LEGISLATIVE ACTION

Senate	.	House
Comm: RCS	.	
02/28/2012	.	
	.	
	.	
	.	

The Committee on Budget Subcommittee on Health and Human Services Appropriations (Sobel) recommended the following:

Senate Amendment (with title amendment)

Between lines 55 and 56
insert:

Section 2. Section 1004.435, Florida Statutes, is amended
to read:

1004.435 Cancer control and resource advisory council
~~research.~~—

(1) SHORT TITLE.—This section ~~shall be known and~~ may be
cited as the "Florida Cancer Control ~~and Research~~ Act."

(2) LEGISLATIVE INTENT.—~~It is~~ The ~~finding of the~~
Legislature finds that:

202368

13 (a) Advances in scientific knowledge have led to the
14 development of preventive and therapeutic capabilities in the
15 control of cancer. Such knowledge and therapy must be made
16 available to all citizens of this state through educational and
17 therapeutic programs.

18 ~~(b) The present state of our knowledge concerning the~~
19 ~~prevalence, cause or associated factors, and treatment of cancer~~
20 ~~have resulted primarily from a vast federal investment into~~
21 ~~basic and clinical research, some of which is expended in this~~
22 ~~state. These research activities must continue, but programs~~
23 ~~must be established to extend this knowledge in preventive~~
24 ~~measures and patient treatment throughout the state.~~

25 ~~(c) Research in cancer has implicated the environment as a~~
26 ~~causal factor for many types of cancer, i.e., sunshine, X rays,~~
27 ~~diet, smoking, etc., and programs are needed to further document~~
28 ~~such cause and effect relationships. Proven causes of cancer~~
29 ~~should be publicized and be the subject of educational programs~~
30 ~~for the prevention of cancer.~~

31 ~~(b)-(d)~~ An effective cancer control program would mobilize
32 the scientific, educational, and medical resources that
33 presently exist into an intense attack against cancer ~~this dread~~
34 ~~disease.~~

35 (3) DEFINITIONS.-~~As~~ ~~The following words and phrases when~~
36 ~~used in this section, the term~~ have, unless the context clearly
37 ~~indicates otherwise, the meanings given to them in this~~
38 ~~subsection:~~

39 (a) "Cancer" means all malignant neoplasms, regardless of
40 the tissue of origin, including lymphoma and leukemia.

41 (b) "Council" means the Florida Cancer Control and Resource

202368

42 ~~Research~~ Advisory Council, ~~which is~~ an advisory body appointed
43 to function on a continuing basis for the study of cancer and to
44 recommend ~~which recommends~~ solutions and policy alternatives to
45 ~~the Board of Governors and~~ the State Surgeon General and ~~which~~
46 ~~is~~ established by this section.

47 (c) "Department" means the Department of Health.

48 (d) "Fund" means the Florida Cancer Control ~~and Research~~
49 Fund established by this section.

50 (e) "Plan" means the Florida Cancer Plan.

51 (f) ~~(e)~~ "Qualified nonprofit association" means any
52 association, incorporated or unincorporated, which ~~that~~ has
53 received tax-exempt status from the Internal Revenue Service.

54 (4) FLORIDA CANCER CONTROL AND RESOURCE ~~RESEARCH~~ ADVISORY
55 COUNCIL; CREATION; COMPOSITION.—

56 (a) There is created within the H. Lee Moffitt Cancer
57 Center and Research Institute, Inc., the Florida Cancer Control
58 and Resource ~~Research~~ Advisory Council. The council shall serve
59 as a resource and clearinghouse for comprehensive cancer control
60 in the state and shall facilitate effective communication,
61 shared resources, and synergism between and among the cancer
62 stakeholder organizations and groups within the state.

63 1. The council shall consist of members representing the
64 various cancer constituencies in the state. The council shall
65 include three members representing the general public appointed
66 by the Governor, one member appointed by the President of the
67 Senate, one member appointed by the Speaker of the House of
68 Representatives, one member appointed by the State Surgeon
69 General, and 32 members representing cancer stakeholders in the
70 state who are appointed by the Governor. Of the 32 members, at

202368

71 least 10 members must be individuals who are minority persons as
72 defined in s. 288.703. Each council member must be a resident of
73 the state, and all members are voting members of the council.

