LEGISLATIVE ACTION

Senate	.	House
Comm: WD	.	
01/24/2012	.	
	.	
	.	
	.	

The Committee on Environmental Preservation and Conservation
(Detert) recommended the following:

Senate Amendment (with title amendment)

Delete lines 88 - 89
and insert:
districts shall implement the

Delete lines 93 - 94
and insert:
management districts. The

Delete lines 100 - 117
and insert:

(b)1. A county, municipality, or local pollution control
program that has a delegation of the environmental resource

472402

13 permit program or proposes to be delegated such authority under
14 s. 373.441 shall without modification incorporate by reference
15 the rules adopted pursuant to this section.

16 2. A county, municipality, or local pollution control
17 program that has a delegation of the environmental resource
18 permit program under s. 373.441 must amend its local ordinances
19 or regulations to incorporate by reference the applicable rules
20 adopted pursuant to this section within 12 months of their
21 effective date.

22 3. Consistent with s. 373.441, nothing contained herein
23 shall be construed to prohibit a county, municipality, or local
24 pollution control program from adopting or implementing
25 regulations that are stricter than those adopted pursuant to
26 this section.

27 4. The Department and each local program with the authority
28 to implement or seeking to implement a delegation of
29 environmental resource permit program authority under s. 373.441
30 shall identify and reconcile any duplicative permitting
31 processes as part of the delegation.

32
33 ===== T I T L E A M E N D M E N T =====

34 And the title is amended as follows:

35 Delete lines 13 - 18

36 and insert:

37 water management districts; requiring counties,
38 municipalities, and delegated local pollution control programs
39 to incorporate by reference certain rules; requiring counties,
40 municipalities, and delegated local pollution control programs
41 to amend ordinances and regulations within a specified timeframe

472402

42 to incorporate applicable rules; allowing counties,
43 municipalities, and delegated local pollution control programs
44 to have stricter regulations; requiring reconciliation of
45 duplicative permitting processes; authorizing water
