Senator Detert moved the following:

**Senate Amendment (with title amendment)**

Delete lines 1170 - 1237

and insert:

5. For a project that requires local commitment, the total cumulative local financial commitment and in-kind support for the project.

(c) Participant business information.-

1. The location of the headquarters of the participant business or, if a subsidiary, the headquarters of the parent company.

2. The firm size class of the participant business, or where owned by a parent company the firm size class of the

699562

14 participant business's parent company, using the firm size  
15 classes established by the United States Department of Labor  
16 Bureau of Labor Statistics, and whether the participant business  
17 qualifies as a small business as defined in s. 288.703.

18 3. The date of the project award.

19 4. The expected duration of the contract.

20 5. The anticipated dates when the participant business will  
21 claim the last state investment.

22 (d) Project evaluation criteria.—Economic benefits  
23 generated by the project.

24 (e) Project performance goals.—

25 1. The incremental direct jobs attributable to the project,  
26 identifying the number of jobs generated and the number of jobs  
27 retained.

28 2. The number of jobs generated and the number of jobs  
29 retained by the project, and for projects commencing after  
30 October 1, 2013, the average annual wage of persons holding such  
31 jobs.

32 3. The incremental direct capital investment in the state  
33 generated by the project.

34 (f) Total state investment to date.—The total amount of  
35 state investment disbursed to the participant business to date  
36 under the terms of the contract, itemized by incentive program.

37 (4) The department shall calculate and publish on its  
38 website the economic benefits of each project within 48 hours  
39 after the conclusion of the agreement between each participant  
40 business and the department. The department shall work with the  
41 Office of Economic and Demographic Research to provide a  
42 description of the methodology used to calculate the economic

699562

43 benefits of a project, and the department must publish the  
44 information on its website.

45 (5) At least annually, from the project award date, the  
46 department shall:

47 (a) Publish verified results to update the information  
48 described in paragraphs (3) (b)-(f) to accurately reflect any  
49 changes in the published information since the project award  
50 date.

51 (b) Publish on its website the date on which the  
52 information collected and published for each project was last  
53 updated.

54 (6) Annually, the department shall publish information  
55 relating to the progress of Quick Action Closing Fund projects,  
56 including the average number of days between the date the  
57 department receives a completed application and the date on  
58 which the application is approved.

59 (7) (a) Within 48 hours after expiration of the period of  
60 confidentiality provided under s. 288.075, the department shall  
61 publish the contract or agreement described in s. 288.061,  
62 redacted to protect the participant business from disclosure of  
63 information that remains confidential or exempt by law.

64  
65 ===== T I T L E A M E N D M E N T =====

66 And the title is amended as follows:

67 Delete lines 137 - 144

68 and insert:

69 development programs; requiring the department to work  
70 with the Office of Economic and Demographic Research  
71 to provide a description of specified methodology and

699562

72  
73

requiring the department to publish such description  
on its website; providing
