The Committee on Transportation (Latvala) recommended the following:

Senate Amendment

Delete lines 3580 - 3586
and insert:

(1) The governing bodies or a designated subcommittee of both the PSTA and HART shall hold a joint meeting within 30 days after July 1, 2012, and as often as deemed necessary thereafter, in order to consider and identify opportunities for greater efficiency and service improvements, including specific methods for increasing service connectivity between the jurisdictions of each agency. The elements to be reviewed must also include:
