16 2. The sale, purchase, or trade of a prescription drug or
17 an offer to sell, purchase, or trade a prescription drug by a
18 charitable organization described in s. 501(c)(3) of the
19 Internal Revenue Code of 1986, as amended and revised, to a
20 nonprofit affiliate of the organization to the extent otherwise
21 permitted by law.

22 3. The sale, purchase, or trade of a prescription drug or
23 an offer to sell, purchase, or trade a prescription drug among
24 hospitals or other health care entities that are under common
25 control. For purposes of this subparagraph, "common control"
26 means the power to direct or cause the direction of the
27 management and policies of a person or an organization, whether
28 by ownership of stock, by voting rights, by contract, or
29 otherwise.

30 4. The sale, purchase, trade, or other transfer of a
31 prescription drug from or for any federal, state, or local
32 government agency or any entity eligible to purchase
33 prescription drugs at public health services prices pursuant to
34 Pub. L. No. 102-585, s. 602 to a contract provider or its
35 subcontractor for eligible patients of the agency or entity
36 under the following conditions:

37 a. The agency or entity must obtain written authorization
38 for the sale, purchase, trade, or other transfer of a
39 prescription drug under this subparagraph from the State Surgeon
40 General or his or her designee.

41 b. The contract provider or subcontractor must be
42 authorized by law to administer or dispense prescription drugs.

43 c. In the case of a subcontractor, the agency or entity
44 must be a party to and execute the subcontract.

45 ~~d. A contract provider or subcontractor must maintain~~
46 ~~separate and apart from other prescription drug inventory any~~
47 ~~prescription drugs of the agency or entity in its possession.~~

48 d.e. The contract provider and subcontractor must maintain
49 and produce immediately for inspection all records of movement
50 or transfer of all the prescription drugs belonging to the
51 agency or entity, including, but not limited to, the records of
52 receipt and disposition of prescription drugs. Each contractor
53 and subcontractor dispensing or administering these drugs must
54 maintain and produce records documenting the dispensing or
55 administration. Records that are required to be maintained
56 include, but are not limited to, a perpetual inventory itemizing
57 drugs received and drugs dispensed by prescription number or
58 administered by patient identifier, which must be submitted to
59 the agency or entity quarterly.

60 e.f. The contract provider or subcontractor may administer
61 or dispense the prescription drugs only to the eligible patients
62 of the agency or entity or must return the prescription drugs
63 for or to the agency or entity. The contract provider or
64 subcontractor must require proof from each person seeking to
65 fill a prescription or obtain treatment that the person is an
66 eligible patient of the agency or entity and must, at a minimum,
67 maintain a copy of this proof as part of the records of the
68 contractor or subcontractor required under sub-subparagraph d e.

69 f.g. In addition to the departmental inspection authority
