348 type, the permitholder's name, and any other information the
349 department finds necessary to administer the program.

350 Section 3. Section 479.024, Florida Statutes, is created
351 to read:

352 479.024 Commercial and industrial parcels.—Signs shall
353 only be permitted by the department in commercial or industrial
354 zones, as determined by the local government, in compliance with
355 chapter 163, unless otherwise provided in this chapter.

356 (1) As used in this section, the term:

357 (a) "Parcel" means the property where the sign is located
358 or is proposed to be located.

359 (b) "Utilities" includes all privately, publicly, or
360 cooperatively owned lines, facilities, and systems for
361 producing, transmitting, or distributing communications, power,
362 electricity, light, heat, gas, oil, crude products, water,
363 steam, waste, and stormwater not connected with the highway
364 drainage, and other similar commodities.

365 (2) The determination as to the primary zoning by the
366 local government for the parcel must meet the following
367 criteria:

368 (a) The parcel is comprehensively zoned and includes
369 commercial or industrial uses as allowable uses.

370 (b) The parcel can reasonably accommodate a commercial or
371 industrial use under the future land use map of the
372 comprehensive plan and land use development regulations, as
373 follows:

374 1. Sufficient utilities are available to support
375 commercial or industrial development.

376 2. The size, configuration, and public access of the
377 parcel are sufficient to accommodate a commercial or industrial
378 use, given requirements in the comprehensive plan and land
379 development regulations for vehicular access, on-site
380 circulation, building setbacks, buffering, parking, and other
381 applicable standards or the parcel consists of railroad tracks
382 or minor sidings abutting commercial or industrial property that
383 meets the criteria of this subsection.

384 (c) The parcel is not being used exclusively for
385 noncommercial or nonindustrial uses.

386 (3) If a local government has not designated zoning
387 through land development regulations in compliance with chapter
388 163, but has designated the parcel under the future land use map
389 of the comprehensive plan for uses that include commercial or
390 industrial uses, the parcel shall be considered an unzoned
391 commercial or industrial area. For a permit to be issued for a
392 sign in an unzoned commercial or industrial area, there must be

393 three or more distinct commercial or industrial activities
394 within 1,600 feet of each other, with at least one of the
395 commercial or industrial activities located on the same side of
396 the highway as the sign location, and within 800 feet of the
397 sign location. Multiple commercial or industrial activities
398 enclosed in one building when all uses have only shared building
399 entrances shall be considered one use.

400 (4) For purposes of this section, certain uses and
401 activities may not be independently recognized as commercial or
402 industrial, including, but not limited to:

403 (a) Signs.

404 (b) Agricultural, forestry, ranching, grazing, farming,
405 and related activities, including, but not limited to, wayside
406 fresh produce stands.

407 (c) Transient or temporary activities.

408 (d) Activities not visible from the main-traveled way,
409 unless a department transportation facility is the only cause
410 for the activity not being visible.

411 (e) Activities conducted more than 660 feet from the
412 nearest edge of the right-of-way.

413 (f) Activities conducted in a building principally used as
414 a residence.

415 (g) Railroad tracks and minor sidings, unless such use is
416 immediately abutted by commercial or industrial property that
417 meets the criteria in subsection (2).

418 (h) Communication towers.

419 (i) Governmental uses, unless those governmental uses
420 would be industrial in nature if privately owned and operated.

421 Such industrial uses must be the present and actual use, not
422 merely be among the allowed uses.

423 (5) If the local government has indicated that the
424 proposed sign location is on a parcel that is in a commercial or
425 industrial zone, but the department finds that it is not, the
426 department shall notify the sign applicant in writing of its
427 determination.

428 (6) An applicant whose application for a permit is denied
429 may, within 30 days after the receipt of the notification of
430 intent to deny, request an administrative hearing pursuant to
431 chapter 120 for a determination of whether the parcel is located
432 in a commercial or industrial zone. Upon receipt of such
433 request, the department shall notify the local government that
434 the applicant has requested an administrative hearing pursuant
435 to chapter 120.

436 (7) If the department in a final order determines that the
437 parcel does not meet the permitting conditions in this section
438 and a sign structure exists on the parcel, the applicant shall
439 remove the sign within 30 days after the date of the order and
440 is responsible for all sign removal costs.

441 (8) If the Federal Highway Administration reduces funds
442 that would otherwise be apportioned to the department due to a
443 local government's failure to be compliant with this section,
444 the department shall reduce apportioned transportation funding
445 to the local government by an equivalent amount.

446 Section 4. Section 479.03, Florida Statutes, is amended to
447 read:

448 479.03 Jurisdiction of the Department of Transportation;

449 entry upon privately owned lands.—The territory under the
450 jurisdiction of the department for the purpose of this chapter
451 shall include all the state. Employees, agents, or independent
452 contractors working for the department, in the performance of
453 their functions and duties under the provisions of this chapter,
454 may enter into and upon any land upon which a sign is displayed,
455 is proposed to be erected, or is being erected and make such
456 inspections, surveys, and removals as may be relevant. Upon
457 written notice to ~~After receiving consent by~~ the landowner,
458 operator, or person in charge of an intervening privately owned
459 land that ~~or appropriate inspection warrant issued by a judge of~~
460 ~~any county court or circuit court of this state which has~~
461 ~~jurisdiction of the place or thing to be removed,~~ that the
462 removal of an illegal outdoor advertising sign is necessary and
463 has been authorized by a final order or results from an
464 uncontested notice to the sign owner, the department may ~~shall~~
465 ~~be authorized to~~ enter upon any intervening privately owned
466 lands for the purposes of effectuating removal of illegal signs,
467 provided that the department shall only do so in circumstances
468 where it has determined that no other legal or economically
469 feasible means of entry to the sign site are reasonably
470 available. Except as otherwise provided by this chapter, the
471 department shall be responsible for the repair or replacement in
472 a like manner for any physical damage or destruction of private
473 property, other than the sign, incidental to the department's
474 entry upon such intervening privately owned lands.

475 Section 5. Section 479.04, Florida Statutes, is amended to
476 read:

477 479.04 Business of outdoor advertising; license
 478 requirement; renewal; fees.—

479 (1) A ~~No~~ person may not ~~shall~~ engage in the business of
 480 outdoor advertising in this state without first obtaining a
 481 license ~~therefor~~ from the department. Such license shall be
 482 renewed annually. The fee for such license, and for each annual
 483 renewal, is \$300. License renewal fees shall be payable as
 484 provided for in s. 479.07.

