527 powers; agency or partnership with physicians.—

528 (2) Each licensed facility, as a condition of licensure,
529 shall provide for peer review of physicians who deliver health
530 care services at the facility. Each licensed facility shall
531 develop written, binding procedures by which such peer review
532 shall be conducted. Such procedures must ~~shall~~ include:

533 (a) Mechanism for choosing the membership of the body or
534 bodies that conduct peer review.

535 (b) Adoption of rules of order for the peer review process.

536 (c) Fair review of the case with the physician involved.

552 after its initial occurrence, regardless of the pendency of
553 appeals to the governing board of the hospital. The notification
554 shall identify the disciplined practitioner, the action taken,
555 and the reason for such action. All final disciplinary actions
556 taken under subsection (3), if different from those which were

558 initial occurrence, shall be reported within 10 working days to
559 the Division of Medical Quality Assurance of the department
560 ~~Health Quality Assurance of the agency~~ in writing and shall
561 specify the disciplinary action taken and the specific grounds
562 therefor. The division shall review each report and determine
563 whether it potentially involved conduct by the licensee that is
564 subject to disciplinary action, in which case s. 456.073 shall
565 apply. The reports are not subject to inspection under s.
566 119.07(1) even if the division's investigation results in a
567 finding of probable cause.

568 Section 10. Section 395.1023, Florida Statutes, is amended
569 to read:

575 actual or suspected case of child abuse, abandonment, or
576 neglect; and

577 (2) In any case involving suspected child abuse,
578 abandonment, or neglect, designate, at the request of the
579 Department of Children and Family Services, a staff physician to
580 act as a liaison between the hospital and the Department of

581 Children and Family Services office which is investigating the
582 suspected abuse, abandonment, or neglect, and the child
583 protection team, as defined in s. 39.01, when the case is
584 referred to such a team.

585

586 Each general hospital and appropriate specialty hospital shall
587 comply with the provisions of this section and shall notify the
588 agency and the Department of Children and Family Services of its
589 compliance by sending a copy of its policy to the agency and the
590 Department of Children and Family Services as required by rule.
591 The failure by a general hospital or appropriate specialty
592 hospital to comply shall be punished by a fine not exceeding
593 \$1,000, to be fixed, imposed, and collected by the agency. Each
594 day in violation is considered a separate offense.

595 Section 11. Subsection (2) and paragraph (d) of subsection
596 (3) of section 395.1041, Florida Statutes, are amended to read:

597 395.1041 Access to emergency services and care.—

598 (2) INVENTORY OF HOSPITAL EMERGENCY SERVICES.—The agency
599 shall establish and maintain an inventory of hospitals with
600 emergency services. The inventory shall list all services within
601 the service capability of the hospital, and such services shall
602 appear on the face of the hospital license. Each hospital having
603 emergency services shall notify the agency of its service
604 capability in the manner and form prescribed by the agency. The
605 agency shall use the inventory to assist emergency medical
606 services providers and others in locating appropriate emergency
607 medical care. The inventory shall also be made available to the
608 general public. ~~On or before August 1, 1992, the agency shall~~
609 ~~request that each hospital identify the services which are~~

40-00630D-12

20121884

610 ~~within its service capability. On or before November 1, 1992,~~
611 ~~the agency shall notify each hospital of the service capability~~
612 ~~to be included in the inventory. The hospital has 15 days from~~
613 ~~the date of receipt to respond to the notice. By December 1,~~
614 ~~1992, the agency shall publish a final inventory. Each hospital~~
615 shall reaffirm its service capability when its license is
616 renewed and shall notify the agency of the addition of a new
617 service or the termination of a service prior to a change in its
618 service capability.

619 (3) EMERGENCY SERVICES; DISCRIMINATION; LIABILITY OF
620 FACILITY OR HEALTH CARE PERSONNEL.—

621 (d)1. Every hospital shall ensure the provision of services
622 within the service capability of the hospital, at all times,
623 either directly or indirectly through an arrangement with
624 another hospital, through an arrangement with one or more
625 physicians, or as otherwise made through prior arrangements. A
626 hospital may enter into an agreement with another hospital for
627 purposes of meeting its service capability requirement, and
628 appropriate compensation or other reasonable conditions may be
629 negotiated for these backup services.

630 2. If any arrangement requires the provision of emergency
631 medical transportation, such arrangement must be made in
632 consultation with the applicable provider and may not require
633 the emergency medical service provider to provide transportation
634 that is outside the routine service area of that provider or in
635 a manner that impairs the ability of the emergency medical
636 service provider to timely respond to prehospital emergency
637 calls.

638 3. A hospital is ~~shall~~ not be required to ensure service

40-00630D-12

639 capability at all times as required in subparagraph 1. if, prior
640 to the receiving of any patient needing such service capability,
641 such hospital has demonstrated to the agency that it lacks the
642 ability to ensure such capability and it has exhausted all
643 reasonable efforts to ensure such capability through backup
644 arrangements. In reviewing a hospital's demonstration of lack of
645 ability to ensure service capability, the agency shall consider
646 factors relevant to the particular case, including the
647 following:

648 a. Number and proximity of hospitals with the same service
649 capability.

650 b. Number, type, credentials, and privileges of
651 specialists.

652 c. Frequency of procedures.

653 d. Size of hospital.

654 4. The agency shall publish ~~proposed~~ rules implementing a
655 reasonable exemption procedure ~~by November 1, 1992. Subparagraph~~
656 ~~1. shall become effective upon the effective date of said rules~~
657 ~~or January 31, 1993, whichever is earlier. For a period not to~~
658 ~~exceed 1 year from the effective date of subparagraph 1., a~~
659 ~~hospital requesting an exemption shall be deemed to be exempt~~
660 ~~from offering the service until the agency initially acts to~~
661 ~~deny or grant the original request. The agency has 45 days after~~
662 ~~from the date of receipt of the request to approve or deny the~~
663 ~~request. After the first year from the effective date of~~
664 ~~subparagraph 1.,~~ If the agency fails to initially act within
665 that ~~the~~ time period, the hospital is deemed to be exempt from
666 offering the service until the agency initially acts to deny the
667 request.

692 prosecution, and appeal of disciplinary proceedings. If the
693 department ~~agency~~ requests copies of the records, the facility
694 shall charge a fee pursuant to this section ~~no more than its~~

893 ~~licensure, the licensee agrees to provide to the agency copies~~
894 ~~of any new verdict or judgment involving the applicant, relating~~
895 ~~to such matters, within 30 days after filing with the clerk of~~
896 ~~the court. The information required in this paragraph shall be~~
897 ~~maintained in the facility's licensure file and in an agency~~
898 ~~database which is available as a public record.~~

899 (5) As a condition of licensure, each facility must

40-00630D-12

20121884

900 establish and ~~submit with its application~~ a plan for quality
901 assurance and for conducting risk management.

