The Committee on Criminal Justice (Hays) recommended the following:

Senate Amendment

Delete lines 255 - 264
and insert:
Statistical Manual of Mental Disorders of the American
Psychiatric Association and must be presented in a section of
his or her competency evaluation report that shall be identified
as a summary of findings. This section must include:

1. The day, month, year, and length of time of the face-to-face diagnostic clinical interview to determine the child's mental condition.
2. A statement that identifies the mental disorder causing

955046

13 the child's incompetence. In reporting on the mental disorder,
14 the evaluator shall use the clinical name and associated
15 diagnostic code found in the most recent edition of the
16 Diagnostic and Statistical Manual of Mental Disorders of the
17 American Psychiatric Association.
