At the end of existing proviso language, following Specific Appropriation 541, INSERT:

Effective for the start of the 2012-2013 school year and in addition to the current compulsory school immunization, the Department of Health shall write rules requiring children entering, attending, or transferring to the seventh grade in Florida public and non-public schools receive one dose of Meningococcal conjugate vaccine.

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