902 Section 23. Section 400.0712, Florida Statutes, is amended
903 to read:

904 400.0712 Application for inactive license.-

905 ~~(1) As specified in this section, the agency may issue an~~
906 ~~inactive license to a nursing home facility for all or a portion~~
907 ~~of its beds. Any request by a licensee that a nursing home or~~
908 ~~portion of a nursing home become inactive must be submitted to~~
909 ~~the agency in the approved format. The facility may not initiate~~
910 ~~any suspension of services, notify residents, or initiate~~
911 ~~inactivity before receiving approval from the agency; and a~~
912 ~~licensee that violates this provision may not be issued an~~
913 ~~inactive license.~~

914 (1)(2) In addition to the powers granted under part II of
915 chapter 408, the agency may issue an inactive license for a
916 portion of the total beds to a nursing home that chooses to use
917 an unoccupied contiguous portion of the facility for an
918 alternative use to meet the needs of elderly persons through the
919 use of less restrictive, less institutional services.

920 (a) An inactive license issued under this subsection may be
921 granted for a period not to exceed the current licensure
922 expiration date but may be renewed by the agency at the time of
923 licensure renewal.

924 (b) A request to extend the inactive license must be
925 submitted to the agency in the approved format and approved by
926 the agency in writing.

927 (c) Nursing homes that receive an inactive license to
928 provide alternative services shall not receive preference for

40-00630D-12

20121884

929 participation in the Assisted Living for the Elderly Medicaid
930 waiver.

931 (2)~~(3)~~ The agency shall adopt rules pursuant to ss.
932 120.536(1) and 120.54 necessary to implement this section.

933 Section 24. Section 400.111, Florida Statutes, is amended
934 to read:

935 400.111 Disclosure of controlling interest.—In addition to
936 the requirements of part II of chapter 408, when requested by
937 the agency, the licensee shall submit a signed affidavit
938 disclosing any financial or ownership interest that a
939 controlling interest has held within the last 5 years in any
940 entity licensed by the state or any other state to provide
941 health or residential care which entity has closed voluntarily
942 or involuntarily; has filed for bankruptcy; has had a receiver
943 appointed; has had a license denied, suspended, or revoked; or
944 has had an injunction issued against it which was initiated by a
945 regulatory agency. The affidavit must disclose the reason such
946 entity was closed, whether voluntarily or involuntarily.

947 Section 25. Subsection (2) of section 400.1183, Florida
948 Statutes, is amended to read:

949 400.1183 Resident grievance procedures.—

950 (2) Each facility shall maintain records of all grievances
951 and shall retain a log for agency inspection of ~~report to the~~
952 ~~agency at the time of relicensure~~ the total number of grievances
953 ~~handled during the prior licensure period~~, a categorization of
954 the cases underlying the grievances, and the final disposition
955 of the grievances.

956 Section 26. Subsection (1) of section 400.141, Florida
957 Statutes, is amended, and subsection (3) is added to that

40-00630D-12

20121884

958 section to read:

959 400.141 Administration and management of nursing home
960 facilities.—

961 (1) Every licensed facility shall comply with all
962 applicable standards and rules of the agency and shall:

963 (a) Be under the administrative direction and charge of a
964 licensed administrator.

965 (b) Appoint a medical director licensed pursuant to chapter
966 458 or chapter 459. The agency may establish by rule more
967 specific criteria for the appointment of a medical director.

968 (c) Have available the regular, consultative, and emergency
969 services of physicians licensed by the state.

970 (d) Provide for resident use of a community pharmacy as
971 specified in s. 400.022(1)(q). Any other law to the contrary
972 notwithstanding, a registered pharmacist licensed in Florida,
973 that is under contract with a facility licensed under this
974 chapter or chapter 429, shall repackage a nursing facility
975 resident's bulk prescription medication that ~~which~~ has been
976 packaged by another pharmacist licensed in any state in the
977 United States into a unit dose system compatible with the system
978 used by the nursing facility, if the pharmacist is requested to
979 offer such service. In order to be eligible for the repackaging,
980 a resident or the resident's spouse must receive prescription
981 medication benefits provided through a former employer as part
982 of his or her retirement benefits, a qualified pension plan as
983 specified in s. 4972 of the Internal Revenue Code, a federal
984 retirement program as specified under 5 C.F.R. s. 831, or a
985 long-term care policy as defined in s. 627.9404(1). A pharmacist
986 who correctly repackages and relabels the medication and the

40-00630D-12

20121884

987 nursing facility that ~~which~~ correctly administers such
988 repackaged medication under this paragraph may not be held
989 liable in any civil or administrative action arising from the
990 repackaging. In order to be eligible for the repackaging, a
991 nursing facility resident for whom the medication is to be
992 repackaged shall sign an informed consent form provided by the
993 facility which includes an explanation of the repackaging
994 process and which notifies the resident of the immunities from
995 liability provided in this paragraph. A pharmacist who
996 repackages and relabels prescription medications, as authorized
997 under this paragraph, may charge a reasonable fee for costs
998 resulting from the implementation of this provision.

999 (e) Provide for the access of the facility residents to
1000 dental and other health-related services, recreational services,
1001 rehabilitative services, and social work services appropriate to
1002 their needs and conditions and not directly furnished by the
1003 licensee. When a geriatric outpatient nurse clinic is conducted
1004 in accordance with rules adopted by the agency, outpatients
1005 attending such clinic shall not be counted as part of the
1006 general resident population of the nursing home facility, nor
1007 shall the nursing staff of the geriatric outpatient clinic be
1008 counted as part of the nursing staff of the facility, until the
1009 outpatient clinic load exceeds 15 a day.

1010 (f) Be allowed and encouraged by the agency to provide
1011 other needed services under certain conditions. If the facility
1012 has a standard licensure status, ~~and has had no class I or class~~
1013 ~~II deficiencies during the past 2 years or has been awarded a~~
1014 ~~Gold Seal under the program established in s. 400.235,~~ it may be
1015 ~~encouraged by the agency to~~ provide services, including, but not

40-00630D-12

20121884

1016 limited to, respite and adult day services, which enable
1017 individuals to move in and out of the facility. A facility is
1018 not subject to any additional licensure requirements for
1019 providing these services under the following conditions:-

1020 1. Respite care may be offered to persons in need of short-
1021 term or temporary nursing home services. For each person
1022 admitted under the respite care program, the facility licensee
1023 must:

1024 a. Have a written abbreviated plan of care that, at a
1025 minimum, includes nutritional requirements, medication orders,
1026 physician orders, nursing assessments, and dietary preferences.
1027 The nursing or physician assessments may take the place of all
1028 other assessments required for full-time residents.

1029 b. Have a contract that, at a minimum, specifies the
1030 services to be provided to the respite resident, including
1031 charges for services, activities, equipment, emergency medical
1032 services, and the administration of medications. If multiple
1033 respite admissions for a single person are anticipated, the
1034 original contract is valid for 1 year after the date of
1035 execution.

