110 ~~readily usable respecting the comprehensive health information~~  
111 ~~system.~~

112 ~~(c) Review the statistical activities of state agencies to~~  
113 ~~ensure that they are consistent with the comprehensive health~~  
114 ~~information system.~~

576-02901-13

115        (c) ~~(d)~~ Develop written agreements with local, state, and  
116 federal agencies for the sharing of health-care-related data or  
117 using the facilities and services of such agencies. State  
118 agencies, local health councils, and other agencies under state  
119 contract shall assist the agency center in obtaining, compiling,  
120 and transferring health-care-related data maintained by state  
121 and local agencies. ~~Written agreements must specify the types,~~  
122 ~~methods, and periodicity of data exchanges and specify the types~~  
123 ~~of data that will be transferred to the center.~~

124        (d) ~~(e)~~ Enable and facilitate the sharing and use of all  
125 state-collected health data to the maximum extent allowed by law  
126 ~~Establish by rule the types of data collected, compiled,~~  
127 ~~processed, used, or shared. Decisions regarding center data sets~~  
128 ~~should be made based on consultation with the State Consumer~~  
129 ~~Health Information and Policy Advisory Council and other public~~  
130 ~~and private users regarding the types of data which should be~~  
131 ~~collected and their uses. The center shall establish~~  
132 ~~standardized means for collecting health information and~~  
133 ~~statistics under laws and rules administered by the agency.~~

134        ~~(f) Establish minimum health-care-related data sets which~~  
135 ~~are necessary on a continuing basis to fulfill the collection~~  
136 ~~requirements of the center and which shall be used by state~~  
137 ~~agencies in collecting and compiling health-care-related data.~~  
138 ~~The agency shall periodically review ongoing health care data~~  
139 ~~collections of the Department of Health and other state agencies~~  
140 ~~to determine if the collections are being conducted in~~  
141 ~~accordance with the established minimum sets of data.~~

142        ~~(g) Establish advisory standards to ensure the quality of~~  
143 ~~health statistical and epidemiological data collection,~~

576-02901-13

144 processing, and analysis by local, state, and private  
145 organizations.

146 (e)-(h) Monitor data collection procedures, test data  
147 quality, and take such corrective actions as may be necessary to  
148 ensure that data and information disseminated under the  
149 initiative are accurate, valid, reliable, and complete Prescribe  
150 standards for the publication of health care related data  
151 reported pursuant to this section which ensure the reporting of  
152 accurate, valid, reliable, complete, and comparable data. Such  
153 standards should include advisory warnings to users of the data  
154 regarding the status and quality of any data reported by or  
155 available from the center.

156 (f)-(i) Initiate and maintain activities necessary to  
157 collect, edit, verify, archive, and retrieve Prescribe standards  
158 for the maintenance and preservation of the center's data. This  
159 should include methods for archiving data, retrieval of archived  
160 data, and data compiled pursuant to this section editing and  
161 verification.

162 (j) Ensure that strict quality control measures are  
163 maintained for the dissemination of data through publications,  
164 studies, or user requests.

165 (k) Develop, in conjunction with the State Consumer Health  
166 Information and Policy Advisory Council, and implement a long-  
167 range plan for making available health care quality measures and  
168 financial data that will allow consumers to compare health care  
169 services. The health care quality measures and financial data  
170 the agency must make available shall include, but is not limited  
171 to, pharmaceuticals, physicians, health care facilities, and  
172 health plans and managed care entities. The agency shall update

576-02901-13

173 the plan and report on the status of its implementation  
174 annually. The agency shall also make the plan and status report  
175 available to the public on its Internet website. As part of the  
176 plan, the agency shall identify the process and timeframes for  
177 implementation, any barriers to implementation, and  
178 recommendations of changes in the law that may be enacted by the  
179 legislature to eliminate the barriers. As preliminary elements  
180 of the plan, the agency shall:

181 1. Make available patient-safety indicators, inpatient  
182 quality indicators, and performance outcome and patient charge  
183 data collected from health care facilities pursuant to s.  
184 408.061(1)(a) and (2). The terms "patient-safety indicators" and  
185 "inpatient quality indicators" shall be as defined by the  
186 Centers for Medicare and Medicaid Services, the National Quality  
187 Forum, the Joint Commission on Accreditation of Healthcare  
188 Organizations, the Agency for Healthcare Research and Quality,  
189 the Centers for Disease Control and Prevention, or a similar  
190 national entity that establishes standards to measure the  
191 performance of health care providers, or by other states. The  
192 agency shall determine which conditions, procedures, health care  
193 quality measures, and patient charge data to disclose based upon  
194 input from the council. When determining which conditions and  
195 procedures are to be disclosed, the council and the agency shall  
196 consider variation in costs, variation in outcomes, and  
197 magnitude of variations and other relevant information. When  
198 determining which health care quality measures to disclose, the  
199 agency:

200 a. Shall consider such factors as volume of cases; average  
201 patient charges; average length of stay; complication rates;

576-02901-13

202 mortality rates; and infection rates, among others, which shall  
203 be adjusted for case mix and severity, if applicable.

204 b. May consider such additional measures that are adopted  
205 by the Centers for Medicare and Medicaid Studies, National  
206 Quality Forum, the Joint Commission on Accreditation of  
207 Healthcare Organizations, the Agency for Healthcare Research and  
208 Quality, Centers for Disease Control and Prevention, or a  
209 similar national entity that establishes standards to measure  
210 the performance of health care providers, or by other states.

211  
212 When determining which patient charge data to disclose, the  
213 agency shall include such measures as the average of  
214 undiscounted charges on frequently performed procedures and  
215 preventive diagnostic procedures, the range of procedure charges  
216 from highest to lowest, average net revenue per adjusted patient  
217 day, average cost per adjusted patient day, and average cost per  
218 admission, among others.

219 2. Make available performance measures, benefit design, and  
220 premium cost data from health plans licensed pursuant to chapter  
221 627 or chapter 641. The agency shall determine which health care  
222 quality measures and member and subscriber cost data to  
223 disclose, based upon input from the council. When determining  
224 which data to disclose, the agency shall consider information  
225 that may be required by either individual or group purchasers to  
226 assess the value of the product, which may include membership  
227 satisfaction, quality of care, current enrollment or membership,  
228 coverage areas, accreditation status, premium costs, plan costs,  
229 premium increases, range of benefits, copayments and  
230 deductibles, accuracy and speed of claims payment, credentials

576-02901-13

231 of physicians, number of providers, names of network providers,  
232 and hospitals in the network. Health plans shall make available  
233 to the agency any such data or information that is not currently  
234 reported to the agency or the office.

235 3. Determine the method and format for public disclosure of  
236 data reported pursuant to this paragraph. The agency shall make  
237 its determination based upon input from the State Consumer  
238 Health Information and Policy Advisory Council. At a minimum,  
239 the data shall be made available on the agency's Internet  
240 website in a manner that allows consumers to conduct an  
241 interactive search that allows them to view and compare the  
242 information for specific providers. The website must include  
243 such additional information as is determined necessary to ensure  
244 that the website enhances informed decisionmaking among  
245 consumers and health care purchasers, which shall include, at a  
246 minimum, appropriate guidance on how to use the data and an  
247 explanation of why the data may vary from provider to provider.

248 4. Publish on its website undiscounted charges for no fewer  
249 than 150 of the most commonly performed adult and pediatric  
250 procedures, including outpatient, inpatient, diagnostic, and  
251 preventative procedures.

252 (4) TECHNICAL ASSISTANCE.—

253 (a) The center shall provide technical assistance to  
254 persons or organizations engaged in health planning activities  
255 in the effective use of statistics collected and compiled by the  
256 center. The center shall also provide the following additional  
257 technical assistance services:

258 1. Establish procedures identifying the circumstances under  
259 which, the places at which, the persons from whom, and the

576-02901-13

260 methods by which a person may secure data from the center,  
261 including procedures governing requests, the ordering of  
262 requests, timeframes for handling requests, and other procedures  
263 necessary to facilitate the use of the center's data. To the  
264 extent possible, the center should provide current data timely  
265 in response to requests from public or private agencies.