74 2. Of the three members representing the general public
75 appointed by the Governor, one shall serve an initial term of 2
76 years, one shall serve an initial term of 3 years, and one shall
77 serve an initial term of 4 years, beginning July 1, 2012;
78 thereafter, these gubernatorial appointments to the council
79 shall be for 4-year terms. The remaining members appointed by
80 the Governor and the members appointed by the President of the
81 Senate, the Speaker of the House of Representatives, and the
82 State Surgeon General shall serve 4-year terms. A chair and vice
83 chair shall each be elected by the council membership for 2-year
84 terms. The council shall consist of 35 members, which includes
85 the chairperson, all of whom must be residents of this state.
86 All members, except those appointed by the Speaker of the House
87 of Representatives and the President of the Senate, must be
88 appointed by the Governor. At least one of the members appointed
89 by the Governor must be 60 years of age or older. One member
90 must be a representative of the American Cancer Society; one
91 member must be a representative of the Florida Tumor Registrars
92 Association; one member must be a representative of the
93 Sylvester Comprehensive Cancer Center of the University of
94 Miami; one member must be a representative of the Department of
95 Health; one member must be a representative of the University of
96 Florida Shands Cancer Center; one member must be a
97 representative of the Agency for Health Care Administration; one
98 member must be a representative of the Florida Nurses
99 Association; one member must be a representative of the Florida

202368

100 ~~Osteopathic Medical Association; one member must be a~~
101 ~~representative of the American College of Surgeons; one member~~
102 ~~must be a representative of the School of Medicine of the~~
103 ~~University of Miami; one member must be a representative of the~~
104 ~~College of Medicine of the University of Florida; one member~~
105 ~~must be a representative of NOVA Southeastern College of~~
106 ~~Osteopathic Medicine; one member must be a representative of the~~
107 ~~College of Medicine of the University of South Florida; one~~
108 ~~member must be a representative of the College of Public Health~~
109 ~~of the University of South Florida; one member must be a~~
110 ~~representative of the Florida Society of Clinical Oncology; one~~
111 ~~member must be a representative of the Florida Obstetric and~~
112 ~~Gynecologic Society who has had training in the specialty of~~
113 ~~gynecologic oncology; one member must be a representative of the~~
114 ~~Florida Ovarian Cancer Alliance Speaks (FOCAS) organization; one~~
115 ~~member must be a representative of the Florida Medical~~
116 ~~Association; one member must be a member of the Florida~~
117 ~~Pediatric Society; one member must be a representative of the~~
118 ~~Florida Radiological Society; one member must be a~~
119 ~~representative of the Florida Society of Pathologists; one~~
120 ~~member must be a representative of the H. Lee Moffitt Cancer~~
121 ~~Center and Research Institute, Inc.; three members must be~~
122 ~~representatives of the general public acting as consumer~~
123 ~~advocates; one member must be a member of the House of~~
124 ~~Representatives appointed by the Speaker of the House of~~
125 ~~Representatives; one member must be a member of the Senate~~
126 ~~appointed by the President of the Senate; one member must be a~~
127 ~~representative of the Florida Dental Association; one member~~
128 ~~must be a representative of the Florida Hospital Association;~~

202368

129 ~~one member must be a representative of the Association of~~
130 ~~Community Cancer Centers; one member shall be a representative~~
131 ~~from a statutory teaching hospital affiliated with a community-~~
132 ~~based cancer center; one member must be a representative of the~~
133 ~~Florida Association of Pediatric Tumor Programs, Inc.; one~~
134 ~~member must be a representative of the Cancer Information~~
135 ~~Service; one member must be a representative of the Florida~~
136 ~~Agricultural and Mechanical University Institute of Public~~
137 ~~Health; and one member must be a representative of the Florida~~
138 ~~Society of Oncology Social Workers. Of the members of the~~
139 ~~council appointed by the Governor, at least 10 must be~~
140 ~~individuals who are minority persons as defined by s. 288.703.~~

141 (b) A nominating committee shall annually review applicants
142 for the council and make recommendations for gubernatorial
143 appointments to the council. The nominating committee shall be
144 comprised of a minimum of seven council members selected by, and
145 including, the vice chair. The nominating committee shall
146 constitute a subgroup of the council membership in that at least
147 one member shall represent each membership category identified
148 in paragraph (c). The individuals selected by the nominating
149 committee shall be forwarded for gubernatorial appointment and
150 are eligible for reappointment one time.