485 (2) A ~~No~~ person is not ~~shall be~~ required to obtain the
 486 license provided for in this section solely to erect or
 487 construct outdoor advertising signs or structures ~~as an~~
 488 ~~incidental part of a building construction contract.~~

489 Section 6. Section 479.05, Florida Statutes, is amended to
 490 read:

491 479.05 Denial, suspension, or revocation of license.—The
 492 department may ~~has authority to deny, suspend,~~ or revoke any
 493 license requested or granted under this chapter in any case in
 494 which it determines that the application for the license
 495 contains ~~knowingly~~ false or misleading information of material
 496 consequence, that the licensee has failed to pay fees or costs
 497 owed to the department for outdoor advertising purposes, or that
 498 the licensee has violated any of the provisions of this chapter,
 499 unless such licensee, within 30 days after the receipt of notice
 500 by the department, corrects such false or misleading
 501 information, pays the outstanding amounts, or complies with the
 502 provisions of this chapter. Suspension of a license allows the
 503 licensee to maintain existing sign permits, but the department
 504 may not grant a transfer of an existing permit or issue an

505 additional permit to a licensee with a suspended license. Any
506 person aggrieved by an ~~any~~ action of the department which
507 denies, suspends, or revokes ~~in denying or revoking~~ a license
508 under this chapter may, within 30 days after ~~from~~ the receipt of
509 the notice, apply to the department for an administrative
510 hearing pursuant to chapter 120.

511 Section 7. Section 479.07, Florida Statutes, is amended to
512 read:

513 479.07 Sign permits.—

514 (1) Except as provided in ss. 479.105(1) ~~479.105(1)(e)~~ and
515 479.16, a person may not erect, operate, use, or maintain, or
516 cause to be erected, operated, used, or maintained, any sign on
517 the State Highway System outside an urban area, ~~as defined in s.~~
518 ~~334.03(31),~~ or on any portion of the interstate or federal-aid
519 primary highway system without first obtaining a permit for the
520 sign from the department and paying the annual fee as provided
521 in this section. As used in this section, the term "on any
522 portion of the State Highway System, interstate, or federal-aid
523 primary system" means a sign located within the controlled area
524 which is visible from any portion of the main-traveled way of
525 such system.

526 (2) ~~A person may not apply for a permit unless he or she~~
527 ~~has first obtained the~~ Written permission of the owner or other
528 person in lawful possession or control of the site designated as
529 the location of the sign is required for issuance of a ~~in the~~
530 ~~application for the permit.~~

531 (3) (a) An application for a sign permit must be made on a
532 form prescribed by the department, and a separate application

533 must be submitted for each permit requested. A permit is
534 required for each sign facing.

535 (b) As part of the application, the applicant or his or
536 her authorized representative must certify ~~in a notarized signed~~
537 ~~statement~~ that all information provided in the application is
538 true and correct ~~and that, pursuant to subsection (2), he or she~~
539 ~~has obtained the written permission of the owner or other person~~
540 ~~in lawful possession of the site designated as the location of~~
541 ~~the sign in the permit application.~~ Every permit application
542 must be accompanied by the appropriate permit fee, + a signed
543 statement by the owner or other person in lawful control of the
544 site on which the sign is located or will be erected,
545 authorizing the placement of the sign on that site, + and, ~~where~~
546 ~~local governmental regulation of signs exists,~~ a statement from
547 the appropriate local governmental official indicating that the
548 sign complies with all local government ~~governmental~~
549 requirements and, if a local government permit is required for a
550 sign, that the agency or unit of local government will issue a
551 permit to that applicant upon approval of the state permit
552 application by the department.

553 (c) The annual permit fee for each sign facing shall be
554 established by the department by rule in an amount sufficient to
555 offset the total cost to the department for the program, but
556 shall not exceed \$100. The ~~A fee may not be prorated for a~~
557 ~~period less than the remainder of the permit year to accommodate~~
558 ~~short-term publicity features; however,~~ a first-year fee may be
559 prorated by payment of an amount equal to one-fourth of the
560 annual fee for each remaining whole quarter or partial quarter

561 of the permit year. Applications received after the end of the
562 third quarter of the permit year must include fees for the last
563 quarter of the current year and fees for the succeeding year.

564 (4) An application for a permit shall be acted on by
565 granting, denying, or returning the incomplete application ~~the~~
566 ~~department~~ within 30 days after receipt of the application by
567 the department.

568 (5) (a) For each permit issued, the department shall
569 furnish to the applicant a serially numbered permanent metal
570 permit tag. The permittee is responsible for maintaining a valid
571 permit tag on each permitted sign facing at all times. The tag
572 shall be securely attached to the upper 50 percent of the sign
573 structure ~~sign facing or, if there is no facing, on the pole~~
574 ~~nearest the highway;~~ and it shall be attached in such a manner
575 as to be plainly visible from the main-traveled way. ~~Effective~~
576 ~~July 1, 2012, the tag must be securely attached to the upper 50~~
577 ~~percent of the pole nearest the highway and must be attached in~~
578 ~~such a manner as to be plainly visible from the main-traveled~~
579 ~~way.~~ The permit ~~becomes void unless the permit tag~~ must be ~~is~~
580 properly and permanently displayed at the permitted site within
581 30 days after the date of permit issuance. If the permittee
582 fails to erect a completed sign on the permitted site within 270
583 days after the date on which the permit was issued, the permit
584 will be void, and the department may not issue a new permit to
585 that permittee for the same location for 270 days after the date
586 on which the permit became void.

587 (b) If a permit tag is lost, stolen, or destroyed, the
588 permittee to whom the tag was issued must apply to the

589 department for a replacement tag. The department shall adopt a
590 rule establishing a service fee for replacement tags in an
591 amount that will recover the actual cost of providing the
592 replacement tag. Upon receipt of the application accompanied by
593 the service fee, the department shall issue a replacement permit
594 tag. ~~Alternatively, the permittee may provide its own~~
595 ~~replacement tag pursuant to department specifications that the~~
596 ~~department shall adopt by rule at the time it establishes the~~
597 ~~service fee for replacement tags.~~

598 (6) A permit is valid only for the location specified in
599 the permit. Valid permits may be transferred from one sign owner
600 to another upon written acknowledgment from the current
601 permittee and submittal of a transfer fee of \$5 for each permit
602 to be transferred. However, the maximum transfer fee for any
603 multiple transfer between two outdoor advertisers in a single
604 transaction is \$1,000 ~~\$100~~.

605 (7) A permittee shall at all times maintain the permission
606 of the owner or other person in lawful control of the sign site
607 to have and maintain a sign at such site.

608 (8) (a) In order to reduce peak workloads, the department
609 may adopt rules providing for staggered expiration dates for
610 licenses and permits. Unless otherwise provided for by rule, all
611 licenses and permits expire annually on January 15. All license
612 and permit renewal fees are required to be submitted to the
613 department by no later than the expiration date. At least 105
614 days before ~~prior to~~ the expiration date of licenses and
615 permits, the department shall send to each permittee a notice of
616 fees due for all licenses and permits that ~~which~~ were issued to

617 | him or her before ~~prior to~~ the date of the notice. Such notice
618 | shall list the permits and the permit fees due for each sign
619 | facing. The permittee shall, no later than 45 days before ~~prior~~
620 | ~~to~~ the expiration date, advise the department of any additions,
621 | deletions, or errors contained in the notice. Permit tags which
622 | are not renewed shall be returned to the department for
623 | cancellation by the expiration date. Permits which are not
624 | renewed or are canceled shall be certified in writing at that
625 | time as canceled or not renewed by the permittee, and permit
626 | tags for such permits shall be returned to the department or
627 | shall be accounted for by the permittee in writing, which
628 | writing shall be submitted with the renewal fee payment or the
629 | cancellation certification. However, failure of a permittee to
630 | submit a permit cancellation does ~~shall~~ not affect the
631 | nonrenewal of a permit. Before ~~Prior to~~ cancellation of a
632 | permit, the permittee shall provide written notice to all
633 | persons or entities having a right to advertise on the sign that
634 | the permittee intends to cancel the permit.

635 | (b) If a permittee has not submitted his or her fee
636 | payment by the expiration date of the licenses or permits, the
637 | department shall send a notice of violation to the permittee
638 | within 45 days after the expiration date, requiring the payment
639 | of the permit fee within 30 days after the date of the notice
640 | and payment of a delinquency fee equal to 10 percent of the
641 | original amount due or, in the alternative to these payments,
642 | requiring the filing of a request for an administrative hearing
643 | to show cause why the ~~his or her~~ sign should not be subject to
644 | immediate removal due to expiration of his or her license or

645 permit. If the permittee submits payment as required by the
646 violation notice, the ~~his or her~~ license or permit will be
647 automatically reinstated and such reinstatement will be
648 retroactive to the original expiration date. If the permittee
649 does not respond to the notice of violation within the 30-day
650 period, the department shall, within 30 days, issue a final
651 notice of sign removal and may, following 90 days after the date
652 of the department's final notice of sign removal, remove the
653 sign without incurring any liability as a result of such
654 removal. However, if at any time before removal of the sign, the
655 permittee demonstrates that a good faith error on the part of
656 the permittee resulted in cancellation or nonrenewal of the
657 permit, the department may reinstate the permit if:

658 1. The permit reinstatement fee of ~~up to \$300 based on the~~
659 ~~size of the sign~~ is paid;

660 2. All other permit renewal and delinquent permit fees due
661 as of the reinstatement date are paid; and

662 3. The permittee reimburses the department for all actual
663 costs resulting from the permit cancellation or nonrenewal.

664 (c) Conflicting applications filed by other persons for
665 the same or competing sites covered by a permit subject to
666 paragraph (b) may not be approved until after the sign subject
667 to the expired permit has been removed.

668 (d) The cost for removing a sign, whether by the
669 department or an independent contractor, shall be assessed by
670 the department against the permittee.

671 (9) (a) A permit may ~~shall~~ not be granted for any sign for
672 which a permit had not been granted by the effective date of

673 | this act unless such sign is located at least:

674 | 1. One thousand five hundred feet from any other permitted
675 | sign on the same side of the highway, if on an interstate
676 | highway.

677 | 2. One thousand feet from any other permitted sign on the
678 | same side of the highway, if on a federal-aid primary highway.

679 |
680 | The minimum spacing provided in this paragraph does not preclude
681 | the permitting of V-type, back-to-back, side-to-side, stacked,
682 | or double-faced signs at the permitted sign site. If a sign is
683 | visible to more than one highway subject to the jurisdiction of
684 | the department and within the controlled area of the highways
685 | ~~from the controlled area of more than one highway subject to the~~
686 | ~~jurisdiction of the department, the sign must shall~~ meet the
687 | permitting requirements of all highways, and, ~~if the sign meets~~
688 | ~~the applicable permitting requirements,~~ be permitted to, the
689 | highway having the more stringent permitting requirements.

690 | (b) A permit may ~~shall~~ not be granted for a sign pursuant
691 | to this chapter to locate such sign on any portion of the
692 | interstate or federal-aid primary highway system, which sign:

693 | 1. Exceeds 50 feet in sign structure height above the
694 | crown of the main-traveled way to which the sign is permitted,
695 | if outside an incorporated area;

696 | 2. Exceeds 65 feet in sign structure height above the
697 | crown of the main-traveled way to which the sign is permitted,
698 | if inside an incorporated area; or

699 | 3. Exceeds 950 square feet of sign facing including all
700 | embellishments.

701 (c) Notwithstanding subparagraph (a)1., there is
702 established a pilot program in Orange, Hillsborough, and Osceola
703 Counties, and within the boundaries of the City of Miami, under
704 which the distance between permitted signs on the same side of
705 an interstate highway may be reduced to 1,000 feet if all other
706 requirements of this chapter are met and if:

707 1. The local government has adopted a plan, program,
708 resolution, ordinance, or other policy encouraging the voluntary
709 removal of signs in a downtown, historic, redevelopment, infill,
710 or other designated area which also provides for a new or
711 replacement sign to be erected on an interstate highway within
712 that jurisdiction if a sign in the designated area is removed;

713 2. The sign owner and the local government mutually agree
714 to the terms of the removal and replacement; and

715 3. The local government notifies the department of its
716 intention to allow such removal and replacement as agreed upon
717 pursuant to subparagraph 2.

718 ~~4. The new or replacement sign to be erected on an~~
719 ~~interstate highway within that jurisdiction is to be located on~~
720 ~~a parcel of land specifically designated for commercial or~~
721 ~~industrial use under both the future land use map of the~~
722 ~~comprehensive plan and the land use development regulations~~
723 ~~adopted pursuant to chapter 163, and such parcel shall not be~~
724 ~~subject to an evaluation in accordance with the criteria set~~
725 ~~forth in s. 479.01(26) to determine if the parcel can be~~
726 ~~considered an unzoned commercial or industrial area.~~

727

728 The department shall maintain statistics tracking the use of the

729 provisions of this pilot program based on the notifications
 730 received by the department from local governments under this
 731 paragraph.

732 (d) This subsection does not cause a sign that was
 733 conforming on October 1, 1984, to become nonconforming.

