103 Wildlife Research Institute in St. Petersburg.

104 9. The Department of Children and Family Services' Suncoast  
105 Data Center in Tampa.

106 10. The Department of Children and Family Services' Florida  
107 State Hospital in Chattahoochee.

108 ~~(f)~~~~(i)~~ During the 2015-2016 fiscal year, all computing  
109 resources remaining within an agency nonprimary data center or  
110 computing facility shall be transferred to a primary data center  
111 for consolidation unless otherwise required to remain in the  
112 agency for specified financial, technical, or business reasons  
113 that must be justified in writing and approved by the Agency for  
114 Enterprise Information Technology. Such data centers, computing  
115 facilities, and resources must be identified by the Agency for  
116 Enterprise Information Technology by October 1, 2014.

117 ~~(g)~~~~(j)~~ Any agency that is consolidating agency data centers  
118 into a primary data center must execute a new or update an  
119 existing service-level agreement within 60 days after the  
120 specified consolidation date, as required by s. 282.203, in  
121 order to specify the services and levels of service it is to  
122 receive from the primary data center as a result of the  
123 consolidation. If an agency is unable to execute a service-level  
124 agreement by that date, the agency shall submit a report to the  
125 Executive Office of the Governor and to the chairs of the  
126 legislative appropriations committees within 5 working days  
127 after that date which explains the specific issues preventing  
128 execution and describing its plan and schedule for resolving  
129 those issues.

583406

130           (h)~~(k)~~ Beginning September 1, 2011, and every 6 months  
131 thereafter until data center consolidations are complete, the  
132 Agency for Enterprise Information Technology shall provide a  
133 status report on the implementation of the consolidations that  
134 must be completed during the fiscal year. The report shall be  
135 submitted to the Executive Office of the Governor and the chairs  
136 of the legislative appropriations committees. The report must,  
137 at a minimum, describe:

138           1. Whether the consolidation is on schedule, including  
139 progress on achieving the milestones necessary for successful  
140 and timely consolidation of scheduled agency data centers and  
141 computing facilities; and

142           2. The risks that may affect the progress or outcome of the  
143 consolidation and how these risks are being addressed,  
144 mitigated, or managed.

145           (i)~~(l)~~ Each agency identified in this subsection for  
146 consolidation into a primary data center shall submit a  
147 transition plan to the Agency for Enterprise Information  
148 Technology by September 1 of the fiscal year before the fiscal  
149 year in which the scheduled consolidation will occur. Transition  
150 plans shall be developed in consultation with the appropriate  
151 primary data centers and the Agency for Enterprise Information  
152 Technology, and must include:

153           1. An inventory of the agency data center's resources being  
154 consolidated, including all hardware, software, staff, and  
155 contracted services, and the facility resources performing data  
156 center management and operations, security, backup and recovery,  
157 disaster recovery, system administration, database  
158 administration, system programming, job control, production

583406

159 control, print, storage, technical support, help desk, and  
160 managed services, but excluding application development;

161 2. A description of the level of services needed to meet  
162 the technical and operational requirements of the platforms  
163 being consolidated and an estimate of the primary data center's  
164 cost for the provision of such services;

165 3. A description of resources for computing services  
166 proposed to remain in the department;

167 4. A timetable with significant milestones for the  
168 completion of the consolidation; and

169 5. The specific recurring and nonrecurring budget  
170 adjustments of budget resources by appropriation category into  
171 the appropriate data processing category pursuant to the  
172 legislative budget instructions in s. 216.023 necessary to  
173 support agency costs for the transfer.

174 (j) ~~(m)~~ Each primary data center shall develop a transition  
175 plan for absorbing the transfer of agency data center resources  
176 based upon the timetables for transition as provided in this  
177 subsection. The plan shall be submitted to the Agency for  
178 Enterprise Information Technology, the Executive Office of the  
179 Governor, and the chairs of the legislative appropriations  
180 committees by September 30 of the fiscal year before the fiscal  
181 year in which the scheduled consolidations will occur. Each plan  
182 must include:

183 1. An estimate of the cost to provide data center services  
184 for each agency scheduled for consolidation;

185 2. A staffing plan that identifies the projected staffing  
186 needs and requirements based on the estimated workload  
187 identified in the agency transition plan;

583406

188           3. The fiscal year adjustments to budget categories in  
189 order to absorb the transfer of agency data center resources  
190 pursuant to the legislative budget request instructions provided  
191 in s. 216.023;

192           4. An analysis of the cost effects resulting from the  
193 planned consolidations on existing agency customers; and

194           5. A description of any issues that must be resolved in  
195 order to accomplish as efficiently and effectively as possible  
196 all consolidations required during the fiscal year.

197           (k)~~(n)~~ The Agency for Enterprise Information Technology  
198 shall develop a comprehensive transition plan, which shall be  
199 submitted by October 15th of the fiscal year before the fiscal  
200 year in which the scheduled consolidations will occur to each  
201 primary data center, to the Executive Office of the Governor,  
202 and the chairs of the legislative appropriations committees. The  
203 transition plan shall be developed in consultation with agencies  
204 submitting agency transition plans and with the affected primary  
205 data centers. The comprehensive transition plan must include:

206           1. Recommendations for accomplishing the proposed  
207 transitions as efficiently and effectively as possible with  
208 minimal disruption to customer agency business processes;

209           2. Strategies to minimize risks associated with any of the  
210 proposed consolidations;

211           3. A compilation of the agency transition plans submitted  
212 by agencies scheduled for consolidation for the following fiscal  
213 year; and

214           4. Revisions to any budget adjustments provided in the  
215 agency or primary data center transition plans.

216           (l)~~(o)~~ Any agency data center scheduled for consolidation

583406

217 after the 2011-2012 fiscal year may consolidate into a primary  
218 data center before its scheduled date contingent upon the  
219 approval of the Agency for Enterprise Information Technology.

220 (m) The Department of Law Enforcement is exempt from data  
221 center consolidation requirements under this section.

222 Section 2. Effective upon this act becoming a law,  
223 subsection (3) of section 31 of chapter 2011-66, Laws of  
224 Florida, is amended, and subsections (4) and (5) are added to  
225 that section, to read:

226 Section 31. Effective July 1, 2011, a Law Enforcement  
227 Consolidation Task Force is created.

228 (3) The task force shall evaluate any duplication of law  
229 enforcement functions throughout state government and identify  
230 any functions that are appropriate for possible consolidation.  
231 The task force shall also evaluate administrative functions,  
232 including, but not limited to, accreditation, training, legal  
233 representation, vehicle fleets, aircraft, civilian-support  
234 staffing, information technology, and geographic regions,  
235 districts, or troops currently in use. The task force shall also  
236 evaluate whether the Florida Highway Patrol should limit its  
237 jurisdiction, except while in fresh pursuit, to the State  
238 Highway System or the Florida Intrastate Highway System. If the  
239 task force concludes that any state law enforcement  
240 consolidation is appropriate, the task force shall make  
241 recommendations and submit a plan to consolidate those state law  
242 enforcement responsibilities. Any plan submitted must include  
243 recommendations on the methodology to be used to achieve any  
244 state law enforcement consolidation recommended by the task  
245 force by June 30, 2013. The task force shall submit to the

583406

246 President of the Senate and the Speaker of the House of  
247 Representatives a report that ~~which~~ includes any recommendations  
248 and plan developed by the task force by December 31, 2011. ~~The~~  
249 ~~task force expires June 30, 2012.~~

250 (4) By October 31, 2012, the task force shall submit a  
251 report to the Governor, the President of the Senate, and the  
252 Speaker of the House of Representatives which makes  
253 recommendations relating to the creation of a consolidated law  
254 enforcement data center environment that acknowledges the unique  
255 requirements of state law enforcement systems in the support of  
256 public safety. The report's recommendations should align with  
257 the original recommendations of the law enforcement  
258 consolidation task force which combine state law enforcement  
259 systems across the law enforcement enterprise. The report must  
260 recommend the location and operation of a law enforcement data  
261 center that meets all security requirements of the criminal  
262 justice information systems. The report must also include  
263 recommendations on the strategy to be used for creating the law  
264 enforcement data center and timelines for when the center should  
265 be completed and operational.

266 (5) The task force expires December 31, 2012.

267 Section 3. Except as otherwise expressly provided in this  
268 act and except for this section, which shall take effect upon  
269 this act becoming a law, this act shall take effect July 1,  
270 2012.