151 (c) The 32 members appointed by the Governor who represent
152 cancer stakeholders in the state shall be recommended by cancer
153 stakeholder organizations or groups, by council nomination, or
154 through self-referrals. The membership categories and the
155 maximum number of members in each category include:

156 1. Five members from university-based health care delivery
157 systems with major cancer programs, including the H. Lee Moffitt

202368

158 Cancer Center and Research Institute, Inc., the University of
159 Florida Shands Cancer Center, and the University of Miami
160 Sylvester Comprehensive Cancer Center.

161 2. Five members from community-based health care delivery
162 systems or practices with American College of Surgeons
163 accredited cancer programs.

164 3. Four members from nonprofit or voluntary organizations,
165 including a representative from the American Cancer Society.

166 4. Three members from health and health care disparities
167 research and outreach cancer programs.

168 5. Five members from state governmental agencies, including
169 the Department of Health, the Department of Education, and the
170 Biomedical Research Advisory Council.

171 6. Five members from cancer-related professional
172 organizations, including the Florida Society of Clinical
173 Oncology, the Florida Society of Oncology Social Workers, the
174 Florida Society of Pathologists, the Florida Dental Association,
175 the Florida Medical Association, and the Florida Osteopathic
176 Medical Association.

177 7. Five members each representing one of the state regional
178 cancer collaboratives.

179 (d) An executive committee, which shall be responsible for
180 coordinating the activities and planning the direction of the
181 council, shall be comprised of the council's chair and vice
182 chair, the appointee of the Speaker of the House of
183 Representatives, the appointee of the President of the Senate,
184 the appointee of the State Surgeon General, and four members
185 selected by the chair. The positions on the executive committee
186 shall be for terms of 2 years corresponding to the chair's term

202368

187 in office. Membership on the executive committee shall
188 constitute a subgroup of the council membership in that at least
189 one member shall represent each membership category identified
190 in paragraph (c). Additional members may serve at the discretion
191 of the chair.

192 (e) The council may invite additional state cancer
193 stakeholder organizations or groups or individuals with
194 expertise, experience, or resources to serve as consultants to
195 assist the council in accomplishing its mission. Such services
196 may include consultative participation in council activities,
197 associated task forces, or projects. Consultants do not have
198 voting rights on the council.

199 ~~(b) The terms of the members shall be 4 years from their~~
200 ~~respective dates of appointment.~~

201 ~~(c) A chairperson shall be appointed by the Governor for a~~
202 ~~term of 2 years. The chairperson shall appoint an executive~~
203 ~~committee of no fewer than three persons to serve at the~~
204 ~~pleasure of the chairperson. This committee will prepare~~
205 ~~material for the council but make no final decisions.~~

206 (f)~~(d)~~ The council shall meet at least no less than
207 semiannually at the call of the chair chairperson or, in his or
208 her absence or incapacity, at the call of the State Surgeon
209 General. Twenty Sixteen members constitute a quorum for the
210 purpose of exercising all of the powers of the council. A vote
211 of the majority of the members present is sufficient for all
212 actions of the council.

213 (g)~~(e)~~ The council members shall serve without pay.
214 Pursuant to the provisions of s. 112.061, the council members
215 may be entitled to be reimbursed for per diem and travel

202368

216 expenses.

217 (h)~~(f)~~ A ~~no~~ member of the council may not shall participate
218 in any discussion or decision to recommend grants or contracts
219 to any qualified nonprofit association or to any agency of this
220 state or its political subdivisions with which the member is
221 associated as a member of the governing body or as an employee
222 or with which the member has entered into a contractual
223 arrangement.

224 (i)~~(g)~~ The council may prescribe, amend, and repeal bylaws
225 governing the manner in which the business of the council is
226 conducted.

227 (j)~~(h)~~ The council shall advise ~~the Board of Governors,~~ the
228 State Surgeon General, the Governor, and the Legislature with
229 respect to cancer control and resources ~~research~~ in this state.

230 (k)~~(i)~~ The council shall approve ~~each year~~ a program for
231 cancer control ~~and research~~ to be known as the "Florida Cancer
232 Plan" which shall be consistent with the State Health Plan and
233 integrated and coordinated with existing or emerging programs in
234 this state. The council shall review and approve the plan at
235 least every 4 years.

