89	1004.345 The Florida Polytechnic University
90	(1) By December 31, 2016, the Florida Polytechnic
91	University shall meet the following criteria as established by
92	the Board of Governors:
93	(a) Achieve accreditation from the Commission on Colleges
94	of the Southern Association of Colleges and Schools;
95	(b) Initiate the development of the new programs in the
96	fields of science, technology, engineering, and mathematics;
97	(c) Seek discipline-specific accreditation for programs;
98	(d) Attain a minimum FTE of 1,244, with a minimum 50
99	percent of that FTE in the fields of science, technology,
100	engineering, and mathematics and 20 percent in programs related
101	to those fields;
102	(e) Complete facilities and infrastructure, including the
103	Science and Technology Building, Phase I of the Wellness Center,
104	and a residence hall or halls containing no fewer than 190 beds;
105	and
106	(f) Have the ability to provide, either directly or where
107	feasible through a shared services model, administration of
108	financial aid, admissions, student support, information
109	technology, and finance and accounting with an internal audit
110	function.
111	(2) Once the criteria in subsection (1) have been met, the
112	Board of Trustees of the Florida Polytechnic University shall
113	notify the Board of Governors, and the Board of Governors shall
114	conduct a final review to confirm that the criteria have been
115	met.
116	(3) Students enrolled at the University of South Florida

117	Polytechnic shall be afforded the opportunity to complete their
118	degrees at the University of South Florida, subject to
119	university criteria.
120	Section 2. The following transfers shall be made:
121	(1) All real and personal property, licenses and associated
122	revenues, existing contracts, unexpended balances,
123	appropriations, allocations, funds, and mutually agreed-upon
124	obligations, responsibilities, and liabilities of the University
125	of South Florida which relate to the University of South Florida
126	Polytechnic campus, as determined by the Board of Trustees of
127	the University of South Florida and the Board of Trustees of the
128	Florida Polytechnic University, shall be transferred to the
129	Florida Polytechnic University.
130	(2) All Florida Industrial and Phosphate Research Institute
131	programs, functions, offices, records, faculty positions, and
132	staff positions of the University of South Florida Polytechnic
133	shall be transferred to the Florida Polytechnic University.
134	(3) After the transfers required in subsections (1) and (2)
135	are complete, all programs, functions, offices, records, faculty
136	positions, and staff positions of the University of South
137	Florida Polytechnic shall be transferred to the University of
138	South Florida.
139	Section 3. In accordance with s. 1004.28, Florida Statutes,
140	and the regulations of the Board of Governors, the Board of
141	Trustees of the Florida Polytechnic University may certify a
142	direct-support organization to serve the Florida Polytechnic
143	University. The Board of Trustees of the University of South
144	Florida, in conjunction with the University of South Florida
145	Foundation, shall develop and implement a plan to transfer,

147	derived from donations intended for the enhancement of the
148	University of South Florida Polytechnic campus to the new
149	direct-support organization serving the Florida Polytechnic
150	University.
151	Section 4. All memoranda of understanding between the
152	University of South Florida and the University of South Florida
153	Polytechnic and its successors shall be invalid upon this act
154	becoming a law.
155	Section 5. The University of South Florida shall take
156	appropriate action, in collaboration with the Florida
157	Polytechnic University, to obtain all consents required by the
158	Federal Communications Commission and third parties before
159	assigning the educational broadband service station license that
160	has a Federal Communications Commission-issued reference point
161	in Polk County, Florida, to the Florida Polytechnic University.
162	Upon obtaining such consents, and upon the approval of the
163	Federal Communications Commission, the University of South
164	Florida shall assign the license, along with the excess capacity
165	lease agreement for the license, to the Florida Polytechnic
166	University, which shall assume the benefits, obligations, and
167	liabilities as the successor in interest, including all
168	regulatory and contractual responsibilities. This section is
169	contingent upon the approval of the assignment of the lease by
170	the Federal Communications Commission.
171	Section 6. The Florida Polytechnic University shall retain,
172	not subject to lease or other expense, the space occupied by the
