

Amendment No.

CHAMBER ACTION

Senate

House

.

1 Representative Schenck offered the following:
2

3 **Amendment to Amendment (173059)**

4 Remove lines 328-336 and insert:

5 functions performed in the state. The second highest number of
6 points shall be awarded to a plan that has a majority of its
7 operational functions performed in the state. The agency may
8 establish a third tier; however, preference points may not be
9 awarded to plans that perform only community outreach, medical
10 director functions, and state administrative functions in the
11 state. For purposes of this subparagraph, operational functions
12 include corporate headquarters, claims processing,