1036 c. Ensure that each resident is released to his or her
1037 caregiver or an individual designated in writing by the
1038 caregiver.

1039 2. A person admitted under the respite care program is:

1040 a. Exempt from requirements in rule related to discharge
1041 planning.

1042 b. Covered by the residents' rights set forth in s.
1043 400.022(1)(a)-(o) and (r)-(t). Property or funds of a resident
1044 are not considered trust funds that are subject to the

40-00630D-12

20121884

1045 requirements of s. 400.022(1)(h) until the resident has been in
1046 the facility for more than 14 consecutive days.

1047 c. Allowed to use his or her personal medications for the
1048 respite stay if permitted by facility policy. The facility must
1049 obtain a physician's order for the medications. The caregiver
1050 may provide information regarding the medications as part of the
1051 nursing assessment and that information must be in conformance
1052 with the physician's order. Medications shall be released with
1053 the resident upon discharge in accordance with a physician's
1054 current orders.

1055 3. A person receiving respite care is entitled to reside in
1056 the facility for a total of 60 days within a contract year or
1057 within a calendar year if the contract is for less than 12
1058 months. However, each single stay may not exceed 14 days. If a
1059 stay exceeds 14 consecutive days, the facility must comply with
1060 all requirements for assessment and care planning which apply to
1061 nursing home residents.

1062 4. A person receiving respite care must reside in a
1063 licensed nursing home bed.

1064 5. A prospective respite resident must provide medical
1065 information from a physician, a physician assistant, or a nurse
1066 practitioner and other information from the primary caregiver as
1067 may be required by the facility prior to or at the time of
1068 admission to receive respite care. The medical information must
1069 include a physician's order for respite care and proof of a
1070 physical examination by a licensed physician, physician
1071 assistant, or nurse practitioner. The physician's order and
1072 physical examination may be used to provide intermittent respite
1073 care for up to 12 months after the date the order is written.

40-00630D-12

20121884

1074 6. The facility must assume the duties of the primary
1075 caregiver. To ensure continuity of care and services, the
1076 resident is entitled to retain his or her personal physician and
1077 must have access to medically necessary services such as
1078 physical therapy, occupational therapy, or speech therapy, as
1079 needed. The facility must arrange for transportation to these
1080 services if necessary. Respite care must be provided in
1081 accordance with this part and rules adopted by the agency.

1082 ~~However, the agency shall, by rule, adopt modified requirements~~
1083 ~~for resident assessment, resident care plans, resident~~
1084 ~~contracts, physician orders, and other provisions, as~~
1085 ~~appropriate, for short-term or temporary nursing home services.~~

1086 7. The agency shall allow for shared programming and staff
1087 in a facility which meets minimum standards and offers services
1088 pursuant to this paragraph, but, if the facility is cited for
1089 deficiencies in patient care, may require additional staff and
1090 programs appropriate to the needs of service recipients. A
1091 person who receives respite care may not be counted as a
1092 resident of the facility for purposes of the facility's licensed
1093 capacity unless that person receives 24-hour respite care. A
1094 person receiving either respite care for 24 hours or longer or
1095 adult day services must be included when calculating minimum
1096 staffing for the facility. Any costs and revenues generated by a
1097 nursing home facility from nonresidential programs or services
1098 shall be excluded from the calculations of Medicaid per diems
1099 for nursing home institutional care reimbursement.

1100 (g) If the facility has a standard license ~~or is a Gold~~
1101 ~~Seal facility~~, exceeds the minimum required hours of licensed
1102 nursing and certified nursing assistant direct care per resident

40-00630D-12

20121884

1103 per day, and is part of a continuing care facility licensed
1104 under chapter 651 or a retirement community that offers other
1105 services pursuant to part III of this chapter or part I or part
1106 III of chapter 429 on a single campus, be allowed to share
1107 programming and staff. ~~At the time of inspection and in the~~
1108 ~~semiannual report required pursuant to paragraph (o),~~ A
1109 continuing care facility or retirement community that uses this
1110 option must demonstrate through staffing records that minimum
1111 staffing requirements for the facility were met. Licensed nurses
1112 and certified nursing assistants who work in the nursing home
1113 facility may be used to provide services elsewhere on campus if
1114 the facility exceeds the minimum number of direct care hours
1115 required per resident per day and the total number of residents
1116 receiving direct care services from a licensed nurse or a
1117 certified nursing assistant does not cause the facility to
1118 violate the staffing ratios required under s. 400.23(3)(a).
1119 Compliance with the minimum staffing ratios shall be based on
1120 total number of residents receiving direct care services,
1121 regardless of where they reside on campus. If the facility
1122 receives a conditional license, it may not share staff until the
1123 conditional license status ends. This paragraph does not
1124 restrict the agency's authority under federal or state law to
1125 require additional staff if a facility is cited for deficiencies
1126 in care which are caused by an insufficient number of certified
1127 nursing assistants or licensed nurses. The agency may adopt
1128 rules for the documentation necessary to determine compliance
1129 with this provision.

1130 (h) Maintain the facility premises and equipment and
1131 conduct its operations in a safe and sanitary manner.

40-00630D-12

20121884

1132 (i) If the licensee furnishes food service, provide a
1133 wholesome and nourishing diet sufficient to meet generally
1134 accepted standards of proper nutrition for its residents and
1135 provide such therapeutic diets as may be prescribed by attending
1136 physicians. In making rules to implement this paragraph, the
1137 agency shall be guided by standards recommended by nationally
1138 recognized professional groups and associations with knowledge
1139 of dietetics.

1140 (j) Keep full records of resident admissions and
1141 discharges; medical and general health status, including medical
1142 records, personal and social history, and identity and address
1143 of next of kin or other persons who may have responsibility for
1144 the affairs of the residents; and individual resident care plans
1145 including, but not limited to, prescribed services, service
1146 frequency and duration, and service goals. The records shall be
1147 open to inspection by the agency. The facility must maintain
1148 clinical records for each resident in accordance with accepted
1149 professional standards and practices and which are complete,
1150 accurately documented, readily accessible, and systematically
1151 organized.

1152 (k) Keep such fiscal records of its operations and
1153 conditions as may be necessary to provide information pursuant
1154 to this part.

1155 (l) Furnish copies of personnel records for employees
1156 affiliated with such facility, to any other facility licensed by
1157 this state requesting this information pursuant to this part.
1158 Such information contained in the records may include, but is
1159 not limited to, disciplinary matters and any reason for
1160 termination. Any facility releasing such records pursuant to

40-00630D-12

20121884__

1161 this part shall be considered to be acting in good faith and may
1162 not be held liable for information contained in such records,
1163 absent a showing that the facility maliciously falsified such
1164 records.

1165 (m) Publicly display a poster provided by the agency
1166 containing the names, addresses, and telephone numbers for the
1167 state's abuse hotline, the State Long-Term Care Ombudsman, the
1168 Agency for Health Care Administration consumer hotline, the
1169 Advocacy Center for Persons with Disabilities, the Florida
1170 Statewide Advocacy Council, and the Medicaid Fraud Control Unit,
1171 with a clear description of the assistance to be expected from
1172 each.