236 (l)~~(j)~~ The council shall formulate and recommend to the
237 State Surgeon General, the Governor, the President of the
238 Senate, and the Speaker of the House of Representatives a plan
239 for the prevention and early detection of cancer which is
240 evidence-based and consistent with standards of practice and
241 supported by evidence-based medicine ~~care and treatment of~~
242 ~~persons suffering from cancer and recommend the establishment of~~
243 ~~standard requirements for the organization, equipment, and~~
244 ~~conduct of cancer units or departments in hospitals and clinics~~

202368

245 ~~in this state. The council may recommend to the State Surgeon~~
246 ~~General the designation of cancer units following a survey of~~
247 ~~the needs and facilities for treatment of cancer in the various~~
248 ~~localities throughout the state. The State Surgeon General shall~~
249 ~~consider the plan in developing departmental priorities and~~
250 ~~funding priorities and standards under chapter 395.~~

251 (m) (k) The council shall provide expertise and input in the
252 content and development of ~~is responsible for including in the~~
253 Florida Cancer Plan, which is otherwise generated through the
254 Department of Health. Recommendations must include for the
255 coordination and integration of ~~medical, nursing, paramedical,~~
256 ~~lay, and other state efforts~~ plans ~~concerned with cancer control~~
257 ~~and research. Committees may shall be formed to develop~~
258 strategies for taking action regarding by the council so that
259 ~~the following areas will be established as entities for actions:~~

260 1. Cancer plan evaluation, including the creation of a
261 tumor registry, data retrieval systems, and epidemiology of
262 cancer in the state and its relation to other areas.

263 2. Cancer prevention.

264 3. Cancer detection.

265 4. Cancer treatments ~~patient management: treatment,~~
266 ~~rehabilitation, terminal care, and other patient-oriented~~
267 ~~activities.~~

268 5. Support services for cancer patients and caregivers
269 ~~education: lay and professional.~~

270 6. Unproven methods of Cancer education for laypersons and
271 professionals ~~therapy: quackery and unorthodox therapies.~~

272 7. Other cancer-control-related topics ~~Investigator-~~
273 ~~initiated project research.~~

202368

274 (n)~~(l)~~ In order to implement in whole or in part the
275 Florida Cancer Plan, the council may ~~shall~~ recommend to ~~the~~
276 ~~Board of Governors or~~ the State Surgeon General the awarding of
277 grants and contracts to qualified profit or nonprofit
278 associations or governmental agencies in order to plan,
279 establish, or conduct programs in cancer control or prevention
280 and, cancer education or ~~and~~ training, ~~and cancer research.~~

281 (o) The council shall have input into the prioritization
282 and implementation of statewide programs and the allocation of
283 resources in the department's comprehensive cancer control
284 program, consistent with the Florida Cancer Plan.

285 (p)~~(m)~~ If funds are specifically appropriated by the
286 Legislature, the council shall develop or purchase standardized
287 written summaries, written in layperson's terms and in language
288 easily understood by the average adult patient, informing
289 citizens and professionals on cancer prevention, detection,
290 treatment, and survivorship ~~actual and high-risk breast cancer~~
291 ~~patients, prostate cancer patients, and men who are considering~~
292 ~~prostate cancer screening of the medically viable treatment~~
293 ~~alternatives available to them in the effective management of~~
294 ~~breast cancer and prostate cancer; describing such treatment~~
295 ~~alternatives; and explaining the relative advantages,~~
296 ~~disadvantages, and risks associated therewith. The breast cancer~~
297 ~~summary, upon its completion, shall be printed in the form of a~~
298 ~~pamphlet or booklet and made continuously available to~~
299 ~~physicians and surgeons in this state for their use in~~
300 ~~accordance with s. 458.324 and to osteopathic physicians in this~~
301 ~~state for their use in accordance with s. 459.0125. The council~~
302 ~~shall periodically update both summaries to reflect current~~

202368

303 ~~standards of medical practice in the treatment of breast cancer~~
304 ~~and prostate cancer.~~ The council shall develop and implement
305 educational programs and position statements, including
306 distribution of the summaries developed or purchased under this
307 paragraph, to inform citizen groups, associations, government
308 officials, and voluntary organizations about cancer-related
309 matters ~~early detection and treatment of breast cancer and~~
310 ~~prostate cancer.~~

311 (q) ~~(n)~~ The council may recommend to ~~shall have the~~
312 ~~responsibility to advise the Board of Governors and the State~~
313 ~~Surgeon General, the Governor, the President of the Senate, and~~
314 ~~the Speaker of the House of Representatives~~ ~~or~~ methods of
315 enforcing and implementing laws already enacted and concerned
316 with cancer control, ~~research~~, and education.

