A bill to be entitled  
An act relating to charter schools; providing that the performance of certain transfer students, as measured by learning growth, may not be included in the performance evaluation of certain traditional public school personnel for a specified period; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Notwithstanding s. 1012.34(3)(a)1.a., Florida Statutes, if a student transfers to a traditional public school from a charter school at any time during a school year, his or her performance, as measured by learning growth, may not be included in the performance evaluation of his or her classroom teacher or the school's administrative or supervisory personnel for that school year.

Section 2. This act shall take effect July 1, 2013.
