Senator Fasano moved the following:

Senate Amendment (with title amendment)

Delete lines 1134 - 1143
and insert:
in Pharmacy (ASAP). The electronic system shall also comply with
the Health Insurance Portability and Accountability Act (HIPAA)
as it pertains to protected health information (PHI), electronic
protected health information (EPHI), minimum requirements as
established by the department for authentication of a
practitioner who requests information in the prescription drug
monitoring program database and certification of the purpose for
which information is requested, and all other relevant state and
federal privacy and security laws and regulations. The

741416

14 department shall establish
