A bill to be entitled

An act relating to emergency communication systems; amending s. 365.172, F.S.; extending the date for which the E911 fee may not be collected for prepaid calling arrangements and from prepaid wireless service providers; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

2.1

Section 1. Paragraph (a) of subsection (8) of section 365.172, Florida Statutes, is amended to read:

365.172 Emergency communications number "E911."-

- (8) E911 FEE.—
- (a) Each voice communications services provider shall collect the fee described in this subsection. Each provider, as part of its monthly billing process, shall bill the fee as follows. The fee $\underline{\text{may}}$ shall not be assessed on any pay telephone in the state.
- 1. Each voice communications service provider other than a wireless provider shall bill the fee to a subscriber based on the number of access lines having access to the E911 system, on a service-identifier basis, up to a maximum of 25 access lines per account bill rendered.
- 2. Each voice communications service provider other than a wireless provider shall bill the fee to a subscriber on a basis of five service-identified access lines for each digital transmission link, including primary rate interface service or equivalent Digital-Signal-1-level service, which can be channelized and split into 23 or 24 voice-grade or data-grade

channels for communications, up to a maximum of 25 access lines per account bill rendered.

- 3. Except in the case of prepaid wireless service, each wireless provider shall bill the fee to a subscriber on a perservice-identifier basis for service identifiers whose primary place of use is within this state. Before July 1, $\underline{2015}$ $\underline{2013}$, the fee $\underline{\text{may}}$ shall not be assessed on or collected from a provider with respect to an end user's service if that end user's service is a prepaid calling arrangement that is subject to s. 212.05(1) (e).
- a. An E911 fee $\underline{\text{may}}$ shall not be collected from the sale of prepaid wireless service before July 1, 2015 $\frac{2013}{2013}$.
 - b. For purposes of this section, the term:
- (I) "Prepaid wireless service" means the right to access telecommunications services, which must be paid for in advance and sold in predetermined units or dollars enabling the originator to make calls such that the number of units or dollars declines with use in a known amount.
- (II) "Prepaid wireless service providers" includes those persons who sell prepaid wireless service regardless of its form, as a retailer or reseller.
- 4. The voice communications services providers not addressed under subparagraphs 1., 2., and 3. shall bill the fee on a per-service-identifier basis for service identifiers whose primary place of use is within the state up to a maximum of 25 service identifiers for each account bill rendered.

The provider may list the fee as a separate entry on each bill, in which case the fee must be identified as a fee for E911
