

By the Committees on Commerce and Tourism; and Community Affairs; and Senator Bennett

577-02854-12

2012842c2

1                                   A bill to be entitled  
2       An act relating to growth management; amending s.  
3       163.3167, F.S.; authorizing a local government to  
4       retain certain charter provisions that were in effect  
5       as of a specified date and that relate to an  
6       initiative or referendum process; amending s.  
7       163.3174, F.S.; requiring a local land planning agency  
8       to periodically evaluate and appraise a comprehensive  
9       plan; amending s. 163.3175, F.S.; revising provisions  
10      related to growth management; requiring comments by  
11      military installations to be considered by local  
12      governments in a manner consistent with s. 163.3184,  
13      F.S.; specifying comments to be considered by the  
14      local government; amending s. 163.3177, F.S.; revising  
15      the housing and intergovernmental coordination  
16      elements of comprehensive plans; amending s.  
17      163.31777, F.S.; exempting certain municipalities from  
18      public schools interlocal-agreement requirements;  
19      providing requirements for municipalities meeting the  
20      exemption criteria; amending s. 163.3178, F.S.;  
21      replacing a reference to the Department of Community  
22      Affairs with the state land planning agency; deleting  
23      provisions relating to the Coastal Resources  
24      Interagency Management Committee; amending s.  
25      163.3180, F.S., relating to concurrency; revising and  
26      providing requirements relating to public facilities  
27      and services, public education facilities, and local  
28      school concurrency system requirements; deleting  
29      provisions excluding a municipality that is not a

577-02854-12

2012842c2

30 signatory to a certain interlocal agreement from  
31 participating in a school concurrency system; amending  
32 s. 163.3184, F.S.; revising provisions relating to the  
33 expedited state review process for adoption of  
34 comprehensive plan amendments; clarifying the time in  
35 which a local government must transmit an amendment to  
36 a comprehensive plan and supporting data and analyses  
37 to the reviewing agencies; deleting the deadlines in  
38 administrative challenges to comprehensive plans and  
39 plan amendments for the entry of final orders and  
40 referrals of recommended orders; specifying a deadline  
41 for the state land planning agency to issue a notice  
42 of intent after receiving a complete comprehensive  
43 plan or plan amendment adopted pursuant to a  
44 compliance agreement; amending s. 163.3191, F.S.;  
45 conforming a cross-reference to changes made by the  
46 act; amending s. 163.3245, F.S.; deleting an obsolete  
47 cross-reference; deleting a reporting requirement  
48 relating to optional sector plans; amending s.  
49 186.002, F.S.; deleting a requirement for the Governor  
50 to consider certain evaluation and appraisal reports  
51 in preparing certain plans and amendments; amending s.  
52 186.007, F.S.; deleting a requirement for the Governor  
53 to consider certain evaluation and appraisal reports  
54 when reviewing the state comprehensive plan; amending  
55 s. 186.505, F.S.; requiring a regional planning  
56 council to determine before accepting a grant that the  
57 purpose of the grant is in furtherance of its  
58 functions; prohibiting a regional planning council

577-02854-12

2012842c2

59 from providing consulting services for a fee to any  
60 local government for a project for which the council  
61 will serve in a review capacity; prohibiting a  
62 regional planning council from providing consulting  
63 services to a private developer or landowner for a  
64 project for which the council may serve in a review  
65 capacity in the future; amending s. 186.508, F.S.;  
66 requiring that regional planning councils coordinate  
67 implementation of the strategic regional policy plans  
68 with the evaluation and appraisal process; amending s.  
69 189.415, F.S.; requiring an independent special  
70 district to update its public facilities report every  
71 7 years and at least 12 months before the submission  
72 date of the evaluation and appraisal notification  
73 letter; requiring the Department of Economic  
74 Opportunity to post a schedule of the due dates for  
75 public facilities reports and updates that independent  
76 special districts must provide to local governments;  
77 amending s. 288.975, F.S.; deleting a provision  
78 exempting local government plan amendments necessary  
79 to initially adopt the military base reuse plan from a  
80 limitation on the frequency of plan amendments;  
81 amending s. 380.06, F.S.; correcting cross-references;  
82 amending s. 380.115, F.S.; adding a cross-reference  
83 for exempt developments; amending s. 1013.33, F.S.;  
84 deleting redundant requirements for interlocal  
85 agreements relating to public education facilities;  
86 amending s. 1013.35, F.S.; deleting a cross-reference  
87 to conform to changes made by the act; amending s.

577-02854-12

2012842c2

88 1013.351, F.S.; deleting redundant requirements for  
89 the submission of certain interlocal agreements to the  
90 Office of Educational Facilities and the state land  
91 planning agency and for review of the interlocal  
92 agreement by the office and the agency; amending s.  
93 1013.36, F.S.; deleting an obsolete cross-reference;  
94 providing an effective date.  
95

96 Be It Enacted by the Legislature of the State of Florida:  
97

98 Section 1. Subsection (8) of section 163.3167, Florida  
99 Statutes, is amended to read:

100 163.3167 Scope of act.—

101 (8) An initiative or referendum process in regard to any  
102 development order or in regard to any local comprehensive plan  
103 amendment or map amendment is prohibited. However, any local  
104 government charter provision that was in effect as of June 1,  
105 2011, for an initiative or referendum process in regard to  
106 development orders or in regard to local comprehensive plan  
107 amendments or map amendments may be retained and implemented.

108 Section 2. Paragraph (b) of subsection (4) of section  
109 163.3174, Florida Statutes, is amended to read:

110 163.3174 Local planning agency.—

111 (4) The local planning agency shall have the general  
112 responsibility for the conduct of the comprehensive planning  
113 program. Specifically, the local planning agency shall:

114 (b) Monitor and oversee the effectiveness and status of the  
115 comprehensive plan and recommend to the governing body such  
116 changes in the comprehensive plan as may from time to time be

577-02854-12

2012842c2

117 required, including the periodic evaluation and appraisal of the  
118 comprehensive plan ~~preparation of the periodic reports~~ required  
119 by s. 163.3191.

120 Section 3. Subsections (3), (5), and (6) of section  
121 163.3175, Florida Statutes, are amended to read:

122 163.3175 Legislative findings on compatibility of  
123 development with military installations; exchange of information  
124 between local governments and military installations.-

125 (3) The Florida Defense Support Task Force ~~Council on~~  
126 ~~Military Base and Mission Support~~ may recommend to the  
127 Legislature changes to the military installations and local  
128 governments specified in subsection (2) based on a military  
129 base's potential for impacts from encroachment, and incompatible  
130 land uses and development.

131 (5) The commanding officer or his or her designee may  
132 provide advisory comments to the affected local government on  
133 the impact such proposed changes may have on the mission of the  
134 military installation. Such advisory comments shall be based on  
135 data and analyses provided with the comments and may include:

136 (a) If the installation has an airfield, whether such  
137 proposed changes will be incompatible with the safety and noise  
138 standards contained in the Air Installation Compatible Use Zone  
139 (AICUZ) adopted by the military installation for that airfield;

140 (b) Whether such changes are incompatible with the  
141 Installation Environmental Noise Management Program (IENMP) of  
142 the United States Army;

143 (c) Whether such changes are incompatible with the findings  
144 of a Joint Land Use Study (JLUS) for the area if one has been  
145 completed; and

577-02854-12

2012842c2

146 (d) Whether the military installation's mission will be  
147 adversely affected by the proposed actions of the county or  
148 affected local government.

149  
150 The commanding officer's comments, underlying studies, and  
151 reports shall be considered by the local government in the same  
152 manner as the comments received from other reviewing agencies  
153 pursuant to s. 163.3184 are not binding on the local government.

154 (6) The affected local government shall take into  
155 consideration any comments and accompanying data and analyses  
156 provided by the commanding officer or his or her designee  
157 pursuant to subsection (4) as they relate to the strategic  
158 mission of the base, public safety, and the economic vitality  
159 associated with the base's operations, while also respecting and  
160 must also be sensitive to private property rights and not being  
161 be unduly restrictive on those rights. The affected local  
162 government shall forward a copy of any comments regarding  
163 comprehensive plan amendments to the state land planning agency.

164 Section 4. Paragraph (h) of subsection (6) of section  
165 163.3177, Florida Statutes, is amended to read:

166 163.3177 Required and optional elements of comprehensive  
167 plan; studies and surveys.-

168 (6) In addition to the requirements of subsections (1)-(5),  
169 the comprehensive plan shall include the following elements:

170 (h)1. An intergovernmental coordination element showing  
171 relationships and stating principles and guidelines to be used  
172 in coordinating the adopted comprehensive plan with the plans of  
173 school boards, regional water supply authorities, and other  
174 units of local government providing services but not having

577-02854-12

2012842c2

175 regulatory authority over the use of land, with the  
176 comprehensive plans of adjacent municipalities, the county,  
177 adjacent counties, or the region, with the state comprehensive  
178 plan and with the applicable regional water supply plan approved  
179 pursuant to s. 373.709, as the case may require and as such  
180 adopted plans or plans in preparation may exist. This element of  
181 the local comprehensive plan must demonstrate consideration of  
182 the particular effects of the local plan, when adopted, upon the  
183 development of adjacent municipalities, the county, adjacent  
184 counties, or the region, or upon the state comprehensive plan,  
185 as the case may require.

186 a. The intergovernmental coordination element must provide  
187 procedures for identifying and implementing joint planning  
188 areas, especially for the purpose of annexation, municipal  
189 incorporation, and joint infrastructure service areas.

190 b. The intergovernmental coordination element shall provide  
191 for a dispute resolution process, as established pursuant to s.  
192 186.509, for bringing intergovernmental disputes to closure in a  
193 timely manner.

194 c. The intergovernmental coordination element shall provide  
195 for interlocal agreements as established pursuant to s.  
196 333.03(1)(b).

197 2. The intergovernmental coordination element shall also  
198 state principles and guidelines to be used in coordinating the  
199 adopted comprehensive plan with the plans of school boards and  
200 other units of local government providing facilities and  
201 services but not having regulatory authority over the use of  
202 land. In addition, the intergovernmental coordination element  
203 must describe joint processes for collaborative planning and

577-02854-12

2012842c2

204 decisionmaking on population projections and public school  
205 siting, the location and extension of public facilities subject  
206 to concurrency, and siting facilities with countywide  
207 significance, including locally unwanted land uses whose nature  
208 and identity are established in an agreement.

209       3. Within 1 year after adopting their intergovernmental  
210 coordination elements, each county, all the municipalities  
211 within that county, the district school board, and any unit of  
212 local government service providers in that county shall  
213 establish by interlocal or other formal agreement executed by  
214 all affected entities, the joint processes described in this  
215 subparagraph consistent with their adopted intergovernmental  
216 coordination elements. The agreement ~~element~~ must:

217       a. Ensure that the local government addresses through  
218 coordination mechanisms the impacts of development proposed in  
219 the local comprehensive plan upon development in adjacent  
220 municipalities, the county, adjacent counties, the region, and  
221 the state. The area of concern for municipalities includes ~~shall~~  
222 ~~include~~ adjacent municipalities, the county, and counties  
223 adjacent to the municipality. The area of concern for counties  
224 includes ~~shall include~~ all municipalities within the county,  
225 adjacent counties, and adjacent municipalities.

226       b. Ensure coordination in establishing level of service  
227 standards for public facilities with any state, regional, or  
228 local entity having operational and maintenance responsibility  
229 for such facilities.

230       Section 5. Subsections (3) and (4) are added to section  
231 163.31777, Florida Statutes, to read:

232       163.31777 Public schools interlocal agreement.—

577-02854-12

2012842c2

233 (3) A municipality is exempt from the requirements of  
234 subsections (1) and (2) if the municipality meets all of the  
235 following criteria for having no significant impact on school  
236 attendance:

237 (a) The municipality has issued development orders for  
238 fewer than 50 residential dwelling units during the preceding 5  
239 years, or the municipality has generated fewer than 25  
240 additional public school students during the preceding 5 years.

241 (b) The municipality has not annexed new land during the  
242 preceding 5 years in land use categories that permit residential  
243 uses that will affect school attendance rates.

244 (c) The municipality has no public schools located within  
245 its boundaries.

246 (d) At least 80 percent of the developable land within the  
247 boundaries of the municipality has been built upon.

