29 Responsibilities.—

30 (4) RIGHTS OF PATIENTS.—Each health care facility or
31 provider shall observe the following standards:

32 (b) Information.—

33 1. A patient has the right to know the name, function, and
34 qualifications of each health care provider who is providing
35 medical services to the patient. A patient may request such
36 information from his or her responsible provider or the health
37 care facility in which he or she is receiving medical services.

38 2. A patient in a health care facility has the right to
39 know what patient support services are available in the
40 facility.

41 3. A patient has the right to be given by his or her
42 health care provider information concerning diagnosis, planned
43 course of treatment, alternatives, risks, and prognosis, unless
44 it is medically inadvisable or impossible to give this
45 information to the patient, in which case the information must
46 be given to the patient's guardian or a person designated as the
47 patient's representative. A patient has the right to refuse this
48 information.

49 4. A patient has the right to refuse any treatment based
50 on information required by this paragraph, except as otherwise
51 provided by law. The responsible provider shall document any
52 such refusal.

53 5. A patient in a health care facility has the right to
54 know what facility rules and regulations apply to patient
55 conduct.

56 6. A patient has the right to express grievances to a

57 health care provider, a health care facility, or the appropriate
58 state licensing agency regarding alleged violations of patients'
59 rights. A patient has the right to know the health care
60 provider's or health care facility's procedures for expressing a
61 grievance.

62 7. A patient in a health care facility who does not speak
63 English has the right to be provided an interpreter when
64 receiving medical services if the facility has a person readily
65 available who can interpret on behalf of the patient.

66 ~~8. A health care provider or health care facility shall
67 respect a patient's right to privacy and should refrain from
68 making a written inquiry or asking questions concerning the
69 ownership of a firearm or ammunition by the patient or by a
70 family member of the patient, or the presence of a firearm in a
71 private home or other domicile of the patient or a family member
72 of the patient. Notwithstanding this provision, a health care
73 provider or health care facility that in good faith believes
74 that this information is relevant to the patient's medical care
75 or safety, or safety of others, may make such a verbal or
76 written inquiry.~~

77 ~~9. A patient may decline to answer or provide any
78 information regarding ownership of a firearm by the patient or a
79 family member of the patient, or the presence of a firearm in
80 the domicile of the patient or a family member of the patient. A
81 patient's decision not to answer a question relating to the
82 presence or ownership of a firearm does not alter existing law
83 regarding a physician's authorization to choose his or her
84 patients.~~

HB 4015

2012

85 ~~10. A health care provider or health care facility may not~~
 86 ~~discriminate against a patient based solely upon the patient's~~

 88 ~~or ammunition.~~

89 ~~11. A health care provider or health care facility shall~~
 90 ~~respect a patient's legal right to own or possess a firearm and~~

95 456.072 Grounds for discipline; penalties; enforcement.—

96 (1) The following acts shall constitute grounds for which

 98 taken:
