Following Specific Appropriation 84, DELETE:

From the funds in Specific Appropriations 6 and 84, \$64,456,019 is provided for Safe Schools activities and shall be allocated as follows: \$62,660 shall be distributed to each district, and the remaining balance shall be allocated as follows: two-thirds based on the latest official Florida Crime Index provided by the Department of Law Enforcement and one-third based on each district's share of the state's total unweighted student enrollment. Safe Schools activities include: (1) after school programs for middle school students; (2) other improvements to enhance the learning environment, including implementation of conflict resolution strategies; (3) alternative school programs for adjudicated youth; (4) suicide prevention programs; and (5) other improvements to

make the school a safe place to learn. Each district shall determine, based on a review of its existing programs and priorities, how much of its total allocation to use for each authorized Safe Schools activity. Each school district shall report to the Department of Education the amount of funds expended for each of the five activities.

AND INSERT:

From the funds in Specific Appropriations 6 and 84, \$64,456,019 is provided for Safe Schools activities and shall be allocated as follows: \$62,660 shall be distributed to each district, and the remaining balance shall be allocated as follows: two-thirds based on the latest official Florida Crime Index provided by the Department of Law Enforcement and one-third based on each district's share of the state's total unweighted student enrollment. Safe Schools activities include: (1) after school programs for middle school students; (2) other improvements to enhance the learning environment, including implementation of conflict resolution strategies; (3) alternative school programs for adjudicated youth that may include a virtual (web-based) system that results in mastery and certification, competency or credentials in the following inter-related counseling disciplines necessary for success in education and the work environment, including adjustment, educational, employment and optimal mental health areas that will include, but not limited to, anger and impulse control, depression and anxiety, self-esteem, respect for authority, personal behavior, goal setting, time and stress management, social and workplace adjustment, substance use and abuse, workplace soft skills, communication skills, work ethic, the importance of timeliness, attendance and the self-marketing skills for future educational and/or employment opportunities; (4) suicide prevention programs; (5) bullying prevention and intervention; and (6) school resource officers. Each district shall determine, based on a review of its existing programs and priorities, how much of its total allocation to use for each authorized Safe Schools activity. The Department of Education shall monitor compliance with reporting procedures contained in section 1006.147, Florida Statutes. If a district does not comply with these procedures, the district's funds from the Safe Schools allocation shall be withheld and reallocated to the other school districts. Each school district shall report to the Department of Education the amount of funds expended for each of the six activities.

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