248 (4) At the time of the evaluation and appraisal of its  
249 comprehensive plan pursuant to s. 163.3191, each exempt  
250 municipality shall assess the extent to which it continues to  
251 meet the criteria for exemption under subsection (3). If the  
252 municipality continues to meet the criteria for exemption under  
253 subsection (3), the municipality shall continue to be exempt  
254 from the interlocal-agreement requirement. Each municipality  
255 exempt under subsection (3) must comply with this section within  
256 1 year after the district school board proposes, in its 5-year  
257 district facilities work program, a new school within the  
258 municipality's jurisdiction.

259 Section 6. Subsections (3) and (6) of section 163.3178,  
260 Florida Statutes, are amended to read:

261 163.3178 Coastal management.—

577-02854-12

2012842c2

262 (3) Expansions to port harbors, spoil disposal sites,  
263 navigation channels, turning basins, harbor berths, and other  
264 related inwater harbor facilities of ports listed in s.  
265 403.021(9); port transportation facilities and projects listed  
266 in s. 311.07(3)(b); intermodal transportation facilities  
267 identified pursuant to s. 311.09(3); and facilities determined  
268 by the state land planning agency ~~Department of Community~~  
269 ~~Affairs~~ and applicable general-purpose local government to be  
270 port-related industrial or commercial projects located within 3  
271 miles of or in a port master plan area which rely upon the use  
272 of port and intermodal transportation facilities shall not be  
273 designated as developments of regional impact if such  
274 expansions, projects, or facilities are consistent with  
275 comprehensive master plans that are in compliance with this  
276 section.

277 (6) Local governments are encouraged to adopt countywide  
278 marina siting plans to designate sites for existing and future  
279 marinas. ~~The Coastal Resources Interagency Management Committee,~~  
280 ~~at the direction of the Legislature, shall identify incentives~~  
281 ~~to encourage local governments to adopt such siting plans and~~  
282 ~~uniform criteria and standards to be used by local governments~~  
283 ~~to implement state goals, objectives, and policies relating to~~  
284 ~~marina siting. These criteria must ensure that priority is given~~  
285 ~~to water-dependent land uses.~~ Countywide marina siting plans  
286 must be consistent with state and regional environmental  
287 planning policies and standards. Each local government in the  
288 coastal area which participates in adoption of a countywide  
289 marina siting plan shall incorporate the plan into the coastal  
290 management element of its local comprehensive plan.

577-02854-12

2012842c2

291 Section 7. Paragraph (a) of subsection (1) and paragraphs  
292 (a), (i), (j), and (k) of subsection (6) of section 163.3180,  
293 Florida Statutes, are amended to read:

294 163.3180 Concurrency.—

295 (1) Sanitary sewer, solid waste, drainage, and potable  
296 water are the only public facilities and services subject to the  
297 concurrency requirement on a statewide basis. Additional public  
298 facilities and services may not be made subject to concurrency  
299 on a statewide basis without approval by the Legislature;  
300 however, any local government may extend the concurrency  
301 requirement so that it applies to additional public facilities  
302 within its jurisdiction.

303 (a) If concurrency is applied to other public facilities,  
304 the local government comprehensive plan must provide the  
305 principles, guidelines, standards, and strategies, including  
306 adopted levels of service, to guide its application. In order  
307 for a local government to rescind any optional concurrency  
308 provisions, a comprehensive plan amendment is required. An  
309 amendment rescinding optional concurrency issues shall be  
310 processed under the expedited state review process in s.  
311 163.3184(3), but the amendment is not subject to state review  
312 and is not required to be transmitted to the reviewing agencies  
313 for comments, except that the local government shall transmit  
314 the amendment to any local government or government agency that  
315 has filed a request with the governing body, and for municipal  
316 amendments, the amendment shall be transmitted to the county in  
317 which the municipality is located. For informational purposes  
318 only, a copy of the adopted amendment shall be provided to the  
319 state land planning agency. A copy of the adopted amendment

577-02854-12

2012842c2

320 shall also be provided to the Department of Transportation if  
321 the amendment rescinds transportation concurrency and to the  
322 Department of Education if the amendment rescinds school  
323 concurrency.

324 (6) (a) Local governments that apply ~~if concurrency is~~  
325 ~~applied to public education facilities, all local governments~~  
326 ~~within a county, except as provided in paragraph (i),~~ shall  
327 include principles, guidelines, standards, and strategies,  
328 including adopted levels of service, in their comprehensive  
329 plans and interlocal agreements. The choice of one or more  
330 municipalities to not adopt school concurrency and enter into  
331 the interlocal agreement does not preclude implementation of  
332 school concurrency within other jurisdictions of the school  
333 district if the county and one or more municipalities have  
334 adopted school concurrency into their comprehensive plan and  
335 interlocal agreement that represents at least 80 percent of the  
336 total countywide population, ~~the failure of one or more~~  
337 ~~municipalities to adopt the concurrency and enter into the~~  
338 ~~interlocal agreement does not preclude implementation of school~~  
339 ~~concurrency within jurisdictions of the school district that~~  
340 ~~have opted to implement concurrency.~~ All local government  
341 provisions included in comprehensive plans regarding school  
342 concurrency within a county must be consistent with each other  
343 as well as the requirements of this part.

344 ~~(i) A municipality is not required to be a signatory to the~~  
345 ~~interlocal agreement required by paragraph (j), as a~~  
346 ~~prerequisite for imposition of school concurrency, and as a~~  
347 ~~nonsignatory, may not participate in the adopted local school~~  
348 ~~concurrency system, if the municipality meets all of the~~

577-02854-12

2012842c2

349 ~~following criteria for having no significant impact on school~~  
350 ~~attendance:~~

351 ~~1. The municipality has issued development orders for fewer~~  
352 ~~than 50 residential dwelling units during the preceding 5 years,~~  
353 ~~or the municipality has generated fewer than 25 additional~~  
354 ~~public school students during the preceding 5 years.~~

355 ~~2. The municipality has not annexed new land during the~~  
356 ~~preceding 5 years in land use categories which permit~~  
357 ~~residential uses that will affect school attendance rates.~~

358 ~~3. The municipality has no public schools located within~~  
359 ~~its boundaries.~~

360 ~~4. At least 80 percent of the developable land within the~~  
361 ~~boundaries of the municipality has been built upon.~~

362 (i)-(j) When establishing concurrency requirements for  
363 public schools, a local government must enter into an interlocal  
364 agreement that satisfies the requirements in ss.

365 163.3177(6)(h)1. and 2. and 163.31777 and the requirements of  
366 this subsection. The interlocal agreement shall acknowledge both  
367 the school board's constitutional and statutory obligations to  
368 provide a uniform system of free public schools on a countywide  
369 basis, and the land use authority of local governments,  
370 including their authority to approve or deny comprehensive plan  
371 amendments and development orders. The interlocal agreement  
372 shall meet the following requirements:

373 1. Establish the mechanisms for coordinating the  
374 development, adoption, and amendment of each local government's  
375 school concurrency related provisions of the comprehensive plan  
376 with each other and the plans of the school board to ensure a  
377 uniform districtwide school concurrency system.

577-02854-12

2012842c2

378           2. Specify uniform, districtwide level-of-service standards  
379 for public schools of the same type and the process for  
380 modifying the adopted level-of-service standards.

381           3. Define the geographic application of school concurrency.  
382 If school concurrency is to be applied on a less than  
383 districtwide basis in the form of concurrency service areas, the  
384 agreement shall establish criteria and standards for the  
385 establishment and modification of school concurrency service  
386 areas. The agreement shall ensure maximum utilization of school  
387 capacity, taking into account transportation costs and court-  
388 approved desegregation plans, as well as other factors.

389           4. Establish a uniform districtwide procedure for  
390 implementing school concurrency which provides for:

391           a. The evaluation of development applications for  
392 compliance with school concurrency requirements, including  
393 information provided by the school board on affected schools,  
394 impact on levels of service, and programmed improvements for  
395 affected schools and any options to provide sufficient capacity;

396           b. An opportunity for the school board to review and  
397 comment on the effect of comprehensive plan amendments and  
398 rezonings on the public school facilities plan; and

399           c. The monitoring and evaluation of the school concurrency  
400 system.

401           5. A process and uniform methodology for determining  
402 proportionate-share mitigation pursuant to paragraph (h).

403           (j)~~(k)~~ This subsection does not limit the authority of a  
404 local government to grant or deny a development permit or its  
405 functional equivalent prior to the implementation of school  
406 concurrency.

577-02854-12

2012842c2

407 Section 8. Paragraphs (b) and (c) of subsection (3),  
408 paragraphs (b) and (e) of subsection (4), paragraphs (b), (d),  
409 and (e) of subsection (5), paragraph (f) of subsection (6), and  
410 subsection (12) of section 163.3184, Florida Statutes, are  
411 amended to read:

412 163.3184 Process for adoption of comprehensive plan or plan  
413 amendment.—

414 (3) EXPEDITED STATE REVIEW PROCESS FOR ADOPTION OF  
415 COMPREHENSIVE PLAN AMENDMENTS.—

416 (b)1. The local government, after the initial public  
417 hearing held pursuant to subsection (11), shall transmit within  
418 10 calendar days the amendment or amendments and appropriate  
419 supporting data and analyses to the reviewing agencies. The  
420 local governing body shall also transmit a copy of the  
421 amendments and supporting data and analyses to any other local  
422 government or governmental agency that has filed a written  
423 request with the governing body.

424 2. The reviewing agencies and any other local government or  
425 governmental agency specified in subparagraph 1. may provide  
426 comments regarding the amendment or amendments to the local  
427 government. State agencies shall only comment on important state  
428 resources and facilities that will be adversely impacted by the  
429 amendment if adopted. Comments provided by state agencies shall  
430 state with specificity how the plan amendment will adversely  
431 impact an important state resource or facility and shall  
432 identify measures the local government may take to eliminate,  
433 reduce, or mitigate the adverse impacts. Such comments, if not  
434 resolved, may result in a challenge by the state land planning  
435 agency to the plan amendment. Agencies and local governments

577-02854-12

2012842c2

436 must transmit their comments to the affected local government  
437 such that they are received by the local government not later  
438 than 30 days from the date on which the agency or government  
439 received the amendment or amendments. Reviewing agencies shall  
440 also send a copy of their comments to the state land planning  
441 agency.

442 3. Comments to the local government from a regional  
443 planning council, county, or municipality shall be limited as  
444 follows:

445 a. The regional planning council review and comments shall  
446 be limited to adverse effects on regional resources or  
447 facilities identified in the strategic regional policy plan and  
448 extrajurisdictional impacts that would be inconsistent with the  
449 comprehensive plan of any affected local government within the  
450 region. A regional planning council may not review and comment  
451 on a proposed comprehensive plan amendment prepared by such  
452 council unless the plan amendment has been changed by the local  
453 government subsequent to the preparation of the plan amendment  
454 by the regional planning council.

455 b. County comments shall be in the context of the  
456 relationship and effect of the proposed plan amendments on the  
457 county plan.

458 c. Municipal comments shall be in the context of the  
459 relationship and effect of the proposed plan amendments on the  
460 municipal plan.

461 d. Military installation comments shall be provided in  
462 accordance with s. 163.3175.

463 4. Comments to the local government from state agencies  
464 shall be limited to the following subjects as they relate to

577-02854-12

2012842c2

465 important state resources and facilities that will be adversely  
466 impacted by the amendment if adopted:

467       a. The Department of Environmental Protection shall limit  
468 its comments to the subjects of air and water pollution;  
469 wetlands and other surface waters of the state; federal and  
470 state-owned lands and interest in lands, including state parks,  
471 greenways and trails, and conservation easements; solid waste;  
472 water and wastewater treatment; and the Everglades ecosystem  
473 restoration.

474       b. The Department of State shall limit its comments to the  
475 subjects of historic and archaeological resources.

476       c. The Department of Transportation shall limit its  
477 comments to issues within the agency's jurisdiction as it  
478 relates to transportation resources and facilities of state  
479 importance.

480       d. The Fish and Wildlife Conservation Commission shall  
481 limit its comments to subjects relating to fish and wildlife  
482 habitat and listed species and their habitat.

483       e. The Department of Agriculture and Consumer Services  
484 shall limit its comments to the subjects of agriculture,  
485 forestry, and aquaculture issues.

486       f. The Department of Education shall limit its comments to  
487 the subject of public school facilities.

488       g. The appropriate water management district shall limit  
489 its comments to flood protection and floodplain management,  
490 wetlands and other surface waters, and regional water supply.

491       h. The state land planning agency shall limit its comments  
492 to important state resources and facilities outside the  
493 jurisdiction of other commenting state agencies and may include

577-02854-12

2012842c2

494 comments on countervailing planning policies and objectives  
495 served by the plan amendment that should be balanced against  
496 potential adverse impacts to important state resources and  
497 facilities.