266 2. Provide assistance to data sources and users in the  
267 areas of database design, survey design, sampling procedures,  
268 statistical interpretation, and data access to promote improved  
269 health care related data sets.

270 3. Identify health care data gaps and provide technical  
271 assistance to other public or private organizations for meeting  
272 documented health care data needs.

273 4. Assist other organizations in developing statistical  
274 abstracts of their data sets that could be used by the center.

275 5. Provide statistical support to state agencies with  
276 regard to the use of databases maintained by the center.

277 6. To the extent possible, respond to multiple requests for  
278 information not currently collected by the center or available  
279 from other sources by initiating data collection.

280 7. Maintain detailed information on data maintained by  
281 other local, state, federal, and private agencies in order to  
282 advise those who use the center of potential sources of data  
283 which are requested but which are not available from the center.

284 8. Respond to requests for data which are not available in  
285 published form by initiating special computer runs on data sets  
286 available to the center.

287 9. Monitor innovations in health information technology,  
288 informatics, and the exchange of health information and maintain

576-02901-13

289 ~~a repository of technical resources to support the development~~  
290 ~~of a health information network.~~

291 ~~(b) The agency shall administer, manage, and monitor grants~~  
292 ~~to not for profit organizations, regional health information~~  
293 ~~organizations, public health departments, or state agencies that~~  
294 ~~submit proposals for planning, implementation, or training~~  
295 ~~projects to advance the development of a health information~~  
296 ~~network. Any grant contract shall be evaluated to ensure the~~  
297 ~~effective outcome of the health information project.~~

298 ~~(c) The agency shall initiate, oversee, manage, and~~  
299 ~~evaluate the integration of health care data from each state~~  
300 ~~agency that collects, stores, and reports on health care issues~~  
301 ~~and make that data available to any health care practitioner~~  
302 ~~through a state health information network.~~

303 ~~(5) PUBLICATIONS; REPORTS; SPECIAL STUDIES.—The center~~  
304 ~~shall provide for the widespread dissemination of data which it~~  
305 ~~collects and analyzes. The center shall have the following~~  
306 ~~publication, reporting, and special study functions:~~

307 ~~(a) The center shall publish and make available~~  
308 ~~periodically to agencies and individuals health statistics~~  
309 ~~publications of general interest, including health plan consumer~~  
310 ~~reports and health maintenance organization member satisfaction~~  
311 ~~surveys; publications providing health statistics on topical~~  
312 ~~health policy issues; publications that provide health status~~  
313 ~~profiles of the people in this state; and other topical health~~  
314 ~~statistics publications.~~

315 ~~(b) The center shall publish, make available, and~~  
316 ~~disseminate, promptly and as widely as practicable, the results~~  
317 ~~of special health surveys, health care research, and health care~~

576-02901-13

evaluations conducted or supported under this section. Any publication by the center must include a statement of the limitations on the quality, accuracy, and completeness of the data.

(e) The center shall provide indexing, abstracting, translation, publication, and other services leading to a more effective and timely dissemination of health care statistics.

(d) The center shall be responsible for publishing and disseminating an annual report on the center's activities.

(e) The center shall be responsible, to the extent resources are available, for conducting a variety of special studies and surveys to expand the health care information and statistics available for health policy analyses, particularly for the review of public policy issues. The center shall develop a process by which users of the center's data are periodically surveyed regarding critical data needs and the results of the survey considered in determining which special surveys or studies will be conducted. The center shall select problems in health care for research, policy analyses, or special data collections on the basis of their local, regional, or state importance; the unique potential for definitive research on the problem; and opportunities for application of the study findings.

(4) ~~(6)~~ PROVIDER DATA REPORTING.—This section does not confer on the agency the power to demand or require that a health care provider or professional furnish information, records of interviews, written reports, statements, notes, memoranda, or data other than as expressly required by law.

