764 such person has complied with the terms and conditions of the  
765 final order and that the licensee can safely practice medical  
766 physics.

767 (j) Upon receipt of a complete application and the fee set  
768 forth by rule, the department may issue a physicist-in-training  
769 certificate to a person qualified to practice medical physics  
770 under direct supervision. The department may establish by rule  
771 requirements for initial certification and renewal of a  
772 physicist-in-training certificate.