498 (c)1. The local government shall hold its second public  
499 hearing, which shall be a hearing on whether to adopt one or  
500 more comprehensive plan amendments pursuant to subsection (11).  
501 If the local government fails, within 180 days after receipt of  
502 agency comments, to hold the second public hearing, the  
503 amendments shall be deemed withdrawn unless extended by  
504 agreement with notice to the state land planning agency and any  
505 affected person that provided comments on the amendment. The  
506 180-day limitation does not apply to amendments processed  
507 pursuant to s. 380.06.

508 2. All comprehensive plan amendments adopted by the  
509 governing body, along with the supporting data and analysis,  
510 shall be transmitted within 10 calendar days after the second  
511 public hearing to the state land planning agency and any other  
512 agency or local government that provided timely comments under  
513 subparagraph (b)2.

514 3. The state land planning agency shall notify the local  
515 government of any deficiencies within 5 working days after  
516 receipt of an amendment package. For purposes of completeness,  
517 an amendment shall be deemed complete if it contains a full,  
518 executed copy of the adoption ordinance or ordinances; in the  
519 case of a text amendment, a full copy of the amended language in  
520 legislative format with new words inserted in the text  
521 underlined, and words deleted stricken with hyphens; in the case  
522 of a future land use map amendment, a copy of the future land

577-02854-12

2012842c2

523 use map clearly depicting the parcel, its existing future land  
524 use designation, and its adopted designation; and a copy of any  
525 data and analyses the local government deems appropriate.

526 4. An amendment adopted under this paragraph does not  
527 become effective until 31 days after the state land planning  
528 agency notifies the local government that the plan amendment  
529 package is complete. If timely challenged, an amendment does not  
530 become effective until the state land planning agency or the  
531 Administration Commission enters a final order determining the  
532 adopted amendment to be in compliance.

533 (4) STATE COORDINATED REVIEW PROCESS.—

534 (b) *Local government transmittal of proposed plan or*  
535 *amendment.*—Each local governing body proposing a plan or plan  
536 amendment specified in paragraph (2)(c) shall transmit the  
537 complete proposed comprehensive plan or plan amendment to the  
538 reviewing agencies within 10 calendar days after ~~immediately~~  
539 ~~following~~ the first public hearing pursuant to subsection (11).  
540 The transmitted document shall clearly indicate on the cover  
541 sheet that this plan amendment is subject to the state  
542 coordinated review process of this subsection. The local  
543 governing body shall also transmit a copy of the complete  
544 proposed comprehensive plan or plan amendment to any other unit  
545 of local government or government agency in the state that has  
546 filed a written request with the governing body for the plan or  
547 plan amendment.

548 (e) *Local government review of comments; adoption of plan*  
549 *or amendments and transmittal.*—

550 1. The local government shall review the report submitted  
551 to it by the state land planning agency, if any, and written

577-02854-12

2012842c2

552 comments submitted to it by any other person, agency, or  
553 government. The local government, upon receipt of the report  
554 from the state land planning agency, shall hold its second  
555 public hearing, which shall be a hearing to determine whether to  
556 adopt the comprehensive plan or one or more comprehensive plan  
557 amendments pursuant to subsection (11). If the local government  
558 fails to hold the second hearing within 180 days after receipt  
559 of the state land planning agency's report, the amendments shall  
560 be deemed withdrawn unless extended by agreement with notice to  
561 the state land planning agency and any affected person that  
562 provided comments on the amendment. The 180-day limitation does  
563 not apply to amendments processed pursuant to s. 380.06.

564 2. All comprehensive plan amendments adopted by the  
565 governing body, along with the supporting data and analysis,  
566 shall be transmitted within 10 calendar days after the second  
567 public hearing to the state land planning agency and any other  
568 agency or local government that provided timely comments under  
569 paragraph (c).

570 3. The state land planning agency shall notify the local  
571 government of any deficiencies within 5 working days after  
572 receipt of a plan or plan amendment package. For purposes of  
573 completeness, a plan or plan amendment shall be deemed complete  
574 if it contains a full, executed copy of the adoption ordinance  
575 or ordinances; in the case of a text amendment, a full copy of  
576 the amended language in legislative format with new words  
577 inserted in the text underlined, and words deleted stricken with  
578 hyphens; in the case of a future land use map amendment, a copy  
579 of the future land use map clearly depicting the parcel, its  
580 existing future land use designation, and its adopted

577-02854-12

2012842c2

581 designation; and a copy of any data and analyses the local  
582 government deems appropriate.

583         4. After the state land planning agency makes a  
584 determination of completeness regarding the adopted plan or plan  
585 amendment, the state land planning agency shall have 45 days to  
586 determine if the plan or plan amendment is in compliance with  
587 this act. Unless the plan or plan amendment is substantially  
588 changed from the one commented on, the state land planning  
589 agency's compliance determination shall be limited to objections  
590 raised in the objections, recommendations, and comments report.  
591 During the period provided for in this subparagraph, the state  
592 land planning agency shall issue, through a senior administrator  
593 or the secretary, a notice of intent to find that the plan or  
594 plan amendment is in compliance or not in compliance. The state  
595 land planning agency shall post a copy of the notice of intent  
596 on the agency's Internet website. Publication by the state land  
597 planning agency of the notice of intent on the state land  
598 planning agency's Internet site shall be prima facie evidence of  
599 compliance with the publication requirements of this  
600 subparagraph.

601         5. A plan or plan amendment adopted under the state  
602 coordinated review process shall go into effect pursuant to the  
603 state land planning agency's notice of intent. If timely  
604 challenged, an amendment does not become effective until the  
605 state land planning agency or the Administration Commission  
606 enters a final order determining the adopted amendment to be in  
607 compliance.

608         (5) ADMINISTRATIVE CHALLENGES TO PLANS AND PLAN  
609 AMENDMENTS.—

577-02854-12

2012842c2

610 (b) The state land planning agency may file a petition with  
611 the Division of Administrative Hearings pursuant to ss. 120.569  
612 and 120.57, with a copy served on the affected local government,  
613 to request a formal hearing to challenge whether the plan or  
614 plan amendment is in compliance as defined in paragraph (1)(b).  
615 The state land planning agency's petition must clearly state the  
616 reasons for the challenge. Under the expedited state review  
617 process, this petition must be filed with the division within 30  
618 days after the state land planning agency notifies the local  
619 government that the plan amendment package is complete according  
620 to subparagraph (3)(c)3. Under the state coordinated review  
621 process, this petition must be filed with the division within 45  
622 days after the state land planning agency notifies the local  
623 government that the plan amendment package is complete according  
624 to subparagraph (4)(e)3 ~~(3)(c)3~~.

625 1. The state land planning agency's challenge to plan  
626 amendments adopted under the expedited state review process  
627 shall be limited to the comments provided by the reviewing  
628 agencies pursuant to subparagraphs (3)(b)2.-4., upon a  
629 determination by the state land planning agency that an  
630 important state resource or facility will be adversely impacted  
631 by the adopted plan amendment. The state land planning agency's  
632 petition shall state with specificity how the plan amendment  
633 will adversely impact the important state resource or facility.  
634 The state land planning agency may challenge a plan amendment  
635 that has substantially changed from the version on which the  
636 agencies provided comments but only upon a determination by the  
637 state land planning agency that an important state resource or  
638 facility will be adversely impacted.

577-02854-12

2012842c2

639           2. If the state land planning agency issues a notice of  
640 intent to find the comprehensive plan or plan amendment not in  
641 compliance with this act, the notice of intent shall be  
642 forwarded to the Division of Administrative Hearings of the  
643 Department of Management Services, which shall conduct a  
644 proceeding under ss. 120.569 and 120.57 in the county of and  
645 convenient to the affected local jurisdiction. The parties to  
646 the proceeding shall be the state land planning agency, the  
647 affected local government, and any affected person who  
648 intervenes. A ~~No~~ new issue may not be alleged as a reason to  
649 find a plan or plan amendment not in compliance in an  
650 administrative pleading filed more than 21 days after  
651 publication of notice unless the party seeking that issue  
652 establishes good cause for not alleging the issue within that  
653 time period. Good cause does not include excusable neglect.

654           (d) If the administrative law judge recommends that the  
655 amendment be found not in compliance, the judge shall submit the  
656 recommended order to the Administration Commission for final  
657 agency action. The Administration Commission shall make every  
658 effort to enter a final order expeditiously, but at a minimum,  
659 within the time period provided by s. 120.569 ~~45 days after its~~  
660 ~~receipt of the recommended order.~~

661           (e) If the administrative law judge recommends that the  
662 amendment be found in compliance, the judge shall submit the  
663 recommended order to the state land planning agency.

664           1. If the state land planning agency determines that the  
665 plan amendment should be found not in compliance, the agency  
666 shall make every effort to refer, ~~within 30 days after receipt~~  
667 ~~of the recommended order,~~ the recommended order and its

577-02854-12

2012842c2

668 determination expeditiously to the Administration Commission for  
669 final agency action, but at a minimum within the time period  
670 provided by 120.569.

671 2. If the state land planning agency determines that the  
672 plan amendment should be found in compliance, the agency shall  
673 enter its final order expeditiously, but at a minimum, within  
674 the time period provided by s. 120.569 ~~not later than 30 days~~  
675 ~~after receipt of the recommended order.~~

676 (6) COMPLIANCE AGREEMENT.—

677 (f) For challenges to amendments adopted under the state  
678 coordinated process, the state land planning agency, ~~upon~~  
679 ~~receipt of a plan or plan amendment adopted pursuant to a~~  
680 ~~compliance agreement,~~ shall issue a cumulative notice of intent  
681 addressing both the remedial amendment and the plan or plan  
682 amendment that was the subject of the agreement within 20 days  
683 after receiving a complete plan or plan amendment adopted  
684 pursuant to a compliance agreement.

685 1. If the local government adopts a comprehensive plan or  
686 plan amendment pursuant to a compliance agreement and a notice  
687 of intent to find the plan amendment in compliance is issued,  
688 the state land planning agency shall forward the notice of  
689 intent to the Division of Administrative Hearings and the  
690 administrative law judge shall realign the parties in the  
691 pending proceeding under ss. 120.569 and 120.57, which shall  
692 thereafter be governed by the process contained in paragraph  
693 (5) (a) and subparagraph (5) (c)1., including provisions relating  
694 to challenges by an affected person, burden of proof, and issues  
695 of a recommended order and a final order. Parties to the  
696 original proceeding at the time of realignment may continue as

577-02854-12

2012842c2

697 parties without being required to file additional pleadings to  
698 initiate a proceeding, but may timely amend their pleadings to  
699 raise any challenge to the amendment that is the subject of the  
700 cumulative notice of intent, and must otherwise conform to the  
701 rules of procedure of the Division of Administrative Hearings.  
702 Any affected person not a party to the realigned proceeding may  
703 challenge the plan amendment that is the subject of the  
704 cumulative notice of intent by filing a petition with the agency  
705 as provided in subsection (5). The agency shall forward the  
706 petition filed by the affected person not a party to the  
707 realigned proceeding to the Division of Administrative Hearings  
708 for consolidation with the realigned proceeding. If the  
709 cumulative notice of intent is not challenged, the state land  
710 planning agency shall request that the Division of  
711 Administrative Hearings relinquish jurisdiction to the state  
712 land planning agency for issuance of a final order.

713 2. If the local government adopts a comprehensive plan  
714 amendment pursuant to a compliance agreement and a notice of  
715 intent is issued that finds the plan amendment not in  
716 compliance, the state land planning agency shall forward the  
717 notice of intent to the Division of Administrative Hearings,  
718 which shall consolidate the proceeding with the pending  
719 proceeding and immediately set a date for a hearing in the  
720 pending proceeding under ss. 120.569 and 120.57. Affected  
721 persons who are not a party to the underlying proceeding under  
722 ss. 120.569 and 120.57 may challenge the plan amendment adopted  
723 pursuant to the compliance agreement by filing a petition  
724 pursuant to paragraph (5) (a).

725 (12) CONCURRENT ZONING.—At the request of an applicant, a

577-02854-12

2012842c2

726 local government shall consider an application for zoning  
727 changes that would be required to properly enact any proposed  
728 plan amendment transmitted pursuant to this section ~~subsection~~.  
729 Zoning changes approved by the local government are contingent  
730 upon the comprehensive plan or plan amendment transmitted  
731 becoming effective.

732 Section 9. Subsection (3) of section 163.3191, Florida  
733 Statutes, is amended to read:

734 163.3191 Evaluation and appraisal of comprehensive plan.—

735 (3) Local governments are encouraged to comprehensively  
736 evaluate and, as necessary, update comprehensive plans to  
737 reflect changes in local conditions. Plan amendments transmitted  
738 pursuant to this section shall be reviewed pursuant to s.  
739 163.3184(4) ~~in accordance with s. 163.3184~~.

740 Section 10. Subsections (1) and (7) of section 163.3245,  
741 Florida Statutes, are amended, and present subsections (8)  
742 through (14) of that section are redesignated as subsections (7)  
743 through (13), respectively, to read:

744 163.3245 Sector plans.—

745 (1) In recognition of the benefits of long-range planning  
746 for specific areas, local governments or combinations of local  
747 governments may adopt into their comprehensive plans a sector  
748 plan in accordance with this section. This section is intended  
749 to promote and encourage long-term planning for conservation,  
750 development, and agriculture on a landscape scale; to further  
751 support the intent of s. 163.3177(11), ~~which supports~~ innovative  
752 and flexible planning and development strategies, and the  
753 purposes of this part and part I of chapter 380; to facilitate  
754 protection of regionally significant resources, including, but

577-02854-12

2012842c2

755 not limited to, regionally significant water courses and  
756 wildlife corridors; and to avoid duplication of effort in terms  
757 of the level of data and analysis required for a development of  
758 regional impact, while ensuring the adequate mitigation of  
759 impacts to applicable regional resources and facilities,  
760 including those within the jurisdiction of other local  
761 governments, as would otherwise be provided. Sector plans are  
762 intended for substantial geographic areas that include at least  
763 15,000 acres of one or more local governmental jurisdictions and  
764 are to emphasize urban form and protection of regionally  
765 significant resources and public facilities. A sector plan may  
766 not be adopted in an area of critical state concern.

767 ~~(7) Beginning December 1, 1999, and each year thereafter,~~  
768 ~~the department shall provide a status report to the President of~~  
769 ~~the Senate and the Speaker of the House of Representatives~~  
770 ~~regarding each optional sector plan authorized under this~~  
771 ~~section.~~

772 Section 11. Paragraph (d) of subsection (2) of section  
773 186.002, Florida Statutes, is amended to read:

774 186.002 Findings and intent.—

775 (2) It is the intent of the Legislature that:

776 (d) The state planning process shall be informed and guided  
777 by the experience of public officials at all levels of  
778 government. ~~In preparing any plans or proposed revisions or~~  
779 ~~amendments required by this chapter, the Governor shall consider~~  
780 ~~the experience of and information provided by local governments~~  
781 ~~in their evaluation and appraisal reports pursuant to s.~~  
782 ~~163.3191.~~

783 Section 12. Subsection (8) of section 186.007, Florida

577-02854-12

2012842c2

784 Statutes, is amended to read:

785 186.007 State comprehensive plan; preparation; revision.—

786 (8) The revision of the state comprehensive plan is a  
787 continuing process. Each section of the plan shall be reviewed  
788 and analyzed biennially by the Executive Office of the Governor  
789 in conjunction with the planning officers of other state  
790 agencies significantly affected by the provisions of the  
791 particular section under review. In conducting this review and  
792 analysis, the Executive Office of the Governor shall review and  
793 consider, with the assistance of the state land planning agency  
794 and regional planning councils, ~~the evaluation and appraisal~~  
795 ~~reports submitted pursuant to s. 163.3191 and the evaluation and~~  
796 appraisal reports prepared pursuant to s. 186.511. Any necessary  
797 revisions of the state comprehensive plan shall be proposed by  
798 the Governor in a written report and be accompanied by an  
799 explanation of the need for such changes. If the Governor  
800 determines that changes are unnecessary, the written report must  
801 explain why changes are unnecessary. The proposed revisions and  
802 accompanying explanations may be submitted in the report  
803 required by s. 186.031. Any proposed revisions to the plan shall  
804 be submitted to the Legislature as provided in s. 186.008(2) at  
805 least 30 days before ~~prior to~~ the regular legislative session  
806 occurring in each even-numbered year.

807 Section 13. Subsections (8) and (20) of section 186.505,  
808 Florida Statutes, are amended to read:

809 186.505 Regional planning councils; powers and duties.—Any  
810 regional planning council created hereunder shall have the  
811 following powers:

812 (8) To accept and receive, in furtherance of its functions,

577-02854-12

2012842c2

813 funds, grants, and services from the Federal Government or its  
814 agencies; from departments, agencies, and instrumentalities of  
815 state, municipal, or local government; or from private or civic  
816 sources, except as prohibited by subsection (20). Each regional  
817 planning council shall render an accounting of the receipt and  
818 disbursement of all funds received by it, pursuant to the  
819 federal Older Americans Act, to the Legislature no later than  
820 March 1 of each year. Before accepting a grant, a regional  
821 planning council must make a formal public determination that  
822 the purpose of the grant is in furtherance of the council's  
823 functions and will not diminish the council's ability to fund  
824 and accomplish its statutory functions.

825 (20) To provide technical assistance to local governments  
826 on growth management matters. However, a regional planning  
827 council may not provide consulting services for a fee to a local  
828 government for a project for which the council also serves in a  
829 review capacity or provide consulting services to a private  
830 developer or landowner for a project for which the council may  
831 also serve in a review capacity in the future.

832 Section 14. Subsection (1) of section 186.508, Florida  
833 Statutes, is amended to read:

834 186.508 Strategic regional policy plan adoption;  
835 consistency with state comprehensive plan.—

836 (1) Each regional planning council shall submit to the  
837 Executive Office of the Governor its proposed strategic regional  
838 policy plan on a schedule established by the Executive Office of  
839 the Governor to coordinate implementation of the strategic  
840 regional policy plans with the evaluation and appraisal process  
841 ~~reports~~ required by s. 163.3191. The Executive Office of the

577-02854-12

2012842c2

842 Governor, or its designee, shall review the proposed strategic  
843 regional policy plan to ensure consistency with the adopted  
844 state comprehensive plan and shall, within 60 days, provide any  
845 recommended revisions. The Governor's recommended revisions  
846 shall be included in the plans in a comment section. However,  
847 nothing in this section precludes ~~herein shall preclude~~ a  
848 regional planning council from adopting or rejecting any or all  
849 of the revisions as a part of its plan before ~~prior to~~ the  
850 effective date of the plan. The rules adopting the strategic  
851 regional policy plan are ~~shall~~ not be subject to rule challenge  
852 under s. 120.56(2) or to drawout proceedings under s.  
853 120.54(3)(c)2., but, once adopted, are ~~shall be~~ subject to an  
854 invalidity challenge under s. 120.56(3) by substantially  
855 affected persons, including the Executive Office of the  
856 Governor. The rules shall be adopted by the regional planning  
857 councils, and ~~shall~~ become effective upon filing with the  
858 Department of State, notwithstanding the provisions of s.  
859 120.54(3)(e)6.

860 Section 15. Subsections (2) and (3) of section 189.415,  
861 Florida Statutes, are amended to read:

862 189.415 Special district public facilities report.—

863 (2) Each independent special district shall submit to each  
864 local general-purpose government in which it is located a public  
865 facilities report and an annual notice of any changes. The  
866 public facilities report shall specify the following  
867 information:

868 (a) A description of existing public facilities owned or  
869 operated by the special district, and each public facility that  
870 is operated by another entity, except a local general-purpose

577-02854-12

2012842c2

871 government, through a lease or other agreement with the special  
872 district. This description shall include the current capacity of  
873 the facility, the current demands placed upon it, and its  
874 location. This information shall be required in the initial  
875 report and updated every 7 5 years at least 12 months before  
876 ~~prior to~~ the submission date of the evaluation and appraisal  
877 notification letter ~~report~~ of the appropriate local government  
878 required by s. 163.3191. The department shall post a schedule on  
879 its website, based on the evaluation and appraisal notification  
880 schedule prepared pursuant to s. 163.3191(5), for use by a  
881 special district to determine when its public facilities report  
882 and updates to that report are due to the local general-purpose  
883 governments in which the special district is located. At least  
884 ~~12 months prior to the date on which each special district's~~  
885 ~~first updated report is due, the department shall notify each~~  
886 ~~independent district on the official list of special districts~~  
887 ~~compiled pursuant to s. 189.4035 of the schedule for submission~~  
888 ~~of the evaluation and appraisal report by each local government~~  
889 ~~within the special district's jurisdiction.~~

890 (b) A description of each public facility the district is  
891 building, improving, or expanding, or is currently proposing to  
892 build, improve, or expand within at least the next 7 5 years,  
893 including any facilities that the district is assisting another  
894 entity, except a local general-purpose government, to build,  
895 improve, or expand through a lease or other agreement with the  
896 district. For each public facility identified, the report shall  
897 describe how the district currently proposes to finance the  
898 facility.

899 (c) If the special district currently proposes to replace

577-02854-12

2012842c2

900 any facilities identified in paragraph (a) or paragraph (b)  
901 within the next 10 years, the date when such facility will be  
902 replaced.

903 (d) The anticipated time the construction, improvement, or  
904 expansion of each facility will be completed.

905 (e) The anticipated capacity of and demands on each public  
906 facility when completed. In the case of an improvement or  
907 expansion of a public facility, both the existing and  
908 anticipated capacity must be listed.

909 (3) A special district proposing to build, improve, or  
910 expand a public facility which requires a certificate of need  
911 pursuant to chapter 408 shall elect to notify the appropriate  
912 local general-purpose government of its plans either in its 7-  
913 year ~~5-year~~ plan or at the time the letter of intent is filed  
914 with the Agency for Health Care Administration pursuant to s.  
915 408.039.

916 Section 16. Subsection (5) of section 288.975, Florida  
917 Statutes, is amended to read:

918 288.975 Military base reuse plans.—

919 (5) At the discretion of the host local government, the  
920 provisions of this act may be complied with through the adoption  
921 of the military base reuse plan as a separate component of the  
922 local government comprehensive plan or through simultaneous  
923 amendments to all pertinent portions of the local government  
924 comprehensive plan. Once adopted and approved in accordance with  
925 this section, the military base reuse plan shall be considered  
926 to be part of the host local government's comprehensive plan and  
927 shall be thereafter implemented, amended, and reviewed pursuant  
928 to ~~in accordance with the provisions of~~ part II of chapter 163.

577-02854-12

2012842c2

929 ~~Local government comprehensive plan amendments necessary to~~  
930 ~~initially adopt the military base reuse plan shall be exempt~~  
931 ~~from the limitation on the frequency of plan amendments~~  
932 ~~contained in s. 163.3187(1).~~

933 Section 17. Paragraph (b) of subsection (6), paragraph (e)  
934 of subsection (19), subsection (24), and paragraph (b) of  
935 subsection (29) of section 380.06, Florida Statutes, are amended  
936 to read:

937 380.06 Developments of regional impact.—

938 (6) APPLICATION FOR APPROVAL OF DEVELOPMENT; CONCURRENT  
939 PLAN AMENDMENTS.—

940 (b) Any local government comprehensive plan amendments  
941 related to a proposed development of regional impact, including  
942 any changes proposed under subsection (19), may be initiated by  
943 a local planning agency or the developer and must be considered  
944 by the local governing body at the same time as the application  
945 for development approval using the procedures provided for local  
946 plan amendment in s. 163.3184 ~~s. 163.3187~~ and applicable local  
947 ordinances, without regard to local limits on the frequency of  
948 consideration of amendments to the local comprehensive plan.  
949 This paragraph does not require favorable consideration of a  
950 plan amendment solely because it is related to a development of  
951 regional impact. The procedure for processing such comprehensive  
952 plan amendments is as follows:

953 1. If a developer seeks a comprehensive plan amendment  
954 related to a development of regional impact, the developer must  
955 so notify in writing the regional planning agency, the  
956 applicable local government, and the state land planning agency  
957 no later than the date of preapplication conference or the

577-02854-12

2012842c2

958 submission of the proposed change under subsection (19).

959 2. When filing the application for development approval or  
960 the proposed change, the developer must include a written  
961 request for comprehensive plan amendments that would be  
962 necessitated by the development-of-regional-impact approvals  
963 sought. That request must include data and analysis upon which  
964 the applicable local government can determine whether to  
965 transmit the comprehensive plan amendment pursuant to s.  
966 163.3184.

967 3. The local government must advertise a public hearing on  
968 the transmittal within 30 days after filing the application for  
969 development approval or the proposed change and must make a  
970 determination on the transmittal within 60 days after the  
971 initial filing unless that time is extended by the developer.

972 4. If the local government approves the transmittal,  
973 procedures set forth in s. 163.3184 ~~s. 163.3184(4)(b)-(d)~~ must  
974 be followed.

975 5. Notwithstanding subsection (11) or subsection (19), the  
976 local government may not hold a public hearing on the  
977 application for development approval or the proposed change or  
978 on the comprehensive plan amendments sooner than 30 days after  
979 reviewing agency comments are due to the local government ~~from~~  
980 ~~receipt of the response from the state land planning agency~~  
981 pursuant to s. 163.3184 ~~s. 163.3184(4)(d)~~.

982 6. The local government must hear both the application for  
983 development approval or the proposed change and the  
984 comprehensive plan amendments at the same hearing. However, the  
985 local government must take action separately on the application  
986 for development approval or the proposed change and on the

577-02854-12

2012842c2

987 comprehensive plan amendments.

988 7. Thereafter, the appeal process for the local government  
989 development order must follow the provisions of s. 380.07, and  
990 the compliance process for the comprehensive plan amendments  
991 must follow the provisions of s. 163.3184.

992 (19) SUBSTANTIAL DEVIATIONS.—

993 (e)1. Except for a development order rendered pursuant to  
994 subsection (22) or subsection (25), a proposed change to a  
995 development order that individually or cumulatively with any  
996 previous change is less than any numerical criterion contained  
997 in subparagraphs (b)1.-10. and does not exceed any other  
998 criterion, or that involves an extension of the buildout date of  
999 a development, or any phase thereof, of less than 5 years is not  
1000 subject to the public hearing requirements of subparagraph  
1001 (f)3., and is not subject to a determination pursuant to  
1002 subparagraph (f)5. Notice of the proposed change shall be made  
1003 to the regional planning council and the state land planning  
1004 agency. Such notice shall include a description of previous  
1005 individual changes made to the development, including changes  
1006 previously approved by the local government, and shall include  
1007 appropriate amendments to the development order.

1008 2. The following changes, individually or cumulatively with  
1009 any previous changes, are not substantial deviations:

1010 a. Changes in the name of the project, developer, owner, or  
1011 monitoring official.

1012 b. Changes to a setback that do not affect noise buffers,  
1013 environmental protection or mitigation areas, or archaeological  
1014 or historical resources.

1015 c. Changes to minimum lot sizes.

577-02854-12

2012842c2

1016 d. Changes in the configuration of internal roads that do  
1017 not affect external access points.

1018 e. Changes to the building design or orientation that stay  
1019 approximately within the approved area designated for such  
1020 building and parking lot, and which do not affect historical  
1021 buildings designated as significant by the Division of  
1022 Historical Resources of the Department of State.

1023 f. Changes to increase the acreage in the development,  
1024 provided that no development is proposed on the acreage to be  
1025 added.

1026 g. Changes to eliminate an approved land use, provided that  
1027 there are no additional regional impacts.

1028 h. Changes required to conform to permits approved by any  
1029 federal, state, or regional permitting agency, provided that  
1030 these changes do not create additional regional impacts.

1031 i. Any renovation or redevelopment of development within a  
1032 previously approved development of regional impact which does  
1033 not change land use or increase density or intensity of use.

1034 j. Changes that modify boundaries and configuration of  
1035 areas described in subparagraph (b)11. due to science-based  
1036 refinement of such areas by survey, by habitat evaluation, by  
1037 other recognized assessment methodology, or by an environmental  
1038 assessment. In order for changes to qualify under this sub-  
1039 subparagraph, the survey, habitat evaluation, or assessment must  
1040 occur prior to the time a conservation easement protecting such  
1041 lands is recorded and must not result in any net decrease in the  
1042 total acreage of the lands specifically set aside for permanent  
1043 preservation in the final development order.

1044 k. Any other change which the state land planning agency,

577-02854-12

2012842c2

1045 in consultation with the regional planning council, agrees in  
1046 writing is similar in nature, impact, or character to the  
1047 changes enumerated in sub-subparagraphs a.-j. and which does not  
1048 create the likelihood of any additional regional impact.

1049  
1050 This subsection does not require the filing of a notice of  
1051 proposed change but shall require an application to the local  
1052 government to amend the development order in accordance with the  
1053 local government's procedures for amendment of a development  
1054 order. In accordance with the local government's procedures,  
1055 including requirements for notice to the applicant and the  
1056 public, the local government shall either deny the application  
1057 for amendment or adopt an amendment to the development order  
1058 which approves the application with or without conditions.  
1059 Following adoption, the local government shall render to the  
1060 state land planning agency the amendment to the development  
1061 order. The state land planning agency may appeal, pursuant to s.  
1062 380.07(3), the amendment to the development order if the  
1063 amendment involves sub-subparagraph g., sub-subparagraph h.,  
1064 sub-subparagraph j., or sub-subparagraph k., and it believes the  
1065 change creates a reasonable likelihood of new or additional  
1066 regional impacts.

1067 3. Except for the change authorized by sub-subparagraph  
1068 2.f., any addition of land not previously reviewed or any change  
1069 not specified in paragraph (b) or paragraph (c) shall be  
1070 presumed to create a substantial deviation. This presumption may  
1071 be rebutted by clear and convincing evidence.

1072 4. Any submittal of a proposed change to a previously  
1073 approved development shall include a description of individual

577-02854-12

2012842c2

1074 changes previously made to the development, including changes  
1075 previously approved by the local government. The local  
1076 government shall consider the previous and current proposed  
1077 changes in deciding whether such changes cumulatively constitute  
1078 a substantial deviation requiring further development-of-  
1079 regional-impact review.

1080 5. The following changes to an approved development of  
1081 regional impact shall be presumed to create a substantial  
1082 deviation. Such presumption may be rebutted by clear and  
1083 convincing evidence.

1084 a. A change proposed for 15 percent or more of the acreage  
1085 to a land use not previously approved in the development order.  
1086 Changes of less than 15 percent shall be presumed not to create  
1087 a substantial deviation.

1088 b. Notwithstanding any provision of paragraph (b) to the  
1089 contrary, a proposed change consisting of simultaneous increases  
1090 and decreases of at least two of the uses within an authorized  
1091 multiuse development of regional impact which was originally  
1092 approved with three or more uses specified in s. 380.0651(3)(c)  
1093 and (d) ~~s. 380.0651(3)(c), (d), and (e)~~ and residential use.

1094 6. If a local government agrees to a proposed change, a  
1095 change in the transportation proportionate share calculation and  
1096 mitigation plan in an adopted development order as a result of  
1097 recalculation of the proportionate share contribution meeting  
1098 the requirements of s. 163.3180(5)(h) in effect as of the date  
1099 of such change shall be presumed not to create a substantial  
1100 deviation. For purposes of this subsection, the proposed change  
1101 in the proportionate share calculation or mitigation plan shall  
1102 not be considered an additional regional transportation impact.

577-02854-12

2012842c2

- 1103 (24) STATUTORY EXEMPTIONS.—
- 1104 (a) Any proposed hospital is exempt from this section.
- 1105 (b) Any proposed electrical transmission line or electrical  
1106 power plant is exempt from this section.
- 1107 (c) Any proposed addition to an existing sports facility  
1108 complex is exempt from this section if the addition meets the  
1109 following characteristics:
- 1110 1. It would not operate concurrently with the scheduled  
1111 hours of operation of the existing facility.
  - 1112 2. Its seating capacity would be no more than 75 percent of  
1113 the capacity of the existing facility.
  - 1114 3. The sports facility complex property is owned by a  
1115 public body before July 1, 1983.
- 1116
- 1117 This exemption does not apply to any pari-mutuel facility.
- 1118 (d) Any proposed addition or cumulative additions  
1119 subsequent to July 1, 1988, to an existing sports facility  
1120 complex owned by a state university is exempt if the increased  
1121 seating capacity of the complex is no more than 30 percent of  
1122 the capacity of the existing facility.
- 1123 (e) Any addition of permanent seats or parking spaces for  
1124 an existing sports facility located on property owned by a  
1125 public body before July 1, 1973, is exempt from this section if  
1126 future additions do not expand existing permanent seating or  
1127 parking capacity more than 15 percent annually in excess of the  
1128 prior year's capacity.
- 1129 (f) Any increase in the seating capacity of an existing  
1130 sports facility having a permanent seating capacity of at least  
1131 50,000 spectators is exempt from this section, provided that

577-02854-12

2012842c2

1132 such an increase does not increase permanent seating capacity by  
1133 more than 5 percent per year and not to exceed a total of 10  
1134 percent in any 5-year period, and provided that the sports  
1135 facility notifies the appropriate local government within which  
1136 the facility is located of the increase at least 6 months before  
1137 the initial use of the increased seating, in order to permit the  
1138 appropriate local government to develop a traffic management  
1139 plan for the traffic generated by the increase. Any traffic  
1140 management plan shall be consistent with the local comprehensive  
1141 plan, the regional policy plan, and the state comprehensive  
1142 plan.

1143 (g) Any expansion in the permanent seating capacity or  
1144 additional improved parking facilities of an existing sports  
1145 facility is exempt from this section, if the following  
1146 conditions exist:

1147 1.a. The sports facility had a permanent seating capacity  
1148 on January 1, 1991, of at least 41,000 spectator seats;

1149 b. The sum of such expansions in permanent seating capacity  
1150 does not exceed a total of 10 percent in any 5-year period and  
1151 does not exceed a cumulative total of 20 percent for any such  
1152 expansions; or

1153 c. The increase in additional improved parking facilities  
1154 is a one-time addition and does not exceed 3,500 parking spaces  
1155 serving the sports facility; and

1156 2. The local government having jurisdiction of the sports  
1157 facility includes in the development order or development permit  
1158 approving such expansion under this paragraph a finding of fact  
1159 that the proposed expansion is consistent with the  
1160 transportation, water, sewer and stormwater drainage provisions

577-02854-12

2012842c2

1161 of the approved local comprehensive plan and local land  
1162 development regulations relating to those provisions.

1163  
1164 Any owner or developer who intends to rely on this statutory  
1165 exemption shall provide to the department a copy of the local  
1166 government application for a development permit. Within 45 days  
1167 after receipt of the application, the department shall render to  
1168 the local government an advisory and nonbinding opinion, in  
1169 writing, stating whether, in the department's opinion, the  
1170 prescribed conditions exist for an exemption under this  
1171 paragraph. The local government shall render the development  
1172 order approving each such expansion to the department. The  
1173 owner, developer, or department may appeal the local government  
1174 development order pursuant to s. 380.07, within 45 days after  
1175 the order is rendered. The scope of review shall be limited to  
1176 the determination of whether the conditions prescribed in this  
1177 paragraph exist. If any sports facility expansion undergoes  
1178 development-of-regional-impact review, all previous expansions  
1179 which were exempt under this paragraph shall be included in the  
1180 development-of-regional-impact review.

1181 (h) Expansion to port harbors, spoil disposal sites,  
1182 navigation channels, turning basins, harbor berths, and other  
1183 related inwater harbor facilities of ports listed in s.  
1184 403.021(9)(b), port transportation facilities and projects  
1185 listed in s. 311.07(3)(b), and intermodal transportation  
1186 facilities identified pursuant to s. 311.09(3) are exempt from  
1187 this section when such expansions, projects, or facilities are  
1188 consistent with comprehensive master plans that are in  
1189 compliance with s. 163.3178.

577-02854-12

2012842c2

1190 (i) Any proposed facility for the storage of any petroleum  
1191 product or any expansion of an existing facility is exempt from  
1192 this section.

1193 (j) Any renovation or redevelopment within the same land  
1194 parcel which does not change land use or increase density or  
1195 intensity of use.

1196 (k) Waterport and marina development, including dry storage  
1197 facilities, are exempt from this section.

1198 (l) Any proposed development within an urban service  
1199 boundary established under s. 163.3177(14), Florida Statutes  
1200 (2010), which is not otherwise exempt pursuant to subsection  
1201 (29), is exempt from this section if the local government having  
1202 jurisdiction over the area where the development is proposed has  
1203 adopted the urban service boundary and has entered into a  
1204 binding agreement with jurisdictions that would be impacted and  
1205 with the Department of Transportation regarding the mitigation  
1206 of impacts on state and regional transportation facilities.

1207 (m) Any proposed development within a rural land  
1208 stewardship area created under s. 163.3248.

1209 (n) The establishment, relocation, or expansion of any  
1210 military installation as defined in s. 163.3175, is exempt from  
1211 this section.

1212 (o) Any self-storage warehousing that does not allow retail  
1213 or other services is exempt from this section.

