### **SUMMARY ANALYSIS**

CS/CS/HB 75 passed the House on April 29, 2011, and subsequently passed the Senate on May 3, 2011. The bill was approved by the Governor on June 21, 2011, chapter 2011-180, Laws of Florida, and becomes effective October 1, 2011.

The act of electronically sending sexually explicit messages or photos of oneself is generally referred to as "sexting." There are no statutes that specifically address sexting. Under current law, a person who "sexts" another could be charged with one of the various statutes that prohibit the creation, possession, and transmission of child pornography.

The bill creates an un-numbered section of statute relating to the offense of sexting. It specifies that a minor commits sexting if he or she knowingly:

- Uses a computer, or any other device capable of electronic data transmission or distribution, to transmit or distribute to another minor any photograph or video of any person which depicts nudity and is harmful to minors; or
- Possess a photograph or video of any person that was transmitted or distributed by another minor which depicts nudity and is harmful to minors.

The bill provides the following penalties:

- A minor's first violation is a non-criminal violation punishable by 8 hours of community service or, if ordered by the court in lieu of community service, a \$60 fine. Additionally, the court may order the minor to participate in suitable training or instruction in lieu of, or in addition to, community service or a fine.
- A minor commits a 1<sup>st</sup> degree misdemeanor, punishable by up to one year in jail and a \$1,000 fine, for a violation that occurs after being found to have committed a noncriminal sexting offense.
- A minor commits a 3<sup>rd</sup> degree felony, punishable by up to five years imprisonment and a \$5,000 fine, for a violation that occurs after being found to have committed a 1<sup>st</sup> degree misdemeanor sexting offense.

On March 2, 2011, the Criminal Justice Impact Conference determined that SB 888, which contains provisions substantially similar to this bill, would have an insignificant prison bed impact on the Department of Corrections. The bill also creates a new misdemeanor offense which could impact local jails.

## I. SUBSTANTIVE INFORMATION

### A. EFFECT OF CHANGES:

#### Florida's Child Pornography Laws

Florida law currently contains various statutes that prohibit the creation, possession, and transmission of child pornography. A summary of these laws follows:

##### *Sexual Performance by a Child*

Section 827.071(5), F.S., makes it a 3<sup>rd</sup> degree felony<sup>1</sup> for any person to knowingly possess a photograph, motion picture, exhibition, show, representation, or other presentation which, in whole or in part, he or she knows to include any sexual conduct<sup>2</sup> by a child. The statute specifies that each photograph, motion picture, exhibition, show, representation, or presentation is a separate offense.

##### *Prohibition of Acts Relating to Obscene and Lewd Materials*

Section 847.011(1)(a), F.S., makes it a 1<sup>st</sup> degree misdemeanor<sup>3</sup> for a person to knowingly sell, lend, give away, distribute, transmit, show, or transmute; or have in his or her possession, custody, or control with intent to sell, lend, give away, distribute, transmit, show, or transmute; specified obscene items, including pictures, photographs, and images. It is a 3<sup>rd</sup> degree felony if the obscene item used depicts a minor<sup>4</sup> engaged in any act or conduct that is harmful to minors.<sup>5</sup>

Section 847.011(2), F.S., makes it a 2<sup>nd</sup> degree misdemeanor<sup>6</sup> for a person to have in his or her possession, custody, or control specified obscene items, including pictures, photographs, and images, without the intent to sell such items. It is a 3<sup>rd</sup> degree felony if the obscene item used depicts a minor engaged in any act or conduct that is harmful to minors.

---

<sup>1</sup> A 3<sup>rd</sup> degree felony is punishable by up to five years imprisonment and a \$5,000 fine. ss. 775.082, 775.083, and s. 775.084, F.S.

<sup>2</sup> The term "sexual conduct" is defined as actual or simulated sexual intercourse, deviate sexual intercourse, sexual bestiality, masturbation, or sadomasochistic abuse; actual lewd exhibition of the genitals; actual physical contact with a person's clothed or unclothed genitals, pubic area, buttocks, or, if such person is a female, breast, with the intent to arouse or gratify the sexual desire of either party; or any act or conduct which constitutes sexual battery or simulates that sexual battery is being or will be committed. A mother's breastfeeding of her baby does not under any circumstance constitute sexual conduct. *See* s. 827.071(1), F.S.

<sup>3</sup> A 1<sup>st</sup> degree misdemeanor is punishable by a term of imprisonment not exceeding 1 year and a \$1,000 fine. ss. 775.082 and 775.083, F.S.

<sup>4</sup> The term "minor" is defined as "any person under the age of 18 years." s. 847.001, F.S.