734 (10) Commercial or industrial zoning that ~~which~~ is not
 735 comprehensively enacted or that ~~which~~ is enacted primarily to
 736 permit signs may ~~shall~~ not be recognized as commercial or
 737 industrial zoning for purposes of this provision, and permits
 738 may ~~shall~~ not be issued for signs in such areas. The department
 739 shall adopt rules ~~within 180 days after this act takes effect~~
 740 that ~~which shall~~ provide criteria to determine whether such
 741 zoning is comprehensively enacted or enacted primarily to permit
 742 signs.

743 Section 8. Section 479.08, Florida Statutes, is amended to
 744 read:

745 479.08 Denial or revocation of permit.—The department may
 746 deny or revoke any permit requested or granted under this
 747 chapter in any case in which it determines that the application
 748 for the permit contains ~~knowingly~~ false or misleading
 749 information of material consequence. The department may revoke
 750 any permit granted under this chapter in any case in which the
 751 permittee has violated any of the provisions of this chapter,
 752 unless such permittee, within 30 days after the receipt of
 753 notice by the department, complies with the provisions of this
 754 chapter. For the purpose of this section, the notice of
 755 violation issued by the department must describe in detail the
 756 alleged violation. Any person aggrieved by any action of the

757 department in denying or revoking a permit under this chapter
 758 may, within 30 days after receipt of the notice, apply to the
 759 department for an administrative hearing pursuant to chapter
 760 120. If a timely request for hearing has been filed and the
 761 department issues a final order revoking a permit, such
 762 revocation shall be effective 30 days after the date of
 763 rendition. Except for department action pursuant to s.
 764 479.107(1), the filing of a timely and proper notice of appeal
 765 shall operate to stay the revocation until the department's
 766 action is upheld.

767 Section 9. Section 479.10, Florida Statutes, is amended to
 768 read:

769 479.10 Sign removal following permit revocation or
 770 cancellation.—A sign shall be removed by the permittee within 30
 771 days after the date of revocation or cancellation of the permit
 772 for the sign. If the permittee fails to remove the sign within
 773 the 30-day period, the department shall remove the sign at the
 774 permittee's expense with or without further notice and without
 775 incurring any liability as a result of such removal.

776 Section 10. Section 479.105, Florida Statutes, is amended
 777 to read:

778 479.105 Signs erected or maintained without required
 779 permit; removal.—

780 (1) Any sign which is located adjacent to the right-of-way
 781 of any highway on the State Highway System outside an
 782 incorporated area or adjacent to the right-of-way on any portion
 783 of the interstate or federal-aid primary highway system, which
 784 sign was erected, operated, or maintained without the permit

785 required by s. 479.07(1) having been issued by the department,
786 is declared to be a public nuisance and a private nuisance and
787 shall be removed as provided in this section.

788 (a) Upon a determination by the department that a sign is
789 in violation of s. 479.07(1), the department shall prominently
790 post on the sign, or as close to the sign as possible for those
791 locations where the sign is not easily accessible, ~~face~~ a notice
792 stating that the sign is illegal and must be removed within 30
793 days after the date on which the notice was posted. ~~However, if~~
794 ~~the sign bears the name of the licensee or the name and address~~
795 ~~of the nonlicensed sign owner,~~ The department shall,
796 concurrently with and in addition to posting the notice on the
797 sign, provide a written notice to the owner of the sign, the
798 advertiser displayed on the sign, or the owner of the property,
799 stating that the sign is illegal and must be permanently removed
800 within the 30-day period specified on the posted notice. The
801 written notice shall further state that a hearing may be
802 requested, ~~the sign owner has a right to request a hearing,~~
803 which request must be filed with the department within 30 days
804 after receipt ~~the date~~ of the written notice. However, the
805 filing of a request for a hearing will not stay the removal of
806 the sign.

807 (b) If, pursuant to the notice provided, the sign is not
808 removed by the ~~sign~~ owner of the sign, the advertiser displayed
809 on the sign, or the owner of the property within the prescribed
810 period, the department shall immediately remove the sign without
811 further notice; and, for that purpose, the employees, agents, or
812 independent contractors of the department may enter upon private

813 | property without incurring any liability for so entering.

814 | (c) However, the department may issue a permit for a sign,
815 | as a conforming or nonconforming sign, if the sign owner
816 | demonstrates to the department one of the following:

817 | 1. If the sign meets the current requirements of this
818 | chapter for a sign permit, the sign owner may submit the
819 | required application package and receive a permit as a
820 | conforming sign, upon payment of all applicable fees.

821 | 2. If the sign does not meet the current requirements of
822 | this chapter for a sign permit, the sign owner may receive a
823 | permit as a nonconforming sign if the department determines that
824 | the sign is not located on state right-of-way and is not a
825 | safety hazard and if the sign owner pays a penalty fee of \$300
826 | and all pertinent fees required by this chapter, including
827 | annual permit renewal fees payable since the date of the
828 | erection of the sign, and attaches to the permit application
829 | package documentation that demonstrates that:

830 | a. The sign has been unpermitted, structurally unchanged,
831 | and continuously maintained at the same location for a period of
832 | 7 years or more;

833 | b. During the entire period in which the sign has been
834 | erected, a permit was required but was not obtained;

835 | c. During the initial 7 years in which the sign has been
836 | erected, the sign would have met the criteria established in
837 | this chapter at that time for issuance of a permit; and

838 | d. The department has not initiated a notice of violation
839 | or taken other action to remove the sign during the initial 7-
840 | year period.

841 (d) This subsection does not cause a neighboring sign that
842 is permitted and that is within the spacing requirements in s.
843 479.07(9) (a) to become nonconforming.

844 (e)~~(e)~~ For purposes of this subsection, a notice to the
845 sign owner, when required, constitutes sufficient notice; and
846 notice is not required to be provided to the lessee, advertiser,
847 or the owner of the real property on which the sign is located.

848 (f)~~(d)~~ If, after a hearing, it is determined that a sign
849 has been wrongfully or erroneously removed pursuant to this
850 subsection, the department, at the sign owner's discretion,
851 shall either pay just compensation to the owner of the sign or
852 reerect the sign in kind at the expense of the department.

853 ~~(e) However, if the sign owner demonstrates to the~~
854 ~~department that:~~

855 ~~1. The sign has been unpermitted, structurally unchanged,~~
856 ~~and continuously maintained at the same location for a period of~~
857 ~~7 years or more;~~

858 ~~2. At any time during the period in which the sign has~~
859 ~~been erected, the sign would have met the criteria established~~
860 ~~in this chapter for issuance of a permit;~~

861 ~~3. The department has not initiated a notice of violation~~
862 ~~or taken other action to remove the sign during the initial 7-~~
863 ~~year period described in subparagraph 1.; and~~

864 ~~4. The department determines that the sign is not located~~
865 ~~on state right-of-way and is not a safety hazard,~~

866
867 ~~the sign may be considered a conforming or nonconforming sign~~
868 ~~and may be issued a permit by the department upon application in~~

869 ~~accordance with this chapter and payment of a penalty fee of~~
 870 ~~\$300 and all pertinent fees required by this chapter, including~~
 871 ~~annual permit renewal fees payable since the date of the~~
 872 ~~erection of the sign.~~

873 (2) (a) If a sign is under construction and the department
 874 determines that a permit has not been issued for the sign as
 875 required under the provisions of this chapter, the department is
 876 authorized to require that all work on the sign cease until the
 877 sign owner shows that the sign does not violate the provisions
 878 of this chapter. The order to cease work shall be prominently
 879 posted on the sign structure, and no further notice is required
 880 to be given. The failure of a sign owner or her or his agents to
 881 immediately comply with the order shall subject the sign to
 882 prompt removal by the department.

883 (b) For the purposes of this subsection only, a sign is
 884 under construction when it is in any phase of initial
 885 construction prior to the attachment and display of the
 886 advertising message in final position for viewing by the
 887 traveling public. A sign that is undergoing routine maintenance
 888 or change of the advertising message only is not considered to
 889 be under construction for the purposes of this subsection.

890 (3) The cost of removing a sign, whether by the department
 891 or an independent contractor, shall be assessed against the
 892 owner of the sign by the department.

893 Section 11. Subsections (5) and (7) of section 479.106,
 894 Florida Statutes, are amended to read:

895 479.106 Vegetation management.—

896 (5) The department may only grant a permit pursuant to s.

CS/CS/HB 1299

2013

897 479.07 for a new sign which requires the removal, cutting, or
898 trimming of existing trees or vegetation on public right-of-way
899 for the sign face to be visible from the highway when the sign
900 owner has removed at least two nonconforming signs of
901 approximate comparable size and surrendered the permits for the
902 nonconforming signs to the department for cancellation. For
903 signs originally permitted after July 1, 1996, the first
904 application, or application for a change of view zone, ~~no permit~~
905 for the removal, cutting, or trimming of trees or vegetation
906 shall require, in addition to mitigation or contribution to a
907 plan of mitigation, the removal of two nonconforming signs. No
908 permits for the removal, cutting, or trimming of trees may be
909 granted for signs permitted after July 1, 1996 ~~be granted~~ where
910 such trees or vegetation are part of a beautification project
911 implemented before ~~prior to~~ the date of the original sign permit
912 application, when the beautification project is specifically
913 identified in the department's construction plans, permitted
914 landscape projects, or agreements.

915 (7) Any person engaging in removal, cutting, or trimming
916 of trees or vegetation in violation of this section or
917 benefiting from such actions shall be subject to an
918 administrative penalty of up to \$1,000 per sign facing and
919 required to mitigate for the unauthorized removal, cutting, or
920 trimming in such manner and in such amount as may be required
921 under the rules of the department.

922 Section 12. Subsection (5) of section 479.107, Florida
923 Statutes, is amended to read:

924 479.107 Signs on highway rights-of-way; removal.—

925 (5) The cost of removing a sign, whether by the department
 926 or an independent contractor, shall be assessed by the
 927 department against the owner of the sign. ~~Furthermore, the~~
 928 ~~department shall assess a fine of \$75 against the sign owner for~~
 929 ~~any sign which violates the requirements of this section.~~

930 Section 13. Section 479.111, Florida Statutes, is amended
 931 to read:

932 479.111 Specified signs allowed within controlled portions
 933 of the interstate and federal-aid primary highway system.—Only
 934 the following signs shall be allowed within controlled portions
 935 of the interstate highway system and the federal-aid primary
 936 highway system as set forth in s. 479.11(1) and (2):

937 (1) Directional or other official signs and notices which
 938 conform to 23 C.F.R. ss. 750.151-750.155.

939 (2) Signs in commercial-zoned and industrial-zoned areas
 940 or commercial-unzoned and industrial-unzoned areas and within
 941 660 feet of the nearest edge of the right-of-way, subject to the
 942 requirements set forth in the 1972 agreement between the state
 943 and the United States Department of Transportation.

944 (3) Signs for which permits are not required under s.
 945 479.16.

946 Section 14. Section 479.15, Florida Statutes, is amended
 947 to read:

948 479.15 Harmony of regulations.—

949 (1) No zoning board or commission or other public officer
 950 or agency shall issue a permit to erect any sign which is
 951 prohibited under the provisions of this chapter or the rules of
 952 the department, nor shall the department issue a permit for any

953 sign which is prohibited by any other public board, officer, or
954 agency in the lawful exercise of its powers.

955 (2) A municipality, county, local zoning authority, or
956 other local governmental entity may not remove, or cause to be
957 removed, any lawfully erected sign along any portion of the
958 interstate or federal-aid primary highway system without first
959 paying just compensation for such removal. A local governmental
960 entity may not cause in any way the alteration of any lawfully
961 erected sign located along any portion of the interstate or
962 federal-aid primary highway system without payment of just
963 compensation if such alteration constitutes a taking under state
964 law. The municipality, county, local zoning authority, or other
965 local government entity that adopts requirements for such
966 alteration shall pay just compensation to the sign owner if such
967 alteration constitutes a taking under state law. This subsection
968 applies only to a lawfully erected sign the subject matter of
969 which relates to premises other than the premises on which it is
970 located or to merchandise, services, activities, or
971 entertainment not sold, produced, manufactured, or furnished on
972 the premises on which the sign is located. ~~As used in this~~
973 ~~subsection, the term "federal-aid primary highway system" means~~
974 ~~the federal-aid primary highway system in existence on June 1,~~
975 ~~1991, and any highway that was not a part of such system as of~~
976 ~~that date but that is or becomes after June 1, 1991, a part of~~
977 ~~the National Highway System.~~ This subsection shall not be
978 interpreted as explicit or implicit legislative recognition that
979 alterations do or do not constitute a taking under state law.