1214 (p) Any proposed nursing home or assisted living facility  
1215 is exempt from this section.

1216 (q) Any development identified in an airport master plan  
1217 and adopted into the comprehensive plan pursuant to s.  
1218 163.3177(6)(b)4. ~~s. 163.3177(6)(k)~~ is exempt from this section.

577-02854-12

2012842c2

1219 (r) Any development identified in a campus master plan and  
1220 adopted pursuant to s. 1013.30 is exempt from this section.

1221 (s) Any development in a detailed specific area plan which  
1222 is prepared and adopted pursuant to s. 163.3245 is exempt from  
1223 this section.

1224 (t) Any proposed solid mineral mine and any proposed  
1225 addition to, expansion of, or change to an existing solid  
1226 mineral mine is exempt from this section. A mine owner will  
1227 enter into a binding agreement with the Department of  
1228 Transportation to mitigate impacts to strategic intermodal  
1229 system facilities pursuant to the transportation thresholds in  
1230 subsection (19) or rule 9J-2.045(6), Florida Administrative  
1231 Code. Proposed changes to any previously approved solid mineral  
1232 mine development-of-regional-impact development orders having  
1233 vested rights are is not subject to further review or approval  
1234 as a development-of-regional-impact or notice-of-proposed-change  
1235 review or approval pursuant to subsection (19), except for those  
1236 applications pending as of July 1, 2011, which shall be governed  
1237 by s. 380.115(2). Notwithstanding the foregoing, however,  
1238 pursuant to s. 380.115(1), previously approved solid mineral  
1239 mine development-of-regional-impact development orders shall  
1240 continue to enjoy vested rights and continue to be effective  
1241 unless rescinded by the developer. All local government  
1242 regulations of proposed solid mineral mines shall be applicable  
1243 to any new solid mineral mine or to any proposed addition to,  
1244 expansion of, or change to an existing solid mineral mine.

1245 (u) Notwithstanding any provisions in an agreement with or  
1246 among a local government, regional agency, or the state land  
1247 planning agency or in a local government's comprehensive plan to

577-02854-12

2012842c2

1248 the contrary, a project no longer subject to development-of-  
1249 regional-impact review under revised thresholds is not required  
1250 to undergo such review.

1251 (v) Any development within a county with a research and  
1252 education authority created by special act and that is also  
1253 within a research and development park that is operated or  
1254 managed by a research and development authority pursuant to part  
1255 V of chapter 159 is exempt from this section.

1256 (w) Any development in an energy economic zone designated  
1257 pursuant to s. 377.809 is exempt from this section upon approval  
1258 by its local governing body.

1259

1260 If a use is exempt from review as a development of regional  
1261 impact under paragraphs (a)-(u), but will be part of a larger  
1262 project that is subject to review as a development of regional  
1263 impact, the impact of the exempt use must be included in the  
1264 review of the larger project, unless such exempt use involves a  
1265 development of regional impact that includes a landowner,  
1266 tenant, or user that has entered into a funding agreement with  
1267 the Department of Economic Opportunity under the Innovation  
1268 Incentive Program and the agreement contemplates a state award  
1269 of at least \$50 million.

1270 (29) EXEMPTIONS FOR DENSE URBAN LAND AREAS.—

1271 (b) If a municipality that does not qualify as a dense  
1272 urban land area pursuant to paragraph (a) ~~s. 163.3164~~ designates  
1273 any of the following areas in its comprehensive plan, any  
1274 proposed development within the designated area is exempt from  
1275 the development-of-regional-impact process:

1276 1. Urban infill as defined in s. 163.3164;

577-02854-12

2012842c2

1277 2. Community redevelopment areas as defined in s. 163.340;  
1278 3. Downtown revitalization areas as defined in s. 163.3164;  
1279 4. Urban infill and redevelopment under s. 163.2517; or  
1280 5. Urban service areas as defined in s. 163.3164 or areas  
1281 within a designated urban service boundary under s.  
1282 163.3177(14).

1283 Section 18. Subsection (1) of section 380.115, Florida  
1284 Statutes, is amended to read:

1285 380.115 Vested rights and duties; effect of size reduction,  
1286 changes in guidelines and standards.—

1287 (1) A change in a development-of-regional-impact guideline  
1288 and standard does not abridge or modify any vested or other  
1289 right or any duty or obligation pursuant to any development  
1290 order or agreement that is applicable to a development of  
1291 regional impact. A development that has received a development-  
1292 of-regional-impact development order pursuant to s. 380.06, but  
1293 is no longer required to undergo development-of-regional-impact  
1294 review by operation of a change in the guidelines and standards  
1295 or has reduced its size below the thresholds in s. 380.0651, or  
1296 a development that is exempt pursuant to s. 380.06(24) or s.  
1297 380.06(29) shall be governed by the following procedures:

1298 (a) The development shall continue to be governed by the  
1299 development-of-regional-impact development order and may be  
1300 completed in reliance upon and pursuant to the development order  
1301 unless the developer or landowner has followed the procedures  
1302 for rescission in paragraph (b). Any proposed changes to those  
1303 developments which continue to be governed by a development  
1304 order shall be approved pursuant to s. 380.06(19) as it existed  
1305 prior to a change in the development-of-regional-impact

577-02854-12

2012842c2

1306 guidelines and standards, except that all percentage criteria  
1307 shall be doubled and all other criteria shall be increased by 10  
1308 percent. The development-of-regional-impact development order  
1309 may be enforced by the local government as provided by ss.  
1310 380.06(17) and 380.11.

1311 (b) If requested by the developer or landowner, the  
1312 development-of-regional-impact development order shall be  
1313 rescinded by the local government having jurisdiction upon a  
1314 showing that all required mitigation related to the amount of  
1315 development that existed on the date of rescission has been  
1316 completed.

1317 Section 19. Section 1013.33, Florida Statutes, is amended  
1318 to read:

1319 1013.33 Coordination of planning with local governing  
1320 bodies.-

1321 (1) It is the policy of this state to require the  
1322 coordination of planning between boards and local governing  
1323 bodies to ensure that plans for the construction and opening of  
1324 public educational facilities are facilitated and coordinated in  
1325 time and place with plans for residential development,  
1326 concurrently with other necessary services. Such planning shall  
1327 include the integration of the educational facilities plan and  
1328 applicable policies and procedures of a board with the local  
1329 comprehensive plan and land development regulations of local  
1330 governments. The planning must include the consideration of  
1331 allowing students to attend the school located nearest their  
1332 homes when a new housing development is constructed near a  
1333 county boundary and it is more feasible to transport the  
1334 students a short distance to an existing facility in an adjacent

577-02854-12

2012842c2

1335 county than to construct a new facility or transport students  
1336 longer distances in their county of residence. The planning must  
1337 also consider the effects of the location of public education  
1338 facilities, including the feasibility of keeping central city  
1339 facilities viable, in order to encourage central city  
1340 redevelopment and the efficient use of infrastructure and to  
1341 discourage uncontrolled urban sprawl. In addition, all parties  
1342 to the planning process must consult with state and local road  
1343 departments to assist in implementing the Safe Paths to Schools  
1344 program administered by the Department of Transportation.

1345 (2)~~(a)~~ The school board, county, and nonexempt  
1346 municipalities located within the geographic area of a school  
1347 district shall enter into an interlocal agreement according to  
1348 s. 163.31777, which ~~that~~ jointly establishes the specific ways  
1349 in which the plans and processes of the district school board  
1350 and the local governments are to be coordinated. ~~The interlocal~~  
1351 ~~agreements shall be submitted to the state land planning agency~~  
1352 ~~and the Office of Educational Facilities in accordance with a~~  
1353 ~~schedule published by the state land planning agency.~~

1354 ~~(b) The schedule must establish staggered due dates for~~  
1355 ~~submission of interlocal agreements that are executed by both~~  
1356 ~~the local government and district school board, commencing on~~  
1357 ~~March 1, 2003, and concluding by December 1, 2004, and must set~~  
1358 ~~the same date for all governmental entities within a school~~  
1359 ~~district. However, if the county where the school district is~~  
1360 ~~located contains more than 20 municipalities, the state land~~  
1361 ~~planning agency may establish staggered due dates for the~~  
1362 ~~submission of interlocal agreements by these municipalities. The~~  
1363 ~~schedule must begin with those areas where both the number of~~

577-02854-12

2012842c2

1364 ~~districtwide capital outlay full-time equivalent students equals~~  
1365 ~~80 percent or more of the current year's school capacity and the~~  
1366 ~~projected 5-year student growth rate is 1,000 or greater, or~~  
1367 ~~where the projected 5-year student growth rate is 10 percent or~~  
1368 ~~greater.~~

1369 ~~(c) If the student population has declined over the 5-year~~  
1370 ~~period preceding the due date for submittal of an interlocal~~  
1371 ~~agreement by the local government and the district school board,~~  
1372 ~~the local government and district school board may petition the~~  
1373 ~~state land planning agency for a waiver of one or more of the~~  
1374 ~~requirements of subsection (3). The waiver must be granted if~~  
1375 ~~the procedures called for in subsection (3) are unnecessary~~  
1376 ~~because of the school district's declining school age~~  
1377 ~~population, considering the district's 5-year work program~~  
1378 ~~prepared pursuant to s. 1013.35. The state land planning agency~~  
1379 ~~may modify or revoke the waiver upon a finding that the~~  
1380 ~~conditions upon which the waiver was granted no longer exist.~~  
1381 ~~The district school board and local governments must submit an~~  
1382 ~~interlocal agreement within 1 year after notification by the~~  
1383 ~~state land planning agency that the conditions for a waiver no~~  
1384 ~~longer exist.~~

1385 ~~(d) Interlocal agreements between local governments and~~  
1386 ~~district school boards adopted pursuant to s. 163.3177 before~~  
1387 ~~the effective date of subsections (2)-(7) must be updated and~~  
1388 ~~executed pursuant to the requirements of subsections (2)-(7), if~~  
1389 ~~necessary. Amendments to interlocal agreements adopted pursuant~~  
1390 ~~to subsections (2)-(7) must be submitted to the state land~~  
1391 ~~planning agency within 30 days after execution by the parties~~  
1392 ~~for review consistent with subsections (3) and (4). Local~~

577-02854-12

2012842c2

1393 ~~governments and the district school board in each school~~  
1394 ~~district are encouraged to adopt a single interlocal agreement~~  
1395 ~~in which all join as parties. The state land planning agency~~  
1396 ~~shall assemble and make available model interlocal agreements~~  
1397 ~~meeting the requirements of subsections (2)-(7) and shall notify~~  
1398 ~~local governments and, jointly with the Department of Education,~~  
1399 ~~the district school boards of the requirements of subsections~~  
1400 ~~(2)-(7), the dates for compliance, and the sanctions for~~  
1401 ~~noncompliance. The state land planning agency shall be available~~  
1402 ~~to informally review proposed interlocal agreements. If the~~  
1403 ~~state land planning agency has not received a proposed~~  
1404 ~~interlocal agreement for informal review, the state land~~  
1405 ~~planning agency shall, at least 60 days before the deadline for~~  
1406 ~~submission of the executed agreement, renotify the local~~  
1407 ~~government and the district school board of the upcoming~~  
1408 ~~deadline and the potential for sanctions.~~

1409 ~~(3) At a minimum, the interlocal agreement must address~~  
1410 ~~interlocal agreement requirements in s. 163.31777 and, if~~  
1411 ~~applicable, s. 163.3180(6), and must address the following~~  
1412 ~~issues:~~

1413 ~~(a) A process by which each local government and the~~  
1414 ~~district school board agree and base their plans on consistent~~  
1415 ~~projections of the amount, type, and distribution of population~~  
1416 ~~growth and student enrollment. The geographic distribution of~~  
1417 ~~jurisdiction-wide growth forecasts is a major objective of the~~  
1418 ~~process.~~

1419 ~~(b) A process to coordinate and share information relating~~  
1420 ~~to existing and planned public school facilities, including~~  
1421 ~~school renovations and closures, and local government plans for~~

577-02854-12

2012842c2

1422 ~~development and redevelopment.~~

1423 ~~(c) Participation by affected local governments with the~~  
1424 ~~district school board in the process of evaluating potential~~  
1425 ~~school closures, significant renovations to existing schools,~~  
1426 ~~and new school site selection before land acquisition. Local~~  
1427 ~~governments shall advise the district school board as to the~~  
1428 ~~consistency of the proposed closure, renovation, or new site~~  
1429 ~~with the local comprehensive plan, including appropriate~~  
1430 ~~circumstances and criteria under which a district school board~~  
1431 ~~may request an amendment to the comprehensive plan for school~~  
1432 ~~siting.~~