<sup>5</sup> Section 847.011(1)(c), F.S. The term "harmful to minors" is defined by s. 847.001, F.S., as any reproduction, imitation, characterization, description, exhibition, presentation, or representation, of whatever kind or form, depicting nudity, sexual conduct, or sexual excitement when it:

- Predominantly appeals to a prurient, shameful, or morbid interest;
- Is patently offensive to prevailing standards in the adult community as a whole with respect to what is suitable material or conduct for minors; and
- Taken as a whole, is without serious literary, artistic, political, or scientific value for minors.

A mother's breastfeeding of her baby is not under any circumstance "harmful to minors."

<sup>6</sup> A 2<sup>nd</sup> degree misdemeanor is punishable by a term of imprisonment not exceeding 60 days and a \$500 fine. ss. 775.082 and 775.083, F.S.

The statute specifies that every prohibited act, thing, or transaction constitutes a separate offense.<sup>7</sup>

#### *Protection of Minors*

Section 847.0133, F.S., makes it a 3<sup>rd</sup> degree felony for a person to knowingly sell, rent, loan, give away, distribute, transmit, or show any obscene<sup>8</sup> material to a minor.<sup>9</sup> The term “material” includes pictures, photographs, and images.

#### *Computer Pornography*

Section 847.0135, F.S., makes it a 3<sup>rd</sup> degree felony for a person to:

- Knowingly compile, enter into, or transmit the visual depiction of sexual conduct<sup>10</sup> with a minor by use of computer;
- Make, print, publish, or reproduce by other computerized means the visual depiction of sexual conduct with a minor;
- Knowingly cause or allow to be entered into or transmitted by use of computer the visual depiction of sexual conduct with a minor; or
- Buy, sell, receive, exchange, or disseminate the visual depiction of sexual conduct with a minor.

#### *Transmission of Pornography*

Section 847.0137(2), F.S., specifies that any person who knew or reasonably should have known that he or she was transmitting child pornography<sup>11</sup> to another person commits a 3<sup>rd</sup> degree felony.

#### *Transmission of Material Harmful to Minors*

Section 847.0138, F.S., specifies that any person who knew or believed that he or she was transmitting an image, information, or data that is harmful to minors to a specific individual known by the defendant to be a minor commits a 3<sup>rd</sup> degree felony.

Both minors and adults can be charged with any of the above-described offenses. None of the above-described offenses specifically require that the offense be committed by a minor, and with the exception of s. 847.0138, F.S., none of the above-described offenses require that a prohibited image, photograph, etc., be sent or possessed by a minor.

---

<sup>7</sup> Section 847.011(5), F.S.

<sup>8</sup> Section 847.001, F.S., defines the term “obscene” as the status of material which:

- The average person, applying contemporary community standards, would find, taken as a whole, appeals to the prurient interest;
- Depicts or describes, in a patently offensive way, sexual conduct as specifically defined herein; and
- Taken as a whole, lacks serious literary, artistic, political, or scientific value.

A mother's breastfeeding of her baby is not under any circumstance "obscene."

<sup>9</sup> Section 847.001, F.S., defines the term “minor” as any person under the age of 18 years.

<sup>10</sup> Section 847.001(16), F.S., defines the term “sexual conduct” as “actual or simulated sexual intercourse, deviate sexual intercourse, sexual bestiality, masturbation, or sadomasochistic abuse; actual lewd exhibition of the genitals; actual physical contact with a person’s clothed or unclothed genitals, pubic area, buttocks, or, if such person is a female, breast with the intent to arouse or gratify the sexual desire of either party; or any act or conduct which constitutes sexual battery or simulates that sexual battery is being or will be committed.”

<sup>11</sup> Section 847.001, F.S., defines the term “child pornography” as any image depicting a minor engaged in sexual conduct. The statute also defines the term “sexual conduct.” See footnote 2.

## **Sexting**

The act of electronically sending sexually explicit messages or photos of oneself is generally referred to as sexting. In a 2008 survey of 1,280 teenagers and young adults of both sexes, 20% of teens (ages 13-19) and 33% of young adults (ages 20-26) had sent nude or semi-nude photographs of themselves electronically.<sup>12</sup> Additionally, 39% of teens and 59% of young adults had sent sexually explicit text messages.<sup>13</sup>

There are no statutes that specifically address sexting. Under current law, a person who “sexts” another could be charged with one of the above-described offenses, depending on the nature of the image sexted and the age of the person to whom the image was sent. Additionally, a person who receives and possesses an image that is the result of sexting could be charged with one of the above-described offenses, depending on the nature of the image sexted. For example, in 2007, 18-year old Phillip Alpert was charged with a violation of s. 847.0137(2), F.S., (transmitting child pornography) after he sent a nude photograph of his then 16-year old girlfriend to his girlfriend’s friends and family after an argument. The girlfriend had previously taken the photograph and sent it to Alpert. Alpert was sentenced to more than four years probation and was required to register as a sexual offender.

