I. SUBSTANTIVE INFORMATION

A. EFFECT OF CHANGES:

Present Situation

Chapters 561-565 and 567-568, F.S., comprise Florida's beverage law. The Division of Alcoholic Beverages and Tobacco (division) within the Department of Business and Professional Regulation is responsible for the enforcement of these statutes.¹ Section 561.422, F.S., authorizes "nonprofit civic organizations" to apply for up to three temporary alcoholic beverage permits for a period not to exceed three days, subject to any other state, municipal, or county ordinance regulating the time for selling alcoholic beverages. The permit requires that the alcoholic beverages may only be consumed on the premises.

Upon the filing of an application, the nonprofit civic organization must present a local building or zoning permit, and pay a fee of \$25 per permit. All net profits from sales of alcoholic beverages collected during the permit period must be retained by the nonprofit civic organization. Individual nonprofit civic organizations are limited to three permits per calendar year.

Over the past five years, the Legislature has passed legislation that authorizes the division to issue up to 15 additional temporary permits to nonprofit organizations in designated sections of the following cities: St. Petersburg,² Tallahassee,³ Leesburg,⁴ Eustis,⁵ Tavares,⁶ and Mount Dora.⁷ The chart below contains data from the division on the actual number of additional temporary permits issued.
