1. Taxes withheld on the income of employees; or

- 2. Employer and employee contributions for:
- a. Federal social security; or
- b. Any pension, retirement, or benefit plan of an employee.
- (d) Failure for one pay period to pay, due to lack of funds:
 - 1. Wages and salaries owed to employees; or
 - 2. Retirement benefits owed to former employees.
- (e) A fund balance deficit in total or for that portion of a fund balance not classified as restricted, committed, or nonspendable, or a total or unrestricted net assets deficit, as reported on the fund financial statements of entities required to report under governmental financial reporting standards or on the basic financial statements of entities required to report under not-for-profit financial reporting standards, for which sufficient resources of the local governmental entity, charter school, charter technical career center, or district school board, as reported on the fund financial statements, are not available to cover the deficit. Resources available to cover reported deficits include fund balance or net assets that are not otherwise restricted by federal, state, or local laws, bond covenants, contractual agreements, or other legal constraints. Property, plant, and equipment, the disposal of which would impair the ability of a local governmental entity, charter school, charter technical career center, or district school board to carry out its functions, are not considered resources available to cover reported deficits.
- (2) A local governmental entity shall notify the Governor and the Legislative Auditing Committee; a charter school shall

resolve or prevent the condition. If state assistance is needed, the local governmental entity or district school board is considered to be in a state of financial emergency. The Governor or the Commissioner of Education, as appropriate, has the authority to implement measures as set forth in ss. 218.50-218.504 to assist the local governmental entity or district school board in resolving the financial emergency. Such measures may include, but are not limited to:

- (a) Requiring approval of the local governmental entity's budget by the Governor or approval of the district school board's budget by the Commissioner of Education.
- (b) Authorizing a state loan to a local governmental entity and providing for repayment of same.
- (c) Prohibiting a local governmental entity or district school board from issuing bonds, notes, certificates of indebtedness, or any other form of debt until such time as it is no longer subject to this section.
- (d) Making such inspections and reviews of records, information, reports, and assets of the local governmental entity or district school board. The appropriate local officials shall cooperate in such inspections and reviews.
- (e) Consulting with officials and auditors of the local governmental entity or the district school board and the appropriate state officials regarding any steps necessary to bring the books of account, accounting systems, financial procedures, and reports into compliance with state requirements.
- (f) Providing technical assistance to the local governmental entity or the district school board.
 - (g)1. Establishing a financial emergency board to oversee

4-00046-12 2012368

the activities of the local governmental entity or the district school board. If a financial emergency board is established for a local governmental entity, the Governor shall appoint board members and select a chair. If a financial emergency board is established for a district school board, the State Board of Education shall appoint board members and select a chair. The financial emergency board shall adopt such rules as are necessary for conducting board business. The board may:

- a. Make such reviews of records, reports, and assets of the local governmental entity or the district school board as are needed.
- b. Consult with officials and auditors of the local governmental entity or the district school board and the appropriate state officials regarding any steps necessary to bring the books of account, accounting systems, financial procedures, and reports of the local governmental entity or the district school board into compliance with state requirements.
- c. Review the operations, management, efficiency, productivity, and financing of functions and operations of the local governmental entity or the district school board.
- d. Consult with other governmental entities for the consolidation of all administrative direction and support services, including, but not limited to, services for asset sales, economic and community development, building inspections, parks and recreation, facilities management, engineering and construction, insurance coverage, risk management, planning and zoning, information systems, fleet management, and purchasing.
- 2. The recommendations and reports made by the financial emergency board must be submitted to the Governor for local

4-00046-12 2012368

governmental entities or to the Commissioner of Education and the State Board of Education for district school boards for appropriate action.

- (h) Requiring and approving a plan, to be prepared by officials of the local governmental entity or the district school board in consultation with the appropriate state officials, prescribing actions that will cause the local governmental entity or district school board to no longer be subject to this section. The plan must include, but need not be limited to:
- 1. Provision for payment in full of obligations outlined in subsection (1), designated as priority items, $\underline{\text{which}}$ that are currently due or will come due.
- 2. Establishment of priority budgeting or zero-based budgeting in order to eliminate items that are not affordable.
- 3. The prohibition of a level of operations which can be sustained only with nonrecurring revenues.
- 4. Provisions implementing the consolidation, sourcing, or discontinuance of all administrative direction and support services, including, but not limited to, services for asset sales, economic and community development, building inspections, parks and recreation, facilities management, engineering and construction, insurance coverage, risk management, planning and zoning, information systems, fleet management, and purchasing.
- (4) (a) Upon notification that one or more of the conditions in subsection (1) have occurred or will occur if action is not taken to assist the charter school, the charter school sponsor or the sponsor's designee and the Commissioner of Education shall contact the charter school governing body to determine

2.04

4-00046-12 2012368

what actions have been taken by the charter school governing body to resolve or prevent the condition. The Commissioner of Education has the authority to require and approve a financial recovery plan, to be prepared by the charter school governing body, prescribing actions that will resolve or prevent the condition.

- (b) Upon notification that one or more of the conditions in subsection (1) have occurred or will occur if action is not taken to assist the charter technical career center, the charter technical career center sponsor or the sponsor's designee and the Commissioner of Education shall contact the charter technical career center governing body to determine what actions have been taken by the governing body to resolve or prevent the condition. The Commissioner of Education may require and approve a financial recovery plan, to be prepared by the charter technical career center governing body, prescribing actions that will resolve or prevent the condition.
- (c) The Commissioner of Education shall determine if the charter school or charter technical career center needs a financial recovery plan to resolve the condition. If the Commissioner of Education determines that a financial recovery plan is needed, the charter school or charter technical career center is considered to be in a state of financial emergency.

The Department of Education, with the involvement of sponsors, charter schools, and charter technical career centers, shall establish guidelines for developing a financial recovery plan.

(5) A local governmental entity or district school board may not seek application of laws under the bankruptcy provisions