(5) ~~(7)~~ HEALTH INFORMATION ENTERPRISE BUDGET; FEES.—

576-02901-13

347       (a) The agency shall implement the transparency initiative  
348 in a manner that recognizes state-collected data as an asset and  
349 rewards taxpayer investment in information collection and  
350 management ~~Legislature~~ intends that funding for the Florida  
351 Center for Health Information and Policy Analysis be  
352 appropriated from the General Revenue Fund.

353       (b) The agency ~~Florida Center for Health Information and~~  
354 ~~Policy Analysis~~ may apply for, and receive, and accept grants,  
355 gifts, and other payments, including property and services, from  
356 a ~~any~~ governmental or other public or private entity or person  
357 and make arrangements for as to the use of such funds same,  
358 including the undertaking of special studies and other projects  
359 relating to health-care-related topics. ~~Funds obtained pursuant~~  
360 ~~to this paragraph may not be used to offset annual~~  
361 ~~appropriations from the General Revenue Fund.~~

362       (c) The agency shall ensure that a vendor who enters into a  
363 contract with the state under this section does not inhibit or  
364 impede consumer access to state-collected health data and  
365 information center may charge such reasonable fees for services  
366 ~~as the agency prescribes by rule. The established fees may not~~  
367 ~~exceed the reasonable cost for such services. Fees collected may~~  
368 ~~not be used to offset annual appropriations from the General~~  
369 ~~Revenue Fund.~~

370       (8) STATE CONSUMER HEALTH INFORMATION AND POLICY ADVISORY  
371 COUNCIL.—

372       (a) There is established in the agency the State Consumer  
373 Health Information and Policy Advisory Council to assist the  
374 center in reviewing the comprehensive health information system,  
375 including the identification, collection, standardization,

576-02901-13

sharing, and coordination of health-related data, fraud and abuse data, and professional and facility licensing data among federal, state, local, and private entities and to recommend improvements for purposes of public health, policy analysis, and transparency of consumer health care information. The council shall consist of the following members:

1. An employee of the Executive Office of the Governor, to be appointed by the Governor.

2. An employee of the Office of Insurance Regulation, to be appointed by the director of the office.

3. An employee of the Department of Education, to be appointed by the Commissioner of Education.

4. Ten persons, to be appointed by the Secretary of Health Care Administration, representing other state and local agencies, state universities, business and health coalitions, local health councils, professional health care related associations, consumers, and purchasers.

(b) Each member of the council shall be appointed to serve for a term of 2 years following the date of appointment, except the term of appointment shall end 3 years following the date of appointment for members appointed in 2003, 2004, and 2005. A vacancy shall be filled by appointment for the remainder of the term, and each appointing authority retains the right to reappoint members whose terms of appointment have expired.

(c) The council may meet at the call of its chair, at the request of the agency, or at the request of a majority of its membership, but the council must meet at least quarterly.

(d) Members shall elect a chair and vice chair annually.

(e) A majority of the members constitutes a quorum, and the

576-02901-13

405 affirmative vote of a majority of a quorum is necessary to take  
406 action.

407 (f) The council shall maintain minutes of each meeting and  
408 shall make such minutes available to any person.

409 (g) Members of the council shall serve without compensation  
410 but shall be entitled to receive reimbursement for per diem and  
411 travel expenses as provided in s. 112.061.

412 (h) The council's duties and responsibilities include, but  
413 are not limited to, the following:

414 1. To develop a mission statement, goals, and a plan of  
415 action for the identification, collection, standardization,  
416 sharing, and coordination of health-related data across federal,  
417 state, and local government and private sector entities.

418 2. To develop a review process to ensure cooperative  
419 planning among agencies that collect or maintain health-related  
420 data.

421 3. To create ad hoc issue-oriented technical workgroups on  
422 an as-needed basis to make recommendations to the council.

423 (9) APPLICATION TO OTHER AGENCIES. Nothing in this section  
424 shall limit, restrict, affect, or control the collection,  
425 analysis, release, or publication of data by any state agency  
426 pursuant to its statutory authority, duties, or  
427 responsibilities.