1433 ~~(d) A process for determining the need for and timing of~~  
1434 ~~onsite and offsite improvements to support new construction,~~  
1435 ~~proposed expansion, or redevelopment of existing schools. The~~  
1436 ~~process shall address identification of the party or parties~~  
1437 ~~responsible for the improvements.~~

1438 ~~(e) A process for the school board to inform the local~~  
1439 ~~government regarding the effect of comprehensive plan amendments~~  
1440 ~~on school capacity. The capacity reporting must be consistent~~  
1441 ~~with laws and rules regarding measurement of school facility~~  
1442 ~~capacity and must also identify how the district school board~~  
1443 ~~will meet the public school demand based on the facilities work~~  
1444 ~~program adopted pursuant to s. 1013.35.~~

1445 ~~(f) Participation of the local governments in the~~  
1446 ~~preparation of the annual update to the school board's 5-year~~  
1447 ~~district facilities work program and educational plant survey~~  
1448 ~~prepared pursuant to s. 1013.35.~~

1449 ~~(g) A process for determining where and how joint use of~~  
1450 ~~either school board or local government facilities can be shared~~

577-02854-12

2012842c2

1451 ~~for mutual benefit and efficiency.~~

1452 ~~(h) A procedure for the resolution of disputes between the~~  
1453 ~~district school board and local governments, which may include~~  
1454 ~~the dispute resolution processes contained in chapters 164 and~~  
1455 ~~186.~~

1456 ~~(i) An oversight process, including an opportunity for~~  
1457 ~~public participation, for the implementation of the interlocal~~  
1458 ~~agreement.~~

1459 ~~(4) (a) The Office of Educational Facilities shall submit~~  
1460 ~~any comments or concerns regarding the executed interlocal~~  
1461 ~~agreement to the state land planning agency within 30 days after~~  
1462 ~~receipt of the executed interlocal agreement. The state land~~  
1463 ~~planning agency shall review the executed interlocal agreement~~  
1464 ~~to determine whether it is consistent with the requirements of~~  
1465 ~~subsection (3), the adopted local government comprehensive plan,~~  
1466 ~~and other requirements of law. Within 60 days after receipt of~~  
1467 ~~an executed interlocal agreement, the state land planning agency~~  
1468 ~~shall publish a notice of intent in the Florida Administrative~~  
1469 ~~Weekly and shall post a copy of the notice on the agency's~~  
1470 ~~Internet site. The notice of intent must state that the~~  
1471 ~~interlocal agreement is consistent or inconsistent with the~~  
1472 ~~requirements of subsection (3) and this subsection as~~  
1473 ~~appropriate.~~

1474 ~~(b) The state land planning agency's notice is subject to~~  
1475 ~~challenge under chapter 120; however, an affected person, as~~  
1476 ~~defined in s. 163.3184(1) (a), has standing to initiate the~~  
1477 ~~administrative proceeding, and this proceeding is the sole means~~  
1478 ~~available to challenge the consistency of an interlocal~~  
1479 ~~agreement required by this section with the criteria contained~~

577-02854-12

2012842c2

1480 ~~in subsection (3) and this subsection. In order to have~~  
1481 ~~standing, each person must have submitted oral or written~~  
1482 ~~comments, recommendations, or objections to the local government~~  
1483 ~~or the school board before the adoption of the interlocal~~  
1484 ~~agreement by the district school board and local government. The~~  
1485 ~~district school board and local governments are parties to any~~  
1486 ~~such proceeding. In this proceeding, when the state land~~  
1487 ~~planning agency finds the interlocal agreement to be consistent~~  
1488 ~~with the criteria in subsection (3) and this subsection, the~~  
1489 ~~interlocal agreement must be determined to be consistent with~~  
1490 ~~subsection (3) and this subsection if the local government's and~~  
1491 ~~school board's determination of consistency is fairly debatable.~~  
1492 ~~When the state land planning agency finds the interlocal~~  
1493 ~~agreement to be inconsistent with the requirements of subsection~~  
1494 ~~(3) and this subsection, the local government's and school~~  
1495 ~~board's determination of consistency shall be sustained unless~~  
1496 ~~it is shown by a preponderance of the evidence that the~~  
1497 ~~interlocal agreement is inconsistent.~~

1498 ~~(c) If the state land planning agency enters a final order~~  
1499 ~~that finds that the interlocal agreement is inconsistent with~~  
1500 ~~the requirements of subsection (3) or this subsection, the state~~  
1501 ~~land planning agency shall forward it to the Administration~~  
1502 ~~Commission, which may impose sanctions against the local~~  
1503 ~~government pursuant to s. 163.3184(11) and may impose sanctions~~  
1504 ~~against the district school board by directing the Department of~~  
1505 ~~Education to withhold an equivalent amount of funds for school~~  
1506 ~~construction available pursuant to ss. 1013.65, 1013.68,~~  
1507 ~~1013.70, and 1013.72.~~

1508 ~~(5) If an executed interlocal agreement is not timely~~

577-02854-12

2012842c2

1509 ~~submitted to the state land planning agency for review, the~~  
1510 ~~state land planning agency shall, within 15 working days after~~  
1511 ~~the deadline for submittal, issue to the local government and~~  
1512 ~~the district school board a notice to show cause why sanctions~~  
1513 ~~should not be imposed for failure to submit an executed~~  
1514 ~~interlocal agreement by the deadline established by the agency.~~  
1515 ~~The agency shall forward the notice and the responses to the~~  
1516 ~~Administration Commission, which may enter a final order citing~~  
1517 ~~the failure to comply and imposing sanctions against the local~~  
1518 ~~government and district school board by directing the~~  
1519 ~~appropriate agencies to withhold at least 5 percent of state~~  
1520 ~~funds pursuant to s. 163.3184(11) and by directing the~~  
1521 ~~Department of Education to withhold from the district school~~  
1522 ~~board at least 5 percent of funds for school construction~~  
1523 ~~available pursuant to ss. 1013.65, 1013.68, 1013.70, and~~  
1524 ~~1013.72.~~

1525 ~~(6) Any local government transmitting a public school~~  
1526 ~~element to implement school concurrency pursuant to the~~  
1527 ~~requirements of s. 163.3180 before the effective date of this~~  
1528 ~~section is not required to amend the element or any interlocal~~  
1529 ~~agreement to conform with the provisions of subsections (2)-(6)~~  
1530 ~~if the element is adopted prior to or within 1 year after the~~  
1531 ~~effective date of subsections (2)-(6) and remains in effect.~~

1532 (3)~~(7)~~ A board and the local governing body must share and  
1533 coordinate information related to existing and planned school  
1534 facilities; proposals for development, redevelopment, or  
1535 additional development; and infrastructure required to support  
1536 the school facilities, concurrent with proposed development. A  
1537 school board shall use information produced by the demographic,

577-02854-12

2012842c2

1538 revenue, and education estimating conferences pursuant to s.  
1539 216.136 when preparing the district educational facilities plan  
1540 pursuant to s. 1013.35, as modified and agreed to by the local  
1541 governments, when provided by interlocal agreement, and the  
1542 Office of Educational Facilities, in consideration of local  
1543 governments' population projections, to ensure that the district  
1544 educational facilities plan not only reflects enrollment  
1545 projections but also considers applicable municipal and county  
1546 growth and development projections. The projections must be  
1547 apportioned geographically with assistance from the local  
1548 governments using local government trend data and the school  
1549 district student enrollment data. A school board is precluded  
1550 from siting a new school in a jurisdiction where the school  
1551 board has failed to provide the annual educational facilities  
1552 plan for the prior year required pursuant to s. 1013.35 unless  
1553 the failure is corrected.

1554 (4)~~(8)~~ The location of educational facilities shall be  
1555 consistent with the comprehensive plan of the appropriate local  
1556 governing body developed under part II of chapter 163 and  
1557 consistent with the plan's implementing land development  
1558 regulations.

1559 (5)~~(9)~~ To improve coordination relative to potential  
1560 educational facility sites, a board shall provide written notice  
1561 to the local government that has regulatory authority over the  
1562 use of the land consistent with an interlocal agreement entered  
1563 pursuant to s. 163.31777 ~~subsections (2) — (6)~~ at least 60 days  
1564 before ~~prior to~~ acquiring or leasing property that may be used  
1565 for a new public educational facility. The local government,  
1566 upon receipt of this notice, shall notify the board within 45

577-02854-12

2012842c2

1567 days if the site proposed for acquisition or lease is consistent  
1568 with the land use categories and policies of the local  
1569 government's comprehensive plan. This preliminary notice does  
1570 not constitute the local government's determination of  
1571 consistency pursuant to subsection (6) ~~(10)~~.

1572 (6) ~~(10)~~ As early in the design phase as feasible and  
1573 consistent with an interlocal agreement entered pursuant to s.  
1574 163.31777 ~~subsections (2)-(6)~~, but no later than 90 days before  
1575 commencing construction, the district school board shall in  
1576 writing request a determination of consistency with the local  
1577 government's comprehensive plan. The local governing body that  
1578 regulates the use of land shall determine, in writing within 45  
1579 days after receiving the necessary information and a school  
1580 board's request for a determination, whether a proposed  
1581 educational facility is consistent with the local comprehensive  
1582 plan and consistent with local land development regulations. If  
1583 the determination is affirmative, school construction may  
1584 commence and further local government approvals are not  
1585 required, except as provided in this section. Failure of the  
1586 local governing body to make a determination in writing within  
1587 90 days after a district school board's request for a  
1588 determination of consistency shall be considered an approval of  
1589 the district school board's application. Campus master plans and  
1590 development agreements must comply with the provisions of s.  
1591 1013.30.

1592 (7) ~~(11)~~ A local governing body may not deny the site  
1593 applicant based on adequacy of the site plan as it relates  
1594 solely to the needs of the school. If the site is consistent  
1595 with the comprehensive plan's land use policies and categories

577-02854-12

2012842c2

1596 in which public schools are identified as allowable uses, the  
1597 local government may not deny the application but it may impose  
1598 reasonable development standards and conditions in accordance  
1599 with s. 1013.51(1) and consider the site plan and its adequacy  
1600 as it relates to environmental concerns, health, safety and  
1601 welfare, and effects on adjacent property. Standards and  
1602 conditions may not be imposed which conflict with those  
1603 established in this chapter or the Florida Building Code, unless  
1604 mutually agreed and consistent with the interlocal agreement  
1605 required by s. 163.31777 ~~subsections (2)-(6)~~.

1606 (8) ~~(12)~~ This section does not prohibit a local governing  
1607 body and district school board from agreeing and establishing an  
1608 alternative process for reviewing a proposed educational  
1609 facility and site plan, and offsite impacts, pursuant to an  
1610 interlocal agreement adopted in accordance with s. 163.31777  
1611 ~~subsections (2)-(6)~~.

1612 (9) ~~(13)~~ Existing schools shall be considered consistent  
1613 with the applicable local government comprehensive plan adopted  
1614 under part II of chapter 163. If a board submits an application  
1615 to expand an existing school site, the local governing body may  
1616 impose reasonable development standards and conditions on the  
1617 expansion only, and in a manner consistent with s. 1013.51(1).  
1618 Standards and conditions may not be imposed which conflict with  
1619 those established in this chapter or the Florida Building Code,  
1620 unless mutually agreed. Local government review or approval is  
1621 not required for:

1622 (a) The placement of temporary or portable classroom  
1623 facilities; or

1624 (b) Proposed renovation or construction on existing school

577-02854-12

2012842c2

1625 sites, with the exception of construction that changes the  
1626 primary use of a facility, includes stadiums, or results in a  
1627 greater than 5 percent increase in student capacity, or as  
1628 mutually agreed upon, pursuant to an interlocal agreement  
1629 adopted in accordance with s. 163.31777 ~~subsections (2)-(6)~~.

1630 Section 20. Paragraph (b) of subsection (2) of section  
1631 1013.35, Florida Statutes, is amended to read:

1632 1013.35 School district educational facilities plan;  
1633 definitions; preparation, adoption, and amendment; long-term  
1634 work programs.—

1635 (2) PREPARATION OF TENTATIVE DISTRICT EDUCATIONAL  
1636 FACILITIES PLAN.—

1637 (b) The plan must also include a financially feasible  
1638 district facilities work program for a 5-year period. The work  
1639 program must include:

1640 1. A schedule of major repair and renovation projects  
1641 necessary to maintain the educational facilities and ancillary  
1642 facilities of the district.

1643 2. A schedule of capital outlay projects necessary to  
1644 ensure the availability of satisfactory student stations for the  
1645 projected student enrollment in K-12 programs. This schedule  
1646 shall consider:

1647 a. The locations, capacities, and planned utilization rates  
1648 of current educational facilities of the district. The capacity  
1649 of existing satisfactory facilities, as reported in the Florida  
1650 Inventory of School Houses must be compared to the capital  
1651 outlay full-time-equivalent student enrollment as determined by  
1652 the department, including all enrollment used in the calculation  
1653 of the distribution formula in s. 1013.64.

577-02854-12

2012842c2

1654           b. The proposed locations of planned facilities, whether  
1655 those locations are consistent with the comprehensive plans of  
1656 all affected local governments, and recommendations for  
1657 infrastructure and other improvements to land adjacent to  
1658 existing facilities. The provisions of ss. 1013.33(6), (7), and  
1659 (8) ~~ss. 1013.33(10), (11), and (12)~~ and 1013.36 must be  
1660 addressed for new facilities planned within the first 3 years of  
1661 the work plan, as appropriate.

1662           c. Plans for the use and location of relocatable  
1663 facilities, leased facilities, and charter school facilities.

1664           d. Plans for multitrack scheduling, grade level  
1665 organization, block scheduling, or other alternatives that  
1666 reduce the need for additional permanent student stations.

1667           e. Information concerning average class size and  
1668 utilization rate by grade level within the district which will  
1669 result if the tentative district facilities work program is  
1670 fully implemented.

1671           f. The number and percentage of district students planned  
1672 to be educated in relocatable facilities during each year of the  
1673 tentative district facilities work program. For determining  
1674 future needs, student capacity may not be assigned to any  
1675 relocatable classroom that is scheduled for elimination or  
1676 replacement with a permanent educational facility in the current  
1677 year of the adopted district educational facilities plan and in  
1678 the district facilities work program adopted under this section.  
1679 Those relocatable classrooms clearly identified and scheduled  
1680 for replacement in a school-board-adopted, financially feasible,  
1681 5-year district facilities work program shall be counted at zero  
1682 capacity at the time the work program is adopted and approved by

577-02854-12

2012842c2

1683 the school board. However, if the district facilities work  
1684 program is changed and the relocatable classrooms are not  
1685 replaced as scheduled in the work program, the classrooms must  
1686 be reentered into the system and be counted at actual capacity.  
1687 Relocatable classrooms may not be perpetually added to the work  
1688 program or continually extended for purposes of circumventing  
1689 this section. All relocatable classrooms not identified and  
1690 scheduled for replacement, including those owned, lease-  
1691 purchased, or leased by the school district, must be counted at  
1692 actual student capacity. The district educational facilities  
1693 plan must identify the number of relocatable student stations  
1694 scheduled for replacement during the 5-year survey period and  
1695 the total dollar amount needed for that replacement.

1696 g. Plans for the closure of any school, including plans for  
1697 disposition of the facility or usage of facility space, and  
1698 anticipated revenues.

1699 h. Projects for which capital outlay and debt service funds  
1700 accruing under s. 9(d), Art. XII of the State Constitution are  
1701 to be used shall be identified separately in priority order on a  
1702 project priority list within the district facilities work  
1703 program.

1704 3. The projected cost for each project identified in the  
1705 district facilities work program. For proposed projects for new  
1706 student stations, a schedule shall be prepared comparing the  
1707 planned cost and square footage for each new student station, by  
1708 elementary, middle, and high school levels, to the low, average,  
1709 and high cost of facilities constructed throughout the state  
1710 during the most recent fiscal year for which data is available  
1711 from the Department of Education.

577-02854-12

2012842c2

1712 4. A schedule of estimated capital outlay revenues from  
1713 each currently approved source which is estimated to be  
1714 available for expenditure on the projects included in the  
1715 district facilities work program.

1716 5. A schedule indicating which projects included in the  
1717 district facilities work program will be funded from current  
1718 revenues projected in subparagraph 4.

1719 6. A schedule of options for the generation of additional  
1720 revenues by the district for expenditure on projects identified  
1721 in the district facilities work program which are not funded  
1722 under subparagraph 5. Additional anticipated revenues may  
1723 include effort index grants, SIT Program awards, and Classrooms  
1724 First funds.

1725 Section 21. Subsections (3), (5), (6), (7), (8), (9), (10),  
1726 and (11) of section 1013.351, Florida Statutes, are amended to  
1727 read:

1728 1013.351 Coordination of planning between the Florida  
1729 School for the Deaf and the Blind and local governing bodies.—

1730 (3) The board of trustees and the municipality in which the  
1731 school is located may enter into an interlocal agreement to  
1732 establish the specific ways in which the plans and processes of  
1733 the board of trustees and the local government are to be  
1734 coordinated. ~~If the school and local government enter into an~~  
1735 ~~interlocal agreement, the agreement must be submitted to the~~  
1736 ~~state land planning agency and the Office of Educational~~  
1737 ~~Facilities.~~

1738 ~~(5) (a) The Office of Educational Facilities shall submit~~  
1739 ~~any comments or concerns regarding the executed interlocal~~  
1740 ~~agreements to the state land planning agency no later than 30~~

577-02854-12

2012842c2

1741 ~~days after receipt of the executed interlocal agreements. The~~  
1742 ~~state land planning agency shall review the executed interlocal~~  
1743 ~~agreements to determine whether they are consistent with the~~  
1744 ~~requirements of subsection (4), the adopted local government~~  
1745 ~~comprehensive plans, and other requirements of law. Not later~~  
1746 ~~than 60 days after receipt of an executed interlocal agreement,~~  
1747 ~~the state land planning agency shall publish a notice of intent~~  
1748 ~~in the Florida Administrative Weekly. The notice of intent must~~  
1749 ~~state that the interlocal agreement is consistent or~~  
1750 ~~inconsistent with the requirements of subsection (4) and this~~  
1751 ~~subsection as appropriate.~~

1752 ~~(b)1. The state land planning agency's notice is subject to~~  
1753 ~~challenge under chapter 120. However, an affected person, as~~  
1754 ~~defined in s. 163.3184, has standing to initiate the~~  
1755 ~~administrative proceeding, and this proceeding is the sole means~~  
1756 ~~available to challenge the consistency of an interlocal~~  
1757 ~~agreement with the criteria contained in subsection (4) and this~~  
1758 ~~subsection. In order to have standing, a person must have~~  
1759 ~~submitted oral or written comments, recommendations, or~~  
1760 ~~objections to the appropriate local government or the board of~~  
1761 ~~trustees before the adoption of the interlocal agreement by the~~  
1762 ~~board of trustees and local government. The board of trustees~~  
1763 ~~and the appropriate local government are parties to any such~~  
1764 ~~proceeding.~~

1765 ~~2. In the administrative proceeding, if the state land~~  
1766 ~~planning agency finds the interlocal agreement to be consistent~~  
1767 ~~with the criteria in subsection (4) and this subsection, the~~  
1768 ~~interlocal agreement must be determined to be consistent with~~  
1769 ~~subsection (4) and this subsection if the local government and~~

577-02854-12

2012842c2

1770 ~~board of trustees is fairly debatable.~~

1771 ~~3. If the state land planning agency finds the interlocal~~  
1772 ~~agreement to be inconsistent with the requirements of subsection~~  
1773 ~~(4) and this subsection, the determination of consistency by the~~  
1774 ~~local government and board of trustees shall be sustained unless~~  
1775 ~~it is shown by a preponderance of the evidence that the~~  
1776 ~~interlocal agreement is inconsistent.~~

1777 ~~(c) If the state land planning agency enters a final order~~  
1778 ~~that finds that the interlocal agreement is inconsistent with~~  
1779 ~~the requirements of subsection (4) or this subsection, the state~~  
1780 ~~land planning agency shall identify the issues in dispute and~~  
1781 ~~submit the matter to the Administration Commission for final~~  
1782 ~~action. The report to the Administration Commission must list~~  
1783 ~~each issue in dispute, describe the nature and basis for each~~  
1784 ~~dispute, identify alternative resolutions of each dispute, and~~  
1785 ~~make recommendations. After receiving the report from the state~~  
1786 ~~land planning agency, the Administration Commission shall take~~  
1787 ~~action to resolve the issues. In deciding upon a proper~~  
1788 ~~resolution, the Administration Commission shall consider the~~  
1789 ~~nature of the issues in dispute, the compliance of the parties~~  
1790 ~~with this section, the extent of the conflict between the~~  
1791 ~~parties, the comparative hardships, and the public interest~~  
1792 ~~involved. In resolving the matter, the Administration Commission~~  
1793 ~~may prescribe, by order, the contents of the interlocal~~  
1794 ~~agreement which shall be executed by the board of trustees and~~  
1795 ~~the local government.~~

1796 ~~(5)-(6)~~ An interlocal agreement may be amended under  
1797 subsections (2)-(4) ~~(2)-(5)~~:

1798 (a) In conjunction with updates to the school's educational

577-02854-12

2012842c2

1799 plant survey prepared under s. 1013.31; or

1800 (b) If either party delays by more than 12 months the  
1801 construction of a capital improvement identified in the  
1802 agreement.

1803 (6)~~(7)~~ This section does not prohibit a local governing  
1804 body and the board of trustees from agreeing and establishing an  
1805 alternative process for reviewing proposed expansions to the  
1806 school's campus and offsite impacts, under the interlocal  
1807 agreement adopted in accordance with subsections (2)-(5) ~~(2)-~~  
1808 ~~(6)~~.

1809 (7)~~(8)~~ School facilities within the geographic area or the  
1810 campus of the school as it existed on or before January 1, 1998,  
1811 are consistent with the local government's comprehensive plan  
1812 developed under part II of chapter 163 and consistent with the  
1813 plan's implementing land development regulations.

1814 (8)~~(9)~~ To improve coordination relative to potential  
1815 educational facility sites, the board of trustees shall provide  
1816 written notice to the local governments consistent with the  
1817 interlocal agreements entered under subsections (2)-(5) ~~(2)-(6)~~  
1818 at least 60 days before the board of trustees acquires any  
1819 additional property. The local government shall notify the board  
1820 of trustees no later than 45 days after receipt of this notice  
1821 if the site proposed for acquisition is consistent with the land  
1822 use categories and policies of the local government's  
1823 comprehensive plan. This preliminary notice does not constitute  
1824 the local government's determination of consistency under  
1825 subsection (9) ~~(10)~~.

1826 (9)~~(10)~~ As early in the design phase as feasible, but no  
1827 later than 90 days before commencing construction, the board of

577-02854-12

2012842c2

1828 trustees shall request in writing a determination of consistency  
1829 with the local government's comprehensive plan and local  
1830 development regulations for the proposed use of any property  
1831 acquired by the board of trustees on or after January 1, 1998.  
1832 The local governing body that regulates the use of land shall  
1833 determine, in writing, no later than 45 days after receiving the  
1834 necessary information and a school board's request for a  
1835 determination, whether a proposed use of the property is  
1836 consistent with the local comprehensive plan and consistent with  
1837 local land development regulations. If the local governing body  
1838 determines the proposed use is consistent, construction may  
1839 commence and additional local government approvals are not  
1840 required, except as provided in this section. Failure of the  
1841 local governing body to make a determination in writing within  
1842 90 days after receiving the board of trustees' request for a  
1843 determination of consistency shall be considered an approval of  
1844 the board of trustees' application. This subsection does not  
1845 apply to facilities to be located on the property if a contract  
1846 for construction of the facilities was entered on or before the  
1847 effective date of this act.

1848 (10)~~(11)~~ Disputes that arise in the implementation of an  
1849 executed interlocal agreement or in the determinations required  
1850 pursuant to subsection (8) ~~(9)~~ or subsection (9) ~~(10)~~ must be  
1851 resolved in accordance with chapter 164.

1852 Section 22. Subsection (6) of section 1013.36, Florida  
1853 Statutes, is amended to read:

1854 1013.36 Site planning and selection.—

1855 (6) If the school board and local government have entered  
1856 into an interlocal agreement pursuant to s. 1013.33(2) and

577-02854-12

2012842c2

1857 ~~either s. 163.3177(6)(h)4. or~~ s. 163.31777 or have developed a  
1858 process to ensure consistency between the local government  
1859 comprehensive plan and the school district educational  
1860 facilities plan, site planning and selection must be consistent  
1861 with the interlocal agreements and the plans.

1862 Section 23. This act shall take effect upon becoming a law.