980 (3) It is the express intent of the Legislature to limit

981 the state right-of-way acquisition costs on state and federal
 982 roads in eminent domain proceedings, the provisions of ss.
 983 479.07 and 479.155 notwithstanding. Subject to approval by the
 984 Federal Highway Administration, whenever public acquisition of
 985 land upon which is situated a lawful permitted ~~nonconforming~~
 986 sign occurs, as provided in this chapter, the sign may, at the
 987 election of its owner and the department, be relocated or
 988 reconstructed adjacent to the new right-of-way and in close
 989 proximity to the current site ~~along the roadway within 100 feet~~
 990 ~~of the current location~~, provided the ~~nonconforming~~ sign is not
 991 relocated in an area inconsistent with s. 479.024 ~~on a parcel~~
 992 ~~zoned residential~~, and provided further that such relocation
 993 shall be subject to ~~applicable setback~~ requirements in the 1972
 994 agreement between the state and the United States Department of
 995 Transportation. The sign owner shall pay all costs associated
 996 with relocating or reconstructing any sign under this
 997 subsection, and neither the state nor any local government shall
 998 reimburse the sign owner for such costs, unless part of such
 999 relocation costs are required by federal law. If no adjacent
 1000 property is available for the relocation, the department shall
 1001 be responsible for paying the owner of the sign just
 1002 compensation for its removal.

1003 (4) For a nonconforming sign, ~~Such relocation shall be~~
 1004 ~~adjacent to the current site and~~ the face of the sign may ~~shall~~
 1005 not be increased in size or height or structurally modified at
 1006 the point of relocation in a manner inconsistent with the
 1007 current building codes of the jurisdiction in which the sign is
 1008 located.

1009 (5) In the event that relocation can be accomplished but
 1010 is inconsistent with the ordinances of the municipality or
 1011 county within whose jurisdiction the sign is located, the
 1012 ordinances of the local government shall prevail, provided that
 1013 the local government shall assume the responsibility to provide
 1014 the owner of the sign just compensation for its removal, but in
 1015 no event shall compensation paid by the local government exceed
 1016 the compensation required under state or federal law. Further,
 1017 the provisions of this section shall not impair any agreement or
 1018 future agreements between a municipality or county and the owner
 1019 of a sign or signs within the jurisdiction of the municipality
 1020 or county. ~~Nothing in this section shall be deemed to cause a~~
 1021 ~~nonconforming sign to become conforming solely as a result of~~
 1022 ~~the relocation allowed in this section.~~

1023 (6) The provisions of subsections (3), (4), and (5) of
 1024 this section shall not apply within the jurisdiction of any
 1025 municipality which is engaged in any litigation concerning its
 1026 sign ordinance on April 23, 1999, nor shall such provisions
 1027 apply to any municipality whose boundaries are identical to the
 1028 county within which said municipality is located.

1029 (7) This section does not cause a neighboring sign that is
 1030 already permitted and that is within the spacing requirements
 1031 outlined in s. 479.07(9) (a) to become nonconforming.

1032 Section 15. Section 479.156, Florida Statutes, is amended
 1033 to read:

1034 479.156 Wall murals.—Notwithstanding any other provision
 1035 of this chapter, a municipality or county may permit and
 1036 regulate wall murals within areas designated by such government.

1037 If a municipality or county permits wall murals, a wall mural
1038 that displays a commercial message and is within 660 feet of the
1039 nearest edge of the right-of-way within an area adjacent to the
1040 interstate highway system or the federal-aid primary highway
1041 system shall be located in an area that is zoned for industrial
1042 or commercial use and the municipality or county shall establish
1043 and enforce regulations for such areas that, at a minimum, set
1044 forth criteria governing the size, lighting, and spacing of wall
1045 murals consistent with the intent of 23 U.S.C. s. 131 ~~the~~
1046 ~~Highway Beautification Act of 1965~~ and with customary use.
1047 Whenever a municipality or county exercises such control and
1048 makes a determination of customary use pursuant to 23 U.S.C. s.
1049 131(d), such determination shall be accepted in lieu of controls
1050 in the agreement between the state and the United States
1051 Department of Transportation, and the department shall notify
1052 the Federal Highway Administration pursuant to the agreement, 23
1053 U.S.C. s. 131(d), and 23 C.F.R. s. 750.706(c). A wall mural that
1054 is subject to municipal or county regulation and 23 U.S.C. s.
1055 131 ~~the Highway Beautification Act of 1965~~ must be approved by
1056 the Department of Transportation and the Federal Highway
1057 Administration when required by federal law and federal
1058 regulation under the agreement between the state and the United
1059 States Department of Transportation and federal regulations
1060 enforced by the Department of Transportation under s. 479.02(1).
1061 The existence of a wall mural as defined in s. 479.01(28)
1062 ~~479.01(30)~~ shall not be considered in determining whether a sign
1063 as defined in s. 479.01(19) ~~479.01(20)~~, either existing or new,
1064 is in compliance with s. 479.07(9)(a).

1065 Section 16. Section 479.16, Florida Statutes, is amended
 1066 to read:

1067 479.16 Signs for which permits are not required.—The
 1068 following signs are exempt from the requirement that a permit
 1069 for a sign be obtained under the provisions of this chapter but
 1070 are required to comply with the provisions of s. 479.11(4)-(8),
 1071 and the provisions of subsections (15)-(19) may not be
 1072 implemented or continued if the Federal Government notifies the
 1073 department that implementation or continuation will adversely
 1074 affect the allocation of federal funds to the department:

1075 (1) Signs erected on the premises of an establishment,
 1076 which signs consist primarily of the name of the establishment
 1077 or which identify the principal or accessory merchandise,
 1078 services, activities, or entertainment sold, produced,
 1079 manufactured, or furnished on the premises of the establishment
 1080 and which comply with the lighting restrictions ~~under department~~
 1081 ~~rule adopted~~ pursuant to s. 479.11(5), or signs owned by a
 1082 municipality or a county located on the premises of such
 1083 municipality or such county which display information regarding
 1084 government services, activities, events, or entertainment. For
 1085 purposes of this section, the following types of messages shall
 1086 not be considered information regarding government services,
 1087 activities, events, or entertainment:

1088 (a) Messages which specifically reference any commercial
 1089 enterprise.

1090 (b) Messages which reference a commercial sponsor of any
 1091 event.

1092 (c) Personal messages.

1093 (d) Political campaign messages.

1094
 1095 If a sign located on the premises of an establishment consists
 1096 principally of brand name or trade name advertising and the
 1097 merchandise or service is only incidental to the principal
 1098 activity, or if the owner of the establishment receives rental
 1099 income from the sign, then the sign is not exempt under this
 1100 subsection.

1101 (2) Signs erected, used, or maintained on a farm by the
 1102 owner or lessee of such farm and relating solely to farm
 1103 produce, merchandise, service, or entertainment sold, produced,
 1104 manufactured, or furnished on such farm.

1105 (3) Signs posted or displayed on real property by the
 1106 owner or by the authority of the owner, stating that the real
 1107 property is for sale or rent. However, if the sign contains any
 1108 message not pertaining to the sale or rental of that real
 1109 property, then it is not exempt under this section.