Similarly, in other jurisdictions, law enforcement officers and district attorneys have begun prosecuting teens who sext under laws generally reserved for those who produce, distribute, or possess child pornography. For example, in Pennsylvania, a district attorney gave 17 students who were either pictured in images or found with “provocative” images on their cell phones the option of either being prosecuted under child pornography laws or agreeing to participate in a 5-week after school program and probation.<sup>14</sup> Similar incidents have occurred in Massachusetts, Ohio, and Iowa.<sup>15</sup>

As a result, state legislatures have considered making laws that downgrade the charges for sexting from felonies to misdemeanors. In 2009, Vermont and Utah passed laws that downgraded the penalties for minors and first-time sexting perpetrators.<sup>16</sup>

## **Effect of the Bill**

The bill creates an un-numbered section of statute relating to the offense of sexting. It specifies that a minor commits sexting if he or she knowingly:

- Uses a computer, or any other device capable of electronic data transmission or distribution, to transmit or distribute to another minor any photograph or video of any person which depicts nudity<sup>17</sup> and is harmful to minors<sup>18</sup>; or

<sup>17</sup> Section 847.001(9), F.S., defines the term “nudity” as “the showing of the human male or female genitals, pubic area, or buttocks with less than a fully opaque covering; or the showing of the female breast with less than a fully opaque covering of any portion thereof below the top of the nipple; or the depiction of covered male genitals in a discernibly turgid state. A

- Possess a photograph or video of any person that was transmitted or distributed by another minor which depicts nudity and is harmful to minors.

The bill specifies that a minor who possesses a photograph or video of any person that was transmitted or distributed by another minor which depicts nudity and is harmful to minors does not commit sexting if all of the following apply:

- The minor did not solicit the photograph or video;
- The minor took reasonable steps to report the photograph or video to the minor’s legal guardian or to a school or law enforcement official; and
- The minor did not transmit or distribute the photograph or video to a third party.

The bill specifies that the transmission or distribution of multiple photographs or videos is a single offense if the photographs or videos were transmitted or distributed within the same 24-hour period. Additionally, the possession of multiple photographs or videos that were transmitted or distributed by a minor is a single offense if the photographs or videos were transmitted or distributed within the same 24-hour period.

The bill provides the following penalties:

- A minor’s first violation is a non-criminal violation punishable by 8 hours of community service or, if ordered by the court in lieu of community service, a \$60 fine. Additionally, the court may order the minor to participate in suitable training or instruction in lieu of, or in addition to, community service or a fine.
- A minor commits a 1<sup>st</sup> degree misdemeanor, punishable by up to one year in jail and a \$1,000 fine, for a violation that occurs after being found to have committed a noncriminal sexting offense.<sup>19</sup>
- A minor commits a 3<sup>rd</sup> degree felony, punishable by up to five years imprisonment and a \$5,000 fine, for a violation that occurs after being found to have committed a 1<sup>st</sup> degree misdemeanor sexting offense.<sup>20</sup>

The bill defines the term “found to have committed” as “a determination of guilt that is the result of a plea or trial, or a finding of delinquency that is the result of a plea or an adjudicatory hearing, regardless of whether adjudication is withheld.”

The bill specifies that the sexting provisions do not prohibit the prosecution of a minor for a violation of any law of the state if the photograph or video that depicts nudity also includes the depiction of sexual conduct or sexual excitement,<sup>21</sup> and does not prohibit the prosecution of a minor for stalking under s. 784.048, F.S.

<sup>21</sup> Section 847.001(17), F.S., defines the term “sexual excitement” as the condition of the human male or female genitals when in a state of sexual stimulation or arousal.

## II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

### A. FISCAL IMPACT ON STATE GOVERNMENT:

#### 1. Revenues:

The bill may have a positive fiscal impact to the state in that it subjects minors who commit the offense of sexting to fines ranging from \$60 to \$5,000, depending on the number of times the minor has committed the offense.

#### 2. Expenditures:

On March 2, 2011, the Criminal Justice Impact Conference determined that SB 888, which contains provisions substantially similar to this bill, would have an insignificant prison bed impact on the Department of Corrections.

### B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

#### 1. Revenues:

None.

#### 2. Expenditures:

The bill creates a new misdemeanor offense which could have a fiscal impact on local jails.

### C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

None.

### D. FISCAL COMMENTS:

None.
