Senator Joyner moved the following:

**Senate Amendment**

Delete lines 576 - 579  
and insert:

(1) (a) A third person who in good faith accepts a power of attorney executed in the manner required by law at the time of its execution may rely upon the power of attorney and the actions of the agent which are reasonably within the scope of the agent's authority and may enforce any obligation created by the actions of the agent as if:
