Senator Bennett moved the following:

**Senate Amendment**

Delete lines 1211 - 1218  
and insert:

2. For purposes of implementing a "United States Department of Energy SunShot Initiative: Rooftop Solar Challenge" grant and the participation of county and municipal governments, including local permitting agencies under the jurisdiction of such county and municipal governments, an owner or contractor shall not be required to personally appear and provide a notarized signature when filing a building permit application, if such building permit application will be electronically submitted to the permitting authority, the application relates to a solar

543126

14 project, and the owner or contractor certifies the application,  
15 consistent with this paragraph, using the permitting authority's  
16 electronic confirmation system. For purposes of this subsection,  
17 a "solar project" means installing, uninstalling, or replacing  
18 solar panels on single-family residential property, multi-family  
19 residential property, or commercial property.