428 Section 2. Paragraph (c) of subsection (4) of section  
429 381.026, Florida Statutes, is amended to read:

430 381.026 Florida Patient's Bill of Rights and  
431 Responsibilities.—

432 (4) RIGHTS OF PATIENTS.—Each health care facility or  
433 provider shall observe the following standards:

576-02901-13

434           (c) *Financial information and disclosure.*—

435       1. A patient has the right to be given, upon request, by  
436 the responsible provider, his or her designee, or a  
437 representative of the health care facility full information and  
438 necessary counseling on the availability of known financial  
439 resources for the patient's health care.

440       2. A health care provider or a health care facility shall,  
441 upon request, disclose to each patient who is eligible for  
442 Medicare, before treatment, whether the health care provider or  
443 the health care facility in which the patient is receiving  
444 medical services accepts assignment under Medicare reimbursement  
445 as payment in full for medical services and treatment rendered  
446 in the health care provider's office or health care facility.

447       3. A primary care provider may publish a schedule of  
448 charges for the medical services that the provider offers to  
449 patients. The schedule must include the prices charged to an  
450 uninsured person paying for such services by cash, check, credit  
451 card, or debit card. The schedule must be posted in a  
452 conspicuous place in the reception area of the provider's office  
453 and must include, but is not limited to, the 50 services most  
454 frequently provided by the primary care provider. The schedule  
455 may group services by three price levels, listing services in  
456 each price level. The posting must be at least 15 square feet in  
457 size. A primary care provider who publishes and maintains a  
458 schedule of charges for medical services is exempt from the  
459 license fee requirements for a single period of renewal of a  
460 professional license under chapter 456 for that licensure term  
461 and is exempt from the continuing education requirements of  
462 chapter 456 and the rules implementing those requirements for a

463 single 2-year period.

464       4. If a primary care provider publishes a schedule of  
465 charges pursuant to subparagraph 3., he or she must continually  
466 post it at all times for the duration of active licensure in  
467 this state when primary care services are provided to patients.  
468 If a primary care provider fails to post the schedule of charges  
469 in accordance with this subparagraph, the provider must ~~shall~~ be  
470 ~~required to~~ pay any license fee and comply with ~~any~~ continuing  
471 education requirements for which an exemption was received.

472       5. A health care provider or a health care facility shall,  
473 upon request, furnish a person, before the provision of medical  
474 services, a reasonable estimate of charges for such services.  
475 The health care provider or the health care facility shall  
476 provide an uninsured person, before the provision of a planned  
477 nonemergency medical service, a reasonable estimate of charges  
478 for such service and information regarding the provider's or  
479 facility's discount or charity policies for which the uninsured  
480 person may be eligible. Such estimates by a primary care  
481 provider must be consistent with the schedule posted under  
482 subparagraph 3. To the extent possible, estimates shall, ~~to the~~  
483 ~~extent possible,~~ be written in language comprehensible to an  
484 ordinary layperson. Such reasonable estimate does not preclude  
485 the health care provider or health care facility from exceeding  
486 the estimate or making additional charges based on changes in  
487 the patient's condition or treatment needs.

488       6. Each licensed facility not operated by the state shall  
489 make available to the public on its Internet website or by other  
490 electronic means a description of and a link to the performance  
491 outcome and financial data that is published by the agency

492 pursuant to s. 408.05(3)(k). The facility shall place a notice  
493 in the reception area that such information is available  
494 electronically and the website address. The licensed facility  
495 may indicate that the pricing information is based on a  
496 compilation of charges for the average patient and that each  
497 patient's bill may vary from the average depending upon the  
498 severity of illness and individual resources consumed. The  
499 licensed facility may also indicate that the price of service is  
500 negotiable for eligible patients based upon the patient's  
501 ability to pay.

502 7. A patient has the right to receive a copy of an itemized  
503 bill upon request. A patient has a right to be given an  
504 explanation of charges upon request.