1173 ~~(n) Submit to the agency the information specified in s.~~
1174 ~~400.071(1)(b) for a management company within 30 days after the~~
1175 ~~effective date of the management agreement.~~

1176 ~~(o)1. Submit semiannually to the agency, or more frequently~~
1177 ~~if requested by the agency, information regarding facility~~
1178 ~~staff-to-resident ratios, staff turnover, and staff stability,~~
1179 ~~including information regarding certified nursing assistants,~~
1180 ~~licensed nurses, the director of nursing, and the facility~~
1181 ~~administrator. For purposes of this reporting:~~

1182 ~~a. Staff-to-resident ratios must be reported in the~~
1183 ~~categories specified in s. 400.23(3)(a) and applicable rules.~~
1184 ~~The ratio must be reported as an average for the most recent~~
1185 ~~calendar quarter.~~

1186 ~~b. Staff turnover must be reported for the most recent 12-~~
1187 ~~month period ending on the last workday of the most recent~~
1188 ~~calendar quarter prior to the date the information is submitted.~~
1189 ~~The turnover rate must be computed quarterly, with the annual~~

40-00630D-12

20121884__

1190 ~~rate being the cumulative sum of the quarterly rates. The~~
1191 ~~turnover rate is the total number of terminations or separations~~
1192 ~~experienced during the quarter, excluding any employee~~
1193 ~~terminated during a probationary period of 3 months or less,~~
1194 ~~divided by the total number of staff employed at the end of the~~
1195 ~~period for which the rate is computed, and expressed as a~~
1196 ~~percentage.~~

1197 ~~e. The formula for determining staff stability is the total~~
1198 ~~number of employees that have been employed for more than 12~~
1199 ~~months, divided by the total number of employees employed at the~~
1200 ~~end of the most recent calendar quarter, and expressed as a~~
1201 ~~percentage.~~

1202 ~~(n)1.d.~~ Comply with minimum-staffing requirements. A
1203 nursing facility that fails ~~has failed~~ to comply with state
1204 minimum-staffing requirements for 2 consecutive days may not
1205 accept ~~is prohibited from accepting~~ new admissions until the
1206 facility achieves ~~has achieved~~ the minimum-staffing requirements
1207 for a ~~period of~~ 6 consecutive days. For the purposes of this
1208 subparagraph ~~sub-subparagraph~~, any person who was a resident of
1209 the facility and was absent from the facility for the purpose of
1210 receiving medical care at a separate location or was on a leave
1211 of absence is not considered a new admission. Failure to impose
1212 such an admissions moratorium is subject to a \$1,000 fine
1213 ~~constitutes a class II deficiency.~~

1214 ~~2.e.~~ A nursing facility that ~~which~~ does not have a
1215 conditional license may be cited for failure to comply with the
1216 standards in s. 400.23(3)(a)1.b. and c. only if it fails ~~has~~
1217 ~~failed~~ to meet those standards on 2 consecutive days or if it
1218 fails ~~has failed~~ to meet at least 97 percent of those standards

40-00630D-12

20121884

1219 on any one day.

1220 ~~3.f.~~ A facility that ~~which~~ has a conditional license must
1221 be in compliance with the standards in s. 400.23(3)(a) at all
1222 times.

1223 ~~2. This paragraph does not limit the agency's ability to~~
1224 ~~impose a deficiency or take other actions if a facility does not~~
1225 ~~have enough staff to meet the residents' needs.~~

1226 (o) ~~(p)~~ Notify a licensed physician when a resident exhibits
1227 signs of dementia or cognitive impairment or has a change of
1228 condition in order to rule out the presence of an underlying
1229 physiological condition that may be contributing to such
1230 dementia or impairment. The notification must occur within 30
1231 days after the acknowledgment of such signs by facility staff.
1232 If an underlying condition is determined to exist, the facility
1233 shall arrange, with the appropriate health care provider, the
1234 necessary care and services to treat the condition.

1235 (p) ~~(q)~~ If the facility implements a dining and hospitality
1236 attendant program, ensure that the program is developed and
1237 implemented under the supervision of the facility director of
1238 nursing. A licensed nurse, licensed speech or occupational
1239 therapist, or a registered dietitian must conduct training of
1240 dining and hospitality attendants. A person employed by a
1241 facility as a dining and hospitality attendant must perform
1242 tasks under the direct supervision of a licensed nurse.

1243 ~~(r) Report to the agency any filing for bankruptcy~~
1244 ~~protection by the facility or its parent corporation,~~
1245 ~~divestiture or spin-off of its assets, or corporate~~
1246 ~~reorganization within 30 days after the completion of such~~
1247 ~~activity.~~

40-00630D-12

20121884

1248 (q)~~(s)~~ Maintain general and professional liability
1249 insurance coverage that is in force at all times. In lieu of
1250 general and professional liability insurance coverage, a state-
1251 designated teaching nursing home and its affiliated assisted
1252 living facilities created under s. 430.80 may demonstrate proof
1253 of financial responsibility as provided in s. 430.80(3)(g).

1254 (r)~~(t)~~ Maintain in the medical record for each resident a
1255 daily chart of certified nursing assistant services provided to
1256 the resident. The certified nursing assistant who is caring for
1257 the resident must complete this record by the end of his or her
1258 shift. This record must indicate assistance with activities of
1259 daily living, assistance with eating, and assistance with
1260 drinking, and must record each offering of nutrition and
1261 hydration for those residents whose plan of care or assessment
1262 indicates a risk for malnutrition or dehydration.

1263 (s)~~(u)~~ Before November 30 of each year, subject to the
1264 availability of an adequate supply of the necessary vaccine,
1265 provide for immunizations against influenza viruses to all its
1266 consenting residents in accordance with the recommendations of
1267 the United States Centers for Disease Control and Prevention,
1268 subject to exemptions for medical contraindications and
1269 religious or personal beliefs. Subject to these exemptions, any
1270 consenting person who becomes a resident of the facility after
1271 November 30 but before March 31 of the following year must be
1272 immunized within 5 working days after becoming a resident.
1273 Immunization shall not be provided to any resident who provides
1274 documentation that he or she has been immunized as required by
1275 this paragraph. This paragraph does not prohibit a resident from
1276 receiving the immunization from his or her personal physician if

40-00630D-12

20121884

1277 he or she so chooses. A resident who chooses to receive the
1278 immunization from his or her personal physician shall provide
1279 proof of immunization to the facility. The agency may adopt and
1280 enforce any rules necessary to comply with or implement this
1281 paragraph.

