Following Specific Appropriation 478, INSERT:

From the funds provided in Specific Appropriation 478 and 480, the Healthy Start program shall implement in an urban and a rural county an evidence-based nurse home visitation program that has demonstrated proven outcomes in maternal and newborn health, childhood injury or man-treatment prevention; school readiness and achievement; crime or domestic violence; and family self sufficiency.

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
