 95 Statutes, is amended to read:

96 286.0113 General exemptions from public meetings.—

97 (2) (a) For purposes of this subsection:

139 Sunset Review Act in accordance with s. 119.15 and shall stand

140 repealed on October 2, 2016 ~~2011~~, unless reviewed and saved from
141 repeal through reenactment by the Legislature.

142 Section 3. (1) The Legislature finds that it is a public
143 necessity that bids, proposals, or replies submitted to an
144 agency in response to a competitive solicitation be made
145 temporarily exempt from public records requirements. Such
146 records shall be made available when the agency provides notice
147 of an intended decision, or when the agency rejects all bids,
148 proposals, or replies and ultimately withdraws a reissued
149 competitive solicitation. Temporarily protecting such
150 information ensures that the process of responding to a
151 competitive solicitation remains fair and economical for
152 vendors, while still preserving oversight after a competitive
153 solicitation decision is made or withdrawn.

154 (2) The Legislature also finds that it is a public
155 necessity that a meeting at which a negotiation with a vendor is
156 conducted pursuant to a competitive solicitation, at which a
157 vendor makes an oral presentation as part of a competitive
158 solicitation, or at which a vendor answers questions as part of
159 a competitive solicitation be made exempt from public meetings
160 requirements. In addition, it is a public necessity that any
161 records presented at such meetings be made temporarily exempt
162 from public records requirements. The recording of the meeting
163 and any such records shall be made available when the agency
164 provides notice of an intended decision, or when the agency
165 rejects all bids, proposals, or replies and ultimately withdraws
166 a reissued competitive solicitation. Protecting such meetings
167 and temporarily protecting the recording and any records

168 presented by a vendor at such meetings, ensures that the process
169 of responding to a competitive solicitation remains fair and
170 economical for vendors, while still preserving oversight after a
171 competitive solicitation decision is made or withdrawn. It is
172 unfair and inequitable to compel vendors to disclose to
173 competitors the nature and details of their proposals during
174 such meetings or through the minutes or records presented at
175 such meetings. Such disclosure impedes full and frank discussion
176 of the strengths, weaknesses, and value of a bid, proposal, or
177 response, thereby limiting the ability of the agency to obtain
178 the best value for the public. The public and private harm
179 stemming from these practices outweighs the temporary delay in
180 access to records related to the competitive solicitation.

181 (3) The Legislature further finds that it is a public
182 necessity that any portion of a team meeting at which
183 negotiation strategies are discussed be made exempt from public
184 meetings requirements. In addition, it is a public necessity
185 that the recording of such meeting be made temporarily exempt
186 from public records requirements. The recording of the meeting
187 shall be made available when the agency provides notice of an
188 intended decision, or when the agency rejects all bids,
189 proposals, or replies and ultimately withdraws a reissued
190 competitive solicitation. Team members often meet to strategize
191 about competitive solicitations and the approach to take as part
192 of the evaluation process. Without the public meeting exemption
193 and the limited public record exemption, the effective and
194 efficient administration of the competitive solicitation process
195 would be hindered.