1282 (t)~~(v)~~ Assess all residents for eligibility for
1283 pneumococcal polysaccharide vaccination (PPV) and vaccinate
1284 residents when indicated within 60 days after the effective date
1285 of this act in accordance with the recommendations of the United
1286 States Centers for Disease Control and Prevention, subject to
1287 exemptions for medical contraindications and religious or
1288 personal beliefs. Residents admitted after the effective date of
1289 this act shall be assessed within 5 working days after ~~of~~
1290 admission and, when indicated, vaccinated within 60 days in
1291 accordance with the recommendations of the United States Centers
1292 for Disease Control and Prevention, subject to exemptions for
1293 medical contraindications and religious or personal beliefs.
1294 Immunization shall not be provided to any resident who provides
1295 documentation that he or she has been immunized as required by
1296 this paragraph. This paragraph does not prohibit a resident from
1297 receiving the immunization from his or her personal physician if
1298 he or she so chooses. A resident who chooses to receive the
1299 immunization from his or her personal physician shall provide
1300 proof of immunization to the facility. The agency may adopt and
1301 enforce any rules necessary to comply with or implement this
1302 paragraph.

1303 (u)~~(w)~~ Annually encourage and promote to its employees the
1304 benefits associated with immunizations against influenza viruses
1305 in accordance with the recommendations of the United States

1306 Centers for Disease Control and Prevention. The agency may adopt
1307 and enforce any rules necessary to comply with or implement this
1308 paragraph.

1309
1310 This subsection does not limit the agency's ability to impose a
1311 penalty for a deficiency or take other actions if a facility
1312 fails to maintain an adequate number of staff to meet the
1313 residents' needs.

1314 (3) A facility may charge a reasonable fee for copying
1315 resident records. The fee may not exceed \$1 per page for the
1316 first 25 pages and 25 cents per page for each page in excess of
1317 25 pages.

1318 Section 27. Subsection (3) of section 400.142, Florida
1319 Statutes, is amended to read:

1320 400.142 Emergency medication kits; orders not to

 1423 each survey. The agency may adjust this fine by the change in
 1424 the Consumer Price Index, based on the 12 months immediately
 1425 preceding the increase, to cover the cost of the additional
 1426 surveys. The agency shall verify through subsequent inspection
 1427 that any deficiency identified during inspection is corrected.
 1428 However, the agency may verify the correction of a class III or
 1429 class IV deficiency ~~unrelated to resident rights or resident~~
 1430 ~~care~~ without reinspecting the facility if adequate written
 1431 documentation has been received from the facility, which
 1432 provides assurance that the deficiency has been corrected. The

1451 minimum standards of care based on age are not necessary.

1452 (b) The agency, in collaboration with the Division of
1453 Children's Medical Services Network, shall adopt rules for
1454 minimum staffing requirements for nursing home facilities that
1455 serve persons under 21 years of age, which shall apply in lieu

1474 ~~process before the surveyor begins survey responsibilities. Such~~
1475 ~~observations may not be the sole basis of a deficiency citation~~
1476 ~~against the facility. The agency may not assign an individual to~~
1477 ~~be a member of a survey team for purposes of a survey,~~

2372 ~~license that a renewal license is necessary to continue~~
2373 ~~operation. The licensee's failure to timely file submit a~~
2374 ~~renewal application and license application fee with the agency~~
2375 shall result in a \$50 per day late fee charged to the licensee
2376 by the agency; however, the aggregate amount of the late fee may

2381 90 days before the expiration of a license. This courtesy notice
2382 must inform the licensee of the expiration of the license. If
2383 the agency does not provide the courtesy notice or the licensee
2384 does not receive the courtesy notice, the licensee continues to
2385 be legally obligated to timely file the renewal application and
2386 license application fee with the agency and is not excused from

2388 the required filing date and exhibits a hand-canceled postmark
2389 obtained from a United States post office dated on or before the
2390 required filing date, no fine will be levied.

2391 (e) The applicant must pay the late fee before a late
2392 application is considered complete and failure to pay the late
2393 fee is considered an omission from the application for licensure
2394 pursuant to paragraph (3) (b).

2395 Section 58. Paragraph (b) of subsection (1) of section
2396 408.8065, Florida Statutes, is amended to read:

2431 submit to the agency a description and explanation of the
2432 conviction at the time of license application.

2433 (e) Any person, as required by authorizing statutes,

2539 and the exemption request is received by the agency within 30
2540 days after receipt of the rescreening results by the person. The
2541 rescreening schedule shall be as follows:

2542 (a) Individuals whose last screening was conducted before
2543 December 31, 2003, must be rescreened by July 31, 2013.

2544 (b) Individuals whose last screening was conducted between
2545 January 1, 2004, through December 31, 2007, must be rescreened
2546 by July 31, 2014.

2547 (c) Individuals whose last screening was conducted between
2548 January 1, 2008, through July 31, 2010, must be rescreened by
2549 July 31, 2015.

2550 (6) ~~(5)~~ The costs associated with obtaining the required
2551 screening must be borne by the licensee or the person subject to
2552 screening. Licensees may reimburse persons for these costs. The

40-00630D-12

20121884

2553 Department of Law Enforcement shall charge the agency for
2554 screening pursuant to s. 943.053(3). The agency shall establish
2555 a schedule of fees to cover the costs of screening.

2556 (7)~~(6)~~ (a) As provided in chapter 435, the agency may grant
2557 an exemption from disqualification to a person who is subject to
2558 this section and who:

2559 1. Does not have an active professional license or
2560 certification from the Department of Health; or

2561 2. Has an active professional license or certification from
2562 the Department of Health but is not providing a service within
2563 the scope of that license or certification.

2564 (b) As provided in chapter 435, the appropriate regulatory
2565 board within the Department of Health, or the department itself
2566 if there is no board, may grant an exemption from
2567 disqualification to a person who is subject to this section and
2568 who has received a professional license or certification from
2569 the Department of Health or a regulatory board within that
2570 department and that person is providing a service within the
2571 scope of his or her licensed or certified practice.

2572 (8)~~(7)~~ The agency and the Department of Health may adopt
2573 rules pursuant to ss. 120.536(1) and 120.54 to implement this
2574 section, chapter 435, and authorizing statutes requiring
2575 background screening and to implement and adopt criteria
2576 relating to retaining fingerprints pursuant to s. 943.05(2).

2577 (9)~~(8)~~ There is no unemployment compensation or other
2578 monetary liability on the part of, and no cause of action for
2579 damages arising against, an employer that, upon notice of a
2580 disqualifying offense listed under chapter 435 or this section,
2581 terminates the person against whom the report was issued,

40-00630D-12

20121884

2582 whether or not that person has filed for an exemption with the
2583 Department of Health or the agency.

2584 Section 60. Subsection (9) of section 408.810, Florida
2585 Statutes, is amended to read:

2586 408.810 Minimum licensure requirements.—In addition to the
2587 licensure requirements specified in this part, authorizing
2588 statutes, and applicable rules, each applicant and licensee must
2589 comply with the requirements of this section in order to obtain
2590 and maintain a license.

