislative designations of transportation facilities for honorary or memorial purposes, or to distinguish a particular facility. The legislative designations do not “officially” change the current names of the facilities, nor does the statute require local governments and private entities to change street signs, mailing addresses, or 911 emergency telephone-number system listings.

The statute requires the Department of Transportation (DOT) to place a marker at each termini or intersection of an identified road or bridge, and to erect other markers it deems appropriate for the transportation facility. The statute also provides that a city or county must pass a resolution in support of a particular designation before road markers are erected. Additionally, if the designated road segment extends through multiple cities or counties, a resolution must be passed by each affected local government.

#### Effect of Proposed Change