1110 (4) Official notices or advertisements posted or displayed
 1111 on private property by or under the direction of any public or
 1112 court officer in the performance of her or his official or
 1113 directed duties, or by trustees under deeds of trust or deeds of
 1114 assignment or other similar instruments.

1115 (5) Danger or precautionary signs relating to the premises
 1116 on which they are located; forest fire warning signs erected
 1117 under the authority of the Florida Forest Service of the
 1118 Department of Agriculture and Consumer Services; and signs,
 1119 notices, or symbols erected by the United States Government
 1120 under the direction of the United States Forestry Service.

1121 (6) Notices of any railroad, bridge, ferry, or other
 1122 transportation or transmission company necessary for the
 1123 direction or safety of the public.

1124 (7) Signs, notices, or symbols for the information of
 1125 aviators as to location, directions, and landings and conditions
 1126 affecting safety in aviation erected or authorized by the
 1127 department.

1128 (8) Signs or notices erected or maintained upon property
 1129 stating only the name of the owner, lessee, or occupant of the
 1130 premises and not exceeding 16 & square feet in area.

1131 (9) Historical markers erected by duly constituted and
 1132 authorized public authorities.

1133 (10) Official traffic control signs and markers erected,
 1134 caused to be erected, or approved by the department.

1135 (11) Signs erected upon property warning the public
 1136 against hunting and fishing or trespassing thereon.

1137 (12) Signs not in excess of 16 & square feet that are
 1138 owned by and relate to the facilities and activities of
 1139 churches, civic organizations, fraternal organizations,
 1140 charitable organizations, or units or agencies of government.

1141 (13) ~~Except that~~ Signs placed on benches, transit
 1142 shelters, modular news racks, street light poles, public pay
 1143 telephones and waste receptacles, within the right-of-way, as
 1144 provided for in s. 337.408 are exempt from all provisions of
 1145 this chapter.

1146 (14) Signs relating exclusively to political campaigns.

1147 (15) Signs not in excess of 16 square feet placed at a
 1148 road junction with the State Highway System denoting only the

1149 distance or direction of a residence or farm operation, or,
1150 outside an incorporated in a rural area where a hardship is
1151 created because a small business is not visible from the road
1152 junction with the State Highway System, one sign not in excess
1153 of 16 square feet, denoting only the name of the business and
1154 the distance and direction to the business. ~~The small business~~
1155 ~~sign provision of this subsection does not apply to charter~~
1156 ~~counties and may not be implemented if the Federal Government~~
1157 ~~notifies the department that implementation will adversely~~
1158 ~~affect the allocation of federal funds to the department.~~

1159 (16) Signs placed by a local tourist-oriented business
1160 located within a rural area of critical economic concern, as
1161 defined by s. 288.0656(2)(d) and (e), and are:

1162 (a) Not more than 8 square feet in size or more than 4
1163 feet in height;

1164 (b) Located only in rural areas, along non-limited access
1165 highways;

1166 (c) Located within 2 miles of the business location and
1167 are not less than 500 feet apart;

1168 (d) Located only in two directions leading to the
1169 business; and

1170 (e) Not located within the road right-of-way.

1171
1172 A business placing such signs must be at least 4 miles from any
1173 other business using this exemption and may not participate in
1174 any other department directional signage program.

1175 (17) Signs not in excess of 32 square feet placed
1176 temporarily during harvest season of a farm operation for a

1177 period of no more than 4 months at a road junction with the
1178 State Highway System denoting only the distance or direction of
1179 the farm operation.

1180 (18) Acknowledgement signs erected upon publicly funded
1181 school premises relating to a specific public school club, team,
1182 or event placed no closer than 1,000 feet from another
1183 acknowledgment sign on the same side of the roadway. All sponsor
1184 information on an acknowledgement sign may constitute no more
1185 than 100 square feet of the sign. As used in this subsection,
1186 the term "acknowledgement signs" means signs that are intended
1187 to inform the traveling public that a public school club, team,
1188 or event has been sponsored by a person, firm, or other entity.

1189 (19) Displays erected upon a sports facility which display
1190 content directly related to the facility's activities or where a
1191 presence of the products or services offered on the property
1192 exists. Displays are to be mounted flush or flat to the surface
1193 of the sports facility and rely upon the building facade for
1194 structural support. For purposes of this subsection, the term
1195 "sports facility", means any athletic complex, athletic arena,
1196 or athletic stadium, including physically connected parking
1197 facilities, which is open to the public and has a permanent
1198 installed seating capacity of 15,000 or more.

1199
1200 If the exemptions in subsections (15) through (19) are not
1201 implemented or continued due to Federal Government notification
1202 to the department that the allocation of federal funds to the
1203 department will be adversely impacted, the department shall
1204 provide notice to the sign owner that the sign must be removed

1205 within 30 days after receiving notice. If the sign is not
 1206 removed within 30 days, the department is authorized to remove
 1207 the sign, and all costs incurred in connection with the sign
 1208 removal shall be assessed against and collected from the sign
 1209 owner.

1210 Section 17. Section 479.24, Florida Statutes, is amended
 1211 to read:

1212 479.24 Compensation for ~~removal~~ of signs; eminent domain;
 1213 exceptions.—

1214 (1) Just compensation shall be paid by the department upon
 1215 the department's acquisition ~~removal~~ of a lawful conforming or
 1216 nonconforming sign along any portion of the interstate or
 1217 federal-aid primary highway system. This section does not apply
 1218 to a sign which is illegal at the time of its removal. A sign
 1219 will lose its nonconforming status and become illegal at such
 1220 time as it fails to be permitted or maintained in accordance
 1221 with all applicable laws, rules, ordinances, or regulations
 1222 other than the provision which makes it nonconforming. A legal
 1223 nonconforming sign under state law or rule will not lose its
 1224 nonconforming status solely because it additionally becomes
 1225 nonconforming under an ordinance or regulation of a local
 1226 governmental entity passed at a later date. The department shall
 1227 make every reasonable effort to negotiate the purchase of the
 1228 signs to avoid litigation and congestion in the courts.

1229 (2) The department is not required to remove any sign
 1230 under this section if the federal share of the just compensation
 1231 to be paid upon removal of the sign is not available to make
 1232 such payment, unless an appropriation by the Legislature for

1233 such purpose is made to the department.

1234 (3) (a) The department is authorized to use the power of
1235 eminent domain when necessary to carry out the provisions of
1236 this chapter.

1237 (b) If eminent domain procedures are instituted, just
1238 compensation shall be made pursuant to the state's eminent
1239 domain procedures, chapters 73 and 74.