2591 (9) A controlling interest may not withhold from the agency
2592 any evidence of financial instability, including, but not
2593 limited to, checks returned due to insufficient funds,
2594 delinquent accounts, nonpayment of withholding taxes, unpaid
2595 utility expenses, nonpayment for essential services, or adverse
2596 court action concerning the financial viability of the provider
2597 or any other provider licensed under this part that is under the
2598 control of the controlling interest. A controlling interest
2599 shall notify the agency within 10 days after a court action to
2600 initiate bankruptcy, foreclosure, or eviction proceedings
2601 concerning the provider in which the controlling interest is a
2602 petitioner or defendant. Any person who violates this subsection
2603 commits a misdemeanor of the second degree, punishable as
2604 provided in s. 775.082 or s. 775.083. Each day of continuing
2605 violation is a separate offense.

2606 Section 61. Subsection (3) is added to section 408.813,
2607 Florida Statutes, to read:

2608 408.813 Administrative fines; violations.—As a penalty for
2609 any violation of this part, authorizing statutes, or applicable
2610 rules, the agency may impose an administrative fine.

40-00630D-12

20121884

2611 (3) The agency may impose an administrative fine for a
2612 violation that is not designated as a class I, class II, class
2613 III, or class IV violation. Unless otherwise specified by law,
2614 the amount of the fine may not exceed \$500 for each violation.
2615 Unclassified violations include:

2616 (a) Violating any term or condition of a license.

2617 (b) Violating any provision of this part, authorizing
2618 statutes, or applicable rules.

2619 (c) Exceeding licensed capacity.

2620 (d) Providing services beyond the scope of the license.

2621 (e) Violating a moratorium imposed pursuant to s. 408.814.

2622 Section 62. Paragraph (a) of subsection (37) of section
2623 409.912, Florida Statutes, is amended to read:

2624 409.912 Cost-effective purchasing of health care.—The
2625 agency shall purchase goods and services for Medicaid recipients
2626 in the most cost-effective manner consistent with the delivery
2627 of quality medical care. To ensure that medical services are
2628 effectively utilized, the agency may, in any case, require a
2629 confirmation or second physician's opinion of the correct
2630 diagnosis for purposes of authorizing future services under the
2631 Medicaid program. This section does not restrict access to
2632 emergency services or poststabilization care services as defined
2633 in 42 C.F.R. part 438.114. Such confirmation or second opinion
2634 shall be rendered in a manner approved by the agency. The agency
2635 shall maximize the use of prepaid per capita and prepaid
2636 aggregate fixed-sum basis services when appropriate and other
2637 alternative service delivery and reimbursement methodologies,
2638 including competitive bidding pursuant to s. 287.057, designed
2639 to facilitate the cost-effective purchase of a case-managed

40-00630D-12

20121884

2640 continuum of care. The agency shall also require providers to
2641 minimize the exposure of recipients to the need for acute
2642 inpatient, custodial, and other institutional care and the
2643 inappropriate or unnecessary use of high-cost services. The
2644 agency shall contract with a vendor to monitor and evaluate the
2645 clinical practice patterns of providers in order to identify
2646 trends that are outside the normal practice patterns of a
2647 provider's professional peers or the national guidelines of a
2648 provider's professional association. The vendor must be able to
2649 provide information and counseling to a provider whose practice
2650 patterns are outside the norms, in consultation with the agency,
2651 to improve patient care and reduce inappropriate utilization.
2652 The agency may mandate prior authorization, drug therapy
2653 management, or disease management participation for certain
2654 populations of Medicaid beneficiaries, certain drug classes, or
2655 particular drugs to prevent fraud, abuse, overuse, and possible
2656 dangerous drug interactions. The Pharmaceutical and Therapeutics
2657 Committee shall make recommendations to the agency on drugs for
2658 which prior authorization is required. The agency shall inform
2659 the Pharmaceutical and Therapeutics Committee of its decisions
2660 regarding drugs subject to prior authorization. The agency is
2661 authorized to limit the entities it contracts with or enrolls as
2662 Medicaid providers by developing a provider network through
2663 provider credentialing. The agency may competitively bid single-
2664 source-provider contracts if procurement of goods or services
2665 results in demonstrated cost savings to the state without
2666 limiting access to care. The agency may limit its network based
2667 on the assessment of beneficiary access to care, provider
2668 availability, provider quality standards, time and distance

40-00630D-12

20121884

2669 standards for access to care, the cultural competence of the
2670 provider network, demographic characteristics of Medicaid
2671 beneficiaries, practice and provider-to-beneficiary standards,
2672 appointment wait times, beneficiary use of services, provider
2673 turnover, provider profiling, provider licensure history,
2674 previous program integrity investigations and findings, peer
2675 review, provider Medicaid policy and billing compliance records,
2676 clinical and medical record audits, and other factors. Providers
2677 are not entitled to enrollment in the Medicaid provider network.
2678 The agency shall determine instances in which allowing Medicaid
2679 beneficiaries to purchase durable medical equipment and other
2680 goods is less expensive to the Medicaid program than long-term
2681 rental of the equipment or goods. The agency may establish rules
2682 to facilitate purchases in lieu of long-term rentals in order to
2683 protect against fraud and abuse in the Medicaid program as
2684 defined in s. 409.913. The agency may seek federal waivers
2685 necessary to administer these policies.

2686 (37) (a) The agency shall implement a Medicaid prescribed-
2687 drug spending-control program that includes the following
2688 components:

2689 1. A Medicaid preferred drug list, which shall be a listing
2690 of cost-effective therapeutic options recommended by the
2691 Medicaid Pharmacy and Therapeutics Committee established
2692 pursuant to s. 409.91195 and adopted by the agency for each
2693 therapeutic class on the preferred drug list. At the discretion
2694 of the committee, and when feasible, the preferred drug list
2695 should include at least two products in a therapeutic class. The
2696 agency may post the preferred drug list and updates to the list
2697 on an Internet website without following the rulemaking

40-00630D-12

20121884

2698 procedures of chapter 120. Antiretroviral agents are excluded
2699 from the preferred drug list. The agency shall also limit the
2700 amount of a prescribed drug dispensed to no more than a 34-day
2701 supply unless the drug products' smallest marketed package is
2702 greater than a 34-day supply, or the drug is determined by the
2703 agency to be a maintenance drug in which case a 100-day maximum
2704 supply may be authorized. The agency may seek any federal
2705 waivers necessary to implement these cost-control programs and
2706 to continue participation in the federal Medicaid rebate
2707 program, or alternatively to negotiate state-only manufacturer
2708 rebates. The agency may adopt rules to administer this
2709 subparagraph. The agency shall continue to provide unlimited
2710 contraceptive drugs and items. The agency must establish
2711 procedures to ensure that:

2712 a. There is a response to a request for prior consultation
2713 by telephone or other telecommunication device within 24 hours
2714 after receipt of a request for prior consultation; and

2715 b. A 72-hour supply of the drug prescribed is provided in
2716 an emergency or when the agency does not provide a response
2717 within 24 hours as required by sub-subparagraph a.

