**Senate Amendment**

Delete lines 186 - 207

and insert:

(c) When determining which projects to include in or exclude from the mitigation plan, the Department of Transportation shall investigate using credits from a permitted private mitigation bank before a project is submitted for inclusion in the plan. The investigation shall consider the cost-effectiveness of mitigation bank credits, including, but not limited to, factors such as time saved, transfer of liability for success of the mitigation, and long-term maintenance.
