44	Section 3. Subsection (6) is added to section 373.118,
45	Florida Statutes, to read:
46	373.118 General permits; delegation
47	(6) By July 1, 2012, the department shall initiate
48	rulemaking to adopt a general permit for stormwater management
49	systems serving airside activities at airports. The general
50	permit applies statewide and shall be administered by any water
51	management district or any delegated local government pursuant
52	to the operating agreements applicable to part IV of this
53	chapter, with no additional rulemaking required. These rules are
54	not subject to any special rulemaking requirements related to
55	small business.
56	Section 4. Section 373.4131, Florida Statutes, is created
57	to read:
58	373.4131 Conceptual permits for urban redevelopment
59	projects
60	(1) A municipality or county that has created a community
61	redevelopment area or an urban infill and redevelopment area
62	pursuant to chapter 163 may adopt a stormwater adaptive
63	management plan that addresses the quantity and quality of
64	stormwater discharges for the area and may obtain a conceptual
65	permit from a water management district or the Department of
66	Environmental Protection.
67	(2) The conceptual permit shall be established by a water
68	management district in consultation with the department and:
69	(a) Must allow for the rate and volume of stormwater
70	discharges for stormwater management systems of urban

74	up to the maximum rate and volume of stormwater discharges
75	within the area as of the date the stormwater adaptive
76	management plan was adopted.
77	(b) Must presume that stormwater discharges for stormwater
78	management systems of urban redevelopment projects located
79	within a community redevelopment area created under part III of
80	chapter 163 or an urban infill and redevelopment area designated
81	under s. 163.2517 which demonstrate a net improvement of the
82	quality of the discharged water that existed as of the date the
83	stormwater adaptive management plan was adopted for any
84	applicable pollutants of concern in the receiving water body do
85	not cause or contribute to violations of water quality criteria.
86	(c) May not prescribe additional or more stringent
87	limitations concerning the quantity and quality of stormwater
88	discharges from stormwater management systems than provided in
89	this section.
90	(d) Shall be issued for a duration of at least 20 years and
91	may be renewed, unless a shorter duration is requested by the
92	applicant.
93	(3) Urban redevelopment projects that meet the criteria
94	established in the conceptual permit pursuant to this section
95	qualify for a noticed general permit that authorizes
96	construction and operation for the duration of the conceptual
97	permit.