2718 2. Reimbursement to pharmacies for Medicaid prescribed
2719 drugs shall be set at the lowest of: the average wholesale price
2720 (AWP) minus 16.4 percent, the wholesaler acquisition cost (WAC)
2721 plus 1.5 percent, the federal upper limit (FUL), the state
2722 maximum allowable cost (SMAC), or the usual and customary (UAC)
2723 charge billed by the provider.

2724 3. The agency shall develop and implement a process for
2725 managing the drug therapies of Medicaid recipients who are using
2726 significant numbers of prescribed drugs each month. The

40-00630D-12

20121884

2727 management process may include, but is not limited to,
2728 comprehensive, physician-directed medical-record reviews, claims
2729 analyses, and case evaluations to determine the medical
2730 necessity and appropriateness of a patient's treatment plan and
2731 drug therapies. The agency may contract with a private
2732 organization to provide drug-program-management services. The
2733 Medicaid drug benefit management program shall include
2734 initiatives to manage drug therapies for HIV/AIDS patients,
2735 patients using 20 or more unique prescriptions in a 180-day
2736 period, and the top 1,000 patients in annual spending. The
2737 agency shall enroll any Medicaid recipient in the drug benefit
2738 management program if he or she meets the specifications of this
2739 provision and is not enrolled in a Medicaid health maintenance
2740 organization.

2741 4. The agency may limit the size of its pharmacy network
2742 based on need, competitive bidding, price negotiations,
2743 credentialing, or similar criteria. The agency shall give
2744 special consideration to rural areas in determining the size and
2745 location of pharmacies included in the Medicaid pharmacy
2746 network. A pharmacy credentialing process may include criteria
2747 such as a pharmacy's full-service status, location, size,
2748 patient educational programs, patient consultation, disease
2749 management services, and other characteristics. The agency may
2750 impose a moratorium on Medicaid pharmacy enrollment if it is
2751 determined that it has a sufficient number of Medicaid-
2752 participating providers. The agency must allow dispensing
2753 practitioners to participate as a part of the Medicaid pharmacy
2754 network regardless of the practitioner's proximity to any other
2755 entity that is dispensing prescription drugs under the Medicaid

40-00630D-12

20121884

2756 program. A dispensing practitioner must meet all credentialing
2757 requirements applicable to his or her practice, as determined by
2758 the agency.

2759 5. The agency shall develop and implement a program that
2760 requires Medicaid practitioners who prescribe drugs to use a
2761 counterfeit-proof prescription pad for Medicaid prescriptions.
2762 The agency shall require the use of standardized counterfeit-
2763 proof prescription pads by Medicaid-participating prescribers or
2764 prescribers who write prescriptions for Medicaid recipients. The
2765 agency may implement the program in targeted geographic areas or
2766 statewide.

2767 6. The agency may enter into arrangements that require
2768 manufacturers of generic drugs prescribed to Medicaid recipients
2769 to provide rebates of at least 15.1 percent of the average
2770 manufacturer price for the manufacturer's generic products.
2771 These arrangements shall require that if a generic-drug
2772 manufacturer pays federal rebates for Medicaid-reimbursed drugs
2773 at a level below 15.1 percent, the manufacturer must provide a
2774 supplemental rebate to the state in an amount necessary to
2775 achieve a 15.1-percent rebate level.

2776 7. The agency may establish a preferred drug list as
2777 described in this subsection, and, pursuant to the establishment
2778 of such preferred drug list, negotiate supplemental rebates from
2779 manufacturers that are in addition to those required by Title
2780 XIX of the Social Security Act and at no less than 14 percent of
2781 the average manufacturer price as defined in 42 U.S.C. s. 1936
2782 on the last day of a quarter unless the federal or supplemental
2783 rebate, or both, equals or exceeds 29 percent. There is no upper
2784 limit on the supplemental rebates the agency may negotiate. The

40-00630D-12

20121884

2785 agency may determine that specific products, brand-name or
2786 generic, are competitive at lower rebate percentages. Agreement
2787 to pay the minimum supplemental rebate percentage guarantees a
2788 manufacturer that the Medicaid Pharmaceutical and Therapeutics
2789 Committee will consider a product for inclusion on the preferred
2790 drug list. However, a pharmaceutical manufacturer is not
2791 guaranteed placement on the preferred drug list by simply paying
2792 the minimum supplemental rebate. Agency decisions will be made
2793 on the clinical efficacy of a drug and recommendations of the
2794 Medicaid Pharmaceutical and Therapeutics Committee, as well as
2795 the price of competing products minus federal and state rebates.
2796 The agency may contract with an outside agency or contractor to
2797 conduct negotiations for supplemental rebates. For the purposes
2798 of this section, the term "supplemental rebates" means cash
2799 rebates. Value-added programs as a substitution for supplemental
2800 rebates are prohibited. The agency may seek any federal waivers
2801 to implement this initiative.

2802 8. The agency shall expand home delivery of pharmacy
2803 products. The agency may amend the state plan and issue a
2804 procurement, as necessary, in order to implement this program.
2805 The procurements must include agreements with a pharmacy or
2806 pharmacies located in the state to provide mail order delivery
2807 services at no cost to the recipients who elect to receive home
2808 delivery of pharmacy products. The procurement must focus on
2809 serving recipients with chronic diseases for which pharmacy
2810 expenditures represent a significant portion of Medicaid
2811 pharmacy expenditures or which impact a significant portion of
2812 the Medicaid population. The agency may seek and implement any
2813 federal waivers necessary to implement this subparagraph.

40-00630D-12

20121884

2814 9. The agency shall limit to one dose per month any drug
2815 prescribed to treat erectile dysfunction.

2816 10.a. The agency may implement a Medicaid behavioral drug
2817 management system. The agency may contract with a vendor that
2818 has experience in operating behavioral drug management systems
2819 to implement this program. The agency may seek federal waivers
2820 to implement this program.

2821 b. The agency, in conjunction with the Department of
2822 Children and Family Services, may implement the Medicaid
2823 behavioral drug management system that is designed to improve
2824 the quality of care and behavioral health prescribing practices
2825 based on best practice guidelines, improve patient adherence to
2826 medication plans, reduce clinical risk, and lower prescribed
2827 drug costs and the rate of inappropriate spending on Medicaid
2828 behavioral drugs. The program may include the following
2829 elements:

2830 (I) Provide for the development and adoption of best
2831 practice guidelines for behavioral health-related drugs such as
2832 antipsychotics, antidepressants, and medications for treating
2833 bipolar disorders and other behavioral conditions; translate
2834 them into practice; review behavioral health prescribers and
2835 compare their prescribing patterns to a number of indicators
2836 that are based on national standards; and determine deviations
2837 from best practice guidelines.

2838 (II) Implement processes for providing feedback to and
2839 educating prescribers using best practice educational materials
2840 and peer-to-peer consultation.

2841 (III) Assess Medicaid beneficiaries who are outliers in
2842 their use of behavioral health drugs with regard to the numbers

40-00630D-12

20121884

2843 and types of drugs taken, drug dosages, combination drug
2844 therapies, and other indicators of improper use of behavioral
2845 health drugs.

2846 (IV) Alert prescribers to patients who fail to refill
2847 prescriptions in a timely fashion, are prescribed multiple same-
2848 class behavioral health drugs, and may have other potential
2849 medication problems.

2850 (V) Track spending trends for behavioral health drugs and
2851 deviation from best practice guidelines.

2852 (VI) Use educational and technological approaches to
2853 promote best practices, educate consumers, and train prescribers
2854 in the use of practice guidelines.

2855 (VII) Disseminate electronic and published materials.

2856 (VIII) Hold statewide and regional conferences.

2857 (IX) Implement a disease management program with a model
2858 quality-based medication component for severely mentally ill
2859 individuals and emotionally disturbed children who are high
2860 users of care.

2861 11. The agency shall implement a Medicaid prescription drug
2862 management system.

2863 a. The agency may contract with a vendor that has
2864 experience in operating prescription drug management systems in
2865 order to implement this system. Any management system that is
2866 implemented in accordance with this subparagraph must rely on
2867 cooperation between physicians and pharmacists to determine
2868 appropriate practice patterns and clinical guidelines to improve
2869 the prescribing, dispensing, and use of drugs in the Medicaid
2870 program. The agency may seek federal waivers to implement this
2871 program.

40-00630D-12

20121884

2872 b. The drug management system must be designed to improve
2873 the quality of care and prescribing practices based on best
2874 practice guidelines, improve patient adherence to medication
2875 plans, reduce clinical risk, and lower prescribed drug costs and
2876 the rate of inappropriate spending on Medicaid prescription
2877 drugs. The program must:

2878 (I) Provide for the adoption of best practice guidelines
2879 for the prescribing and use of drugs in the Medicaid program,
2880 including translating best practice guidelines into practice;
2881 reviewing prescriber patterns and comparing them to indicators
2882 that are based on national standards and practice patterns of
2883 clinical peers in their community, statewide, and nationally;
2884 and determine deviations from best practice guidelines.

2885 (II) Implement processes for providing feedback to and
2886 educating prescribers using best practice educational materials
2887 and peer-to-peer consultation.

2888 (III) Assess Medicaid recipients who are outliers in their
2889 use of a single or multiple prescription drugs with regard to
2890 the numbers and types of drugs taken, drug dosages, combination
2891 drug therapies, and other indicators of improper use of
2892 prescription drugs.

2893 (IV) Alert prescribers to recipients who fail to refill
2894 prescriptions in a timely fashion, are prescribed multiple drugs
2895 that may be redundant or contraindicated, or may have other
2896 potential medication problems.

2897 12. The agency may contract for drug rebate administration,
2898 including, but not limited to, calculating rebate amounts,
2899 invoicing manufacturers, negotiating disputes with
2900 manufacturers, and maintaining a database of rebate collections.

40-00630D-12

20121884

2901 13. The agency may specify the preferred daily dosing form
2902 or strength for the purpose of promoting best practices with
2903 regard to the prescribing of certain drugs as specified in the
2904 General Appropriations Act and ensuring cost-effective
2905 prescribing practices.

2906 14. The agency may require prior authorization for
2907 Medicaid-covered prescribed drugs. The agency may prior-
2908 authorize the use of a product:

- 2909 a. For an indication not approved in labeling;
2910 b. To comply with certain clinical guidelines; or
2911 c. If the product has the potential for overuse, misuse, or
2912 abuse.

2913
2914 The agency may require the prescribing professional to provide
2915 information about the rationale and supporting medical evidence
2916 for the use of a drug. The agency may post prior authorization
2917 and step-edit criteria, ~~and protocol,~~ and updates to the list of
2918 drugs that are subject to prior authorization on the agency's an
2919 Internet website within 21 days after the prior authorization
2920 criteria, protocol, or updates are approved by the agency
2921 ~~without amending its rule or engaging in additional rulemaking.~~

2922 15. The agency, in conjunction with the Pharmaceutical and
2923 Therapeutics Committee, may require age-related prior
2924 authorizations for certain prescribed drugs. The agency may
2925 preauthorize the use of a drug for a recipient who may not meet
2926 the age requirement or may exceed the length of therapy for use
2927 of this product as recommended by the manufacturer and approved
2928 by the Food and Drug Administration. Prior authorization may
2929 require the prescribing professional to provide information

40-00630D-12

20121884

2930 about the rationale and supporting medical evidence for the use
2931 of a drug.

2932 16. The agency shall implement a step-therapy prior
2933 authorization approval process for medications excluded from the
2934 preferred drug list. Medications listed on the preferred drug
2935 list must be used within the previous 12 months before the
2936 alternative medications that are not listed. The step-therapy
2937 prior authorization may require the prescriber to use the
2938 medications of a similar drug class or for a similar medical
2939 indication unless contraindicated in the Food and Drug
2940 Administration labeling. The trial period between the specified
2941 steps may vary according to the medical indication. The step-
2942 therapy approval process shall be developed in accordance with
2943 the committee as stated in s. 409.91195(7) and (8). A drug
2944 product may be approved without meeting the step-therapy prior
2945 authorization criteria if the prescribing physician provides the
2946 agency with additional written medical or clinical documentation
2947 that the product is medically necessary because:

2948 a. There is not a drug on the preferred drug list to treat
2949 the disease or medical condition which is an acceptable clinical
2950 alternative;

2951 b. The alternatives have been ineffective in the treatment
2952 of the beneficiary's disease; or

2953 c. Based on historic evidence and known characteristics of
2954 the patient and the drug, the drug is likely to be ineffective,
2955 or the number of doses have been ineffective.

2956

2957 The agency shall work with the physician to determine the best
2958 alternative for the patient. The agency may adopt rules waiving

40-00630D-12

20121884

2959 the requirements for written clinical documentation for specific
2960 drugs in limited clinical situations.

2961 17. The agency shall implement a return and reuse program
2962 for drugs dispensed by pharmacies to institutional recipients,
2963 which includes payment of a \$5 restocking fee for the
2964 implementation and operation of the program. The return and
2965 reuse program shall be implemented electronically and in a
2966 manner that promotes efficiency. The program must permit a
2967 pharmacy to exclude drugs from the program if it is not
2968 practical or cost-effective for the drug to be included and must
2969 provide for the return to inventory of drugs that cannot be
2970 credited or returned in a cost-effective manner. The agency
2971 shall determine if the program has reduced the amount of
2972 Medicaid prescription drugs which are destroyed on an annual
2973 basis and if there are additional ways to ensure more
2974 prescription drugs are not destroyed which could safely be
2975 reused.

2976 Section 63. Subsections (1), (7), and (8) of section
2977 409.91195, Florida Statutes, are amended to read:
