The Committee on Criminal Justice (Hays) recommended the following:

**Senate Amendment**

Delete lines 127 - 129  
and insert:  
required training course within the previous 5 years. Once trained, experts must retake the required training course every 5 years in order to remain on the registry. Those who have not completed the training course or have not retaken the training course within 5 years must be removed from the registry and may not conduct competency evaluations for the courts.
