5 Section 1. Subsection (1) of section 202.105, Florida
6 Statutes, is amended to read:

7 202.105 Legislative findings and intent.—

8 (1) It is declared to be a specific legislative finding
9 that the creation of this chapter fulfills important state
10 interests by reforming the tax laws to provide a fair,
11 efficient, and uniform method for taxing communications services
12 sold in this state. This chapter is essential to the continued
13 economic vitality of this increasingly important industry
14 because it restructures state and local taxes and fees to
15 account for the impact of federal legislation, industry
16 deregulation, and the multitude of ~~convergence of service~~

17 ~~offerings that is now taking place among providers~~ offering
18 functionally equivalent communications services in today's
19 marketplace. This chapter promotes the increased competition
20 that accompanies deregulation by embracing a competitively
21 neutral tax policy that will free consumers to choose a provider
22 based on tax-neutral considerations. This chapter further spurs
23 new competition by simplifying an extremely complicated state
24 and local tax and fee system. Simplification will lower the cost
25 of collecting taxes and fees, increase service availability, and
26 place downward pressure on price. Newfound administrative
27 efficiency is demonstrated by a reduction in the number of
28 returns that a provider must file each month. By restructuring
29 separate taxes and fees into a revenue-neutral communications
30 services tax centrally administered by the department, this
31 chapter will ensure that the growth of the industry is
32 unimpaired by excessive governmental regulation. The tax imposed
33 pursuant to this chapter is a replacement for taxes and fees
34 previously imposed and is not a new tax. The taxes imposed and
35 administered pursuant to this chapter are of general application
36 and are imposed in a uniform, consistent, and nondiscriminatory
37 manner.

38 Section 2. Section 202.11, Florida Statutes, is amended to

392 periods that are being examined by the department under the
393 provisions of this chapter; and

394 (b) The department has determined the misallocations

410 underpayments and overpayments for such period or periods ~~to the~~
411 ~~extent that such amount was collected and remitted by the dealer~~
412 ~~of communications services with respect to a tax imposed by~~
413 ~~another local taxing jurisdiction. Upon determining that an~~
414 ~~amount was collected and remitted by a dealer of communications~~

416 ~~jurisdiction, the department shall adjust the respective amounts~~
417 ~~of the proceeds paid to each such taxing jurisdiction under s.~~
418 ~~202.18 in the month immediately following such determination.~~

419 (6) (a) Pursuant to rules adopted by the department, each
420 dealer of communications services must notify the department of
421 the methods it intends to employ for determining the local
422 taxing jurisdiction in which service addresses are located.

427 paragraph (1) (c), the deduction allowed to the dealer of
428 communications services as compensation under s. 202.28 shall be
429 0.25 percent of that portion of the tax due and accounted for
430 and remitted to the department which is attributable to such

435 (1) (c), the department may not deny the deduction allowed to the
436 dealer of communications services as compensation allowed under
437 s. 202.28 because the dealer assigned one or more service
438 addresses to an incorrect local taxing jurisdiction.

439 Section 7. Subsection (3) is added to section 202.231,
440 Florida Statutes, to read:
