It increases the lowest permissible sentences for failure to register with the Office of Financial Regulation as a dealer, associated person, or issuer. It also increases the lowest permissible sentence for selling or offering to sell an unregistered security.

This bill substantially amends section 921.0022 of the Florida Statutes.

II. Present Situation:

Florida Securities and Investor Protection Act

Chapter 517, F.S., is entitled the “Florida Securities and Investor Protection Act” (FSIPA).¹ The purpose of FSIPA is to protect the public from fraudulent and deceptive practices in the sale and marketing of securities.^{2 3} This purpose is achieved principally by requiring the registration of

¹ Section 517.011, F.S.

² Section 517.021, F.S., defines the term “security” to include any of the following: notes, stocks, treasury stocks, bond, a debenture, an evidence of indebtedness, certificates of deposit, certificates of deposit for a security, certificates of interest or participation, whiskey warehouse receipts or other commodity warehouse receipts, certificates of interest in a profit-sharing agreement or the right to participate therein, certificates of interest in an oil, gas, petroleum, mineral, or mining title or lease or the right to participate therein, collateral trust certificates, reorganization certificates, preorganization subscriptions, transferable shares, investment contracts, a beneficial interest in title to property, profits, or earnings, an interest in or under a profit-sharing or participation agreement or scheme, any option contract which entitles the holder to purchase or sell a given amount of the underlying security at a fixed price within a specified period of time, other instruments commonly known as a

securities and securities dealers, which provides potential investors with sufficient information to enable them to protect themselves.⁴

The Office of Financial Regulation (OFR)⁵ is the entity responsible for registering securities and securities dealers.⁶ The processes for registering are outlined in ss. 517.081, 517.082, 517.12, and 517.1201, F.S., which include requirements that OFR be provided an application, certain financial statements, and other specified information.

Section 517.07(1), F.S., makes it unlawful for any person to sell or offer to sell specified securities unless they are registered. In addition to being registered, s. 517.07(2), F.S., requires that a securities purchaser be furnished with a prospectus meeting the requirements of rules adopted by the Financial Services Commission. Violations of s. 517.07(1) and (2), F.S., are currently 3rd degree felonies, ranked in Level 2 of the Offense Severity Ranking Chart.⁷ A Level 2 offense equates to 10 sentencing points.

Section 517.12(1), F.S., specifies that no dealer, associated person, or issuer⁸ of securities shall sell or offer for sale any securities in or from offices in Florida, or sell securities to persons in this state from offices outside this state, by mail or otherwise, unless the person has been registered with OFR.

In addition, OFR is prohibited from registering any person as an associated person of a dealer unless the dealer with which the applicant seeks registration is lawfully registered with the office pursuant to chapter 517, F.S.⁹ A violation of s. 517.12(1), F.S., is a 3rd degree felony ranked in Level 1 of the Offense Severity Ranking Chart.¹⁰ A Level 1 offense equates to 4 sentencing points.

The Criminal Punishment Code - Offense Severity Ranking Chart

The Criminal Punishment Code applies to sentencing for felony offenses (except capital felonies) committed on or after October 1, 1998.¹¹ Criminal offenses are ranked in the Offense Severity Ranking Chart from Level 1 (least severe) to Level 10 (most severe) and are assigned points based on the severity of the offense as determined by the Legislature.¹² As the offense level

increases, the number of points rises. If an offense is not listed in the ranking chart, it defaults to a ranking based on the degree of the felony.¹³

A defendant's sentence is calculated based on points, which are assigned for factors including: the offense for which the defendant is being sentenced; victim injury; additional offenses that the defendant committed at the time of the primary offense; the defendant's prior record and other aggravating factors.¹⁴ The points are added in order to determine the "lowest permissible sentence" for the offense. If the total sentence points equals or is less than 44 points, the lowest permissible sentence is a non-state prison sanction (i.e., jail). If the total sentence points exceed 44 points, a prison sentence is the lowest permissible sentence. In each instance, the sentencing range is the lowest permissible sentence up to the maximum penalty provided in s. 775.082, F.S., which is based on the degree of the felony.¹⁵

III. Effect of Proposed Changes:

The bill increases the ranking of securities-related offenses in the Offense Severity Ranking Chart as follows:

- A violation of s. 517.07(1), F.S. (requiring certain securities to be registered prior to sale), increases from a Level 2 offense (equating to 10 sentencing points) to a Level 4 offense (equating to 22 sentencing points).
- A violation of s. 517.12(1), F.S. (requiring securities dealers, associated persons or issuers of securities to be registered), increases from a Level 1 offense (equating to 4 sentencing points) to a Level 4 offense (equating to 22 sentencing points).

As a result, the lowest permissible sentence for violations of ss. 517.07(1) and 517.12(1), F.S., will be increased.
