13  
 14           Section 1. Confidentiality of certain information  
 15 contained in dental workforce surveys.-

16           (1) All personal identifying information contained in  
 17 records provided by dentists or dental hygienists licensed under  
 18 chapter 466, Florida Statutes, in response to dental workforce  
 19 surveys and held by the Department of Health is confidential and  
 20 exempt from s. 119.07(1), Florida Statutes, and s. 24(a),  
 21 Article I of the State Constitution, except such information  
 22 shall be disclosed:

23           (a) With the express written consent of the individual to  
 24 whom the information pertains or the individual's legally  
 25 authorized representative.

29 Department of Health, maintains the records or data in  
30 accordance with the approved protocol, and enters into a  
31 purchase and data-use agreement with the department, the fee  
32 provisions of which are consistent with s. 119.07(4), Florida  
33 Statutes. The department may deny a request for records or data  
34 if the protocol provides for intrusive follow-back contacts,  
35 does not plan for the destruction of confidential records after  
36 the research is concluded, is administratively burdensome, or  
37 does not have scientific merit. The agreement must restrict the  
38 release of information that would identify individuals, limit  
39 the use of records or data to the approved research protocol,  
40 and prohibit any other use of the records or data. Copies of  
41 records or data issued pursuant to this paragraph remain the  
42 property of the department.

43 (2) This section is subject to the Open Government Sunset  
44 Review Act in accordance with s. 119.15, Florida Statutes, and  
45 shall stand repealed on October 2, 2018, unless reviewed and  
46 saved from repeal through reenactment by the Legislature.

47 Section 2. The Legislature finds that it is a public  
48 necessity that personal identifying information concerning a  
49 dentist or dental hygienist licensed under chapter 466, Florida  
50 Statutes, who responds to a dental workforce survey be made  
51 confidential and exempt from disclosure. Candid and honest  
52 responses by licensed dentists or dental hygienists to the  
53 workforce survey will ensure that timely and accurate  
54 information is available to the Department of Health. The  
55 Legislature finds that the failure to maintain the  
56 confidentiality of such personal identifying information would