317 (r) ~~(o)~~ The council may recommend to ~~the Board of Governors~~
318 ~~or~~ the State Surgeon General rules not inconsistent with law as
319 it may deem necessary for the performance of its duties and the
320 proper administration of this section.

321 (s) ~~(p)~~ The council shall formulate and put into effect a
322 continuing educational program for the prevention of cancer and
323 its early diagnosis and disseminate to hospitals, cancer
324 patients, and the public information concerning the proper
325 treatment of cancer.

326 (t) ~~(q)~~ The council shall be physically located at the H.
327 Lee Moffitt Cancer Center and Research Institute, Inc., ~~at the~~
328 ~~University of South Florida.~~

329 (u) ~~(r)~~ By December 1 ~~On February 15~~ of each year, the
330 council shall report its findings and recommendations to the
331 State Surgeon General, the Governor, the President of the

202368

332 Senate, and the Speaker of the House of Representatives ~~and to~~
333 ~~the Legislature.~~

334 (5) RESPONSIBILITIES OF ~~THE BOARD OF GOVERNORS,~~ THE H. LEE
335 MOFFITT CANCER CENTER AND RESEARCH INSTITUTE, INC., ~~AND THE~~
336 STATE SURGEON GENERAL, AND THE DEPARTMENT OF HEALTH.-

337 (a) ~~The Board of Governors or~~ The State Surgeon General,
338 after consultation with the council, may ~~shall~~ award grants and
339 contracts to qualified nonprofit associations and governmental
340 agencies in order to plan, establish, or conduct programs in
341 cancer control or ~~and~~ prevention and, ~~and~~ cancer education or ~~and~~
342 training, ~~and cancer research.~~

343 (b) The H. Lee Moffitt Cancer Center and Research
344 Institute, Inc., shall provide a full-time executive director to
345 coordinate, facilitate, and communicate the mission and
346 responsibilities of the council. Additional administrative
347 support, information, and other assistance shall be provided
348 ~~such staff, information, and other assistance~~ as reasonably
349 necessary for the completion of the responsibilities of the
350 council.

351 (c) The Department of Health ~~Board of Governors or the~~
352 ~~State Surgeon General,~~ after consultation with the council, may
353 adopt rules necessary for the implementation of this section.

354 (d) The Florida Cancer Plan is established within the
355 Department of Health. The department must utilize the council in
356 developing the plan, prioritizing goals, allocating resources,
357 and approving the plan in its final form. ~~The State Surgeon~~
358 ~~General, after consultation with the council, shall make rules~~
359 ~~specifying to what extent and on what terms and conditions~~
360 ~~cancer patients of the state may receive financial aid for the~~

202368

361 ~~diagnosis and treatment of cancer in any hospital or clinic~~
362 ~~selected. The department may furnish to citizens of this state~~
363 ~~who are afflicted with cancer financial aid to the extent of the~~
364 ~~appropriation provided for that purpose in a manner which in its~~
365 ~~opinion will afford the greatest benefit to those afflicted and~~
366 ~~may make arrangements with hospitals, laboratories, or clinics~~
367 ~~to afford proper care and treatment for cancer patients in this~~
368 ~~state.~~

369 (6) FLORIDA CANCER CONTROL AND RESEARCH FUND.—

370 (a) There is created the Florida Cancer Control and
371 ~~Research~~ Fund consisting of funds appropriated therefor from the
372 General Revenue Fund and any gifts, grants, or funds received
373 from other sources.

374 (b) The fund shall be used exclusively for grants and
375 contracts to qualified nonprofit associations or governmental
376 agencies for the purpose of cancer control or ~~and~~ prevention,
377 cancer education or ~~and~~ training, ~~cancer research~~, and all
378 expenses incurred in connection with the administration of this
379 section and the programs funded through the grants and contracts
380 authorized by ~~the State Board of Education or~~ the State Surgeon
381 General.