1240 Section 18. Section 479.25, Florida Statutes, is amended
1241 to read:

1242 479.25 Erection of noise-attenuation barrier blocking view
1243 of sign; procedures; application.—

1244 (1) The owner of a lawfully erected sign that is governed
1245 by and conforms to state and federal requirements for land use,
1246 size, height, and spacing may increase the height above ground
1247 level of such sign at its permitted location if a noise-
1248 attenuation barrier is permitted by or erected by any
1249 governmental entity in such a way as to screen or block
1250 visibility of the sign. Any increase in height permitted under
1251 this section may only be the increase in height which is
1252 required to achieve the same degree of visibility from the
1253 right-of-way which the sign had prior to the construction of the
1254 noise-attenuation barrier, notwithstanding the restrictions
1255 contained in s. 479.07(9)(b). A sign reconstructed under this
1256 section shall comply with the building standards and wind load
1257 requirements set forth in the Florida Building Code. If
1258 construction of a proposed noise-attenuation barrier will screen
1259 a sign lawfully permitted under this chapter, the department
1260 shall provide notice to the local government or local

1261 jurisdiction within which the sign is located prior to
 1262 construction ~~erection of the noise-attenuation barrier~~. Upon a
 1263 determination that an increase in the height of a sign as
 1264 permitted under this section will violate a provision contained
 1265 in an ordinance or land development regulation of the local
 1266 government or local jurisdiction, prior to construction, the
 1267 local government or local jurisdiction shall ~~so notify the~~
 1268 ~~department. When notice has been received from the local~~
 1269 ~~government or local jurisdiction prior to erection of the noise-~~
 1270 ~~attenuation barrier, the department shall:~~

1271 (a) Provide a variance or waiver to the local ordinance or
 1272 land development regulations to ~~Conduct a written survey of all~~
 1273 ~~property owners identified as impacted by highway noise and who~~
 1274 ~~may benefit from the proposed noise-attenuation barrier. The~~
 1275 ~~written survey shall inform the property owners of the location,~~
 1276 ~~date, and time of the public hearing described in paragraph (b)~~
 1277 ~~and shall specifically advise the impacted property owners that:~~

1278 1. ~~Erection of the noise-attenuation barrier may block the~~
 1279 ~~visibility of an existing outdoor advertising sign;~~

1280 2. ~~The local government or local jurisdiction may restrict~~
 1281 ~~or prohibit increasing the height of the existing outdoor~~
 1282 ~~advertising sign to make it visible over the barrier; and~~

1283 3. ~~If a majority of the impacted property owners vote for~~
 1284 ~~construction of the noise-attenuation barrier, the local~~
 1285 ~~government or local jurisdiction will be required to:~~

1286 a. ~~allow an increase in the height of the sign in~~
 1287 ~~violation of a local ordinance or land development regulation;~~

1288 (b) ~~b.~~ Allow the sign to be relocated or reconstructed at

1289 another location if the sign owner agrees; or

1290 (c)~~e~~. Pay the fair market value of the sign and its
1291 associated interest in the real property.

1292 (2)~~(b)~~ The department shall hold a public hearing within
1293 the boundaries of the affected local governments or local
1294 jurisdictions to receive input on the proposed noise-attenuation
1295 barrier and its conflict with the local ordinance or land
1296 development regulation and to suggest or consider alternatives
1297 or modifications ~~to the proposed noise-attenuation barrier~~ to
1298 alleviate or minimize the conflict with the local ordinance or
1299 land development regulation or minimize any costs that may be
1300 associated with relocating, reconstructing, or paying for the
1301 affected sign. The public hearing may be held concurrently with
1302 other public hearings scheduled for the project. The department
1303 shall provide a written notification to the local government or
1304 local jurisdiction of the date and time of the public hearing
1305 and shall provide general notice of the public hearing in
1306 accordance with the notice provisions of s. 335.02(1). The
1307 notice shall not be placed in that portion of a newspaper in
1308 which legal notices or classified advertisements appear. The
1309 notice shall specifically state that:

1310 (a)~~1~~. Erection of the proposed noise-attenuation barrier
1311 may block the visibility of an existing outdoor advertising
1312 sign;

1313 (b)~~2~~. The local government or local jurisdiction may
1314 restrict or prohibit increasing the height of the existing
1315 outdoor advertising sign ~~to make it visible over the barrier;~~
1316 and

1317 (c)3. ~~Upon~~ If a majority of the impacted property owners
1318 ~~vote for~~ construction of the noise-attenuation barrier, the
1319 local government or local jurisdiction shall ~~will be required~~
1320 ~~to~~:

1321 1.a. Allow an increase in the height of the sign through a
1322 waiver or variance to in violation of a local ordinance or land
1323 development regulation;

1324 2.b. Allow the sign to be relocated or reconstructed at
1325 another location if the sign owner agrees; or

1326 3.e. Pay the fair market value of the sign and its
1327 associated interest in the real property.

1328 (3)(2) The department may ~~shall~~ not permit erection of the
1329 noise-attenuation barrier to the extent the barrier screens or
1330 blocks visibility of the sign until after the public hearing is
1331 held and ~~until such time as the survey has been conducted and a~~
1332 ~~majority of the impacted property owners have indicated approval~~
1333 ~~to erect the noise-attenuation barrier. When the impacted~~
1334 ~~property owners approve of the noise-attenuation barrier~~
1335 ~~construction, the department shall notify the local governments~~
1336 ~~or local jurisdictions. The local government or local~~
1337 ~~jurisdiction shall, notwithstanding the provisions of a~~
1338 ~~conflicting ordinance or land development regulation:~~

1339 ~~(a) Issue a permit by variance or otherwise for the~~
1340 ~~reconstruction of a sign under this section;~~

1341 ~~(b) Allow the relocation of a sign, or construction of~~
1342 ~~another sign, at an alternative location that is permissible~~
1343 ~~under the provisions of this chapter, if the sign owner agrees~~
1344 ~~to relocate the sign or construct another sign; or~~

1345 ~~(c) Refuse to issue the required permits for~~
 1346 ~~reconstruction of a sign under this section and pay fair market~~
 1347 ~~value of the sign and its associated interest in the real~~
 1348 ~~property to the owner of the sign.~~

1349 (4)~~(3)~~ This section does ~~shall~~ not apply to the provisions
 1350 of any existing written agreement executed before July 1, 2006,
 1351 between any local government and the owner of an outdoor
 1352 advertising sign.

1353 Section 19. Subsection (1) of section 479.261, Florida
 1354 Statutes, is amended to read:

1355 479.261 Logo sign program.—

1356 (1) The department shall establish a logo sign program for
