The Committee on Budget Subcommittee on Health and Human Services Appropriations (Garcia) recommended the following:

Senate Amendment

Delete lines 2199 - 2203
and insert:
for the use of a drug. The agency shall ~~may~~ post prior authorization and step-edit criteria and protocol and updates to the list of drugs that are subject to prior authorization on the agency's ~~an~~ Internet website within 21 days after the prior authorization and step edit criteria and protocol and updates are approved by the agency. For purposes of this subparagraph, the term "step edit" means an automatic electronic review of certain medications subject to prior authorization