382 Section 3. Subsection (1) and paragraph (a) of subsection
383 (2) of section 458.324, Florida Statutes, are amended to read:

384 458.324 Breast cancer; information on treatment
385 alternatives.—

386 (1) DEFINITION.—As used in this section, the term
387 “medically viable,” as applied to treatment alternatives, means
388 modes of treatment generally considered by the medical
389 profession to be within the scope of current, acceptable

202368

390 standards, including treatment alternatives described in the
391 written summary prepared by the Florida Cancer Control and
392 Resource Research ~~Research~~ Advisory Council in accordance with s.
393 1004.435(4)(p) ~~1004.435(4)(m)~~.

394 (2) COMMUNICATION OF TREATMENT ALTERNATIVES.—Each physician
395 treating a patient who is, or in the judgment of the physician
396 is at high risk of being, diagnosed as having breast cancer
397 shall inform such patient of the medically viable treatment
398 alternatives available to such patient; shall describe such
399 treatment alternatives; and shall explain the relative
400 advantages, disadvantages, and risks associated with the
401 treatment alternatives to the extent deemed necessary to allow
402 the patient to make a prudent decision regarding such treatment
403 options. In compliance with this subsection:

404 (a) The physician may, in his or her discretion:

405 1. Orally communicate such information directly to the
406 patient or the patient's legal representative;

407 2. Provide the patient or the patient's legal
408 representative with a copy of the written summary prepared in
409 accordance with s. 1004.435(4)(p) ~~1004.435(4)(m)~~ and express a
410 willingness to discuss the summary with the patient or the
411 patient's legal representative; or

412 3. Both communicate such information directly and provide a
413 copy of the written summary to the patient or the patient's
414 legal representative for further consideration and possible
415 later discussion.

416

417 Nothing in this subsection shall reduce other provisions of law
418 regarding informed consent.

202368

419 Section 4. Subsection (1) and paragraph (a) of subsection
420 (2) of section 459.0125, Florida Statutes, are amended to read:
421 459.0125 Breast cancer; information on treatment
422 alternatives.—

423 (1) DEFINITION.—As used in this section, the term
424 “medically viable,” as applied to treatment alternatives, means
425 modes of treatment generally considered by the medical
426 profession to be within the scope of current, acceptable
427 standards, including treatment alternatives described in the
428 written summary prepared by the Florida Cancer Control and
429 Resource Research ~~Research~~ Advisory Council in accordance with s.
430 1004.435(4)(p) ~~1004.435(4)(m)~~.

431 (2) COMMUNICATION OF TREATMENT ALTERNATIVES.—It is the
432 obligation of every physician treating a patient who is, or in
433 the judgment of the physician is at high risk of being,
434 diagnosed as having breast cancer to inform such patient of the
435 medically viable treatment alternatives available to such
436 patient; to describe such treatment alternatives; and to explain
437 the relative advantages, disadvantages, and risks associated
438 with the treatment alternatives to the extent deemed necessary
439 to allow the patient to make a prudent decision regarding such
440 treatment options. In compliance with this subsection:

441 (a) The physician may, in her or his discretion:

442 1. Orally communicate such information directly to the
443 patient or the patient’s legal representative;

444 2. Provide the patient or the patient’s legal
445 representative with a copy of the written summary prepared in
446 accordance with s. 1004.435(4)(p) ~~1004.435(4)(m)~~ and express her
447 or his willingness to discuss the summary with the patient or

202368

448 the patient's legal representative; or

449 3. Both communicate such information directly and provide a
450 copy of the written summary to the patient or the patient's
451 legal representative for further consideration and possible
452 later discussion.

453
454 Nothing in this subsection shall reduce other provisions of law
455 regarding informed consent.

456
457 ===== T I T L E A M E N D M E N T =====

458 And the title is amended as follows:

459 Delete line 5

460 and insert:

461 hospital inpatient rates; amending s. 1004.435, F.S.;

462 revising legislative intent to delete provisions

463 relating to research activities for cancer control;

464 changing the name of the cancer control and research

465 advisory council to the Florida Cancer Control and

466 Resource Advisory Council; providing for the

467 appointment and terms of council members and duties of
