

Amendment No.

CHAMBER ACTION

Senate

House

.

Representative Rehwinkel Vasilinda offered the following:

Amendment (with directory and title amendments)

Between lines 185 and 186, insert:

(7) Beginning October 1, 2013, each utility receiving advanced nuclear cost recovery fees shall disclose on their customers' monthly bills, whether paper, digital, or electronic, the cost of advanced nuclear cost recovery per 1,000 kilowatt hours; the estimated date the plant will be on line and fully operational; and the total estimated cost of the plant at the time that the plant is operational. Such information must be prominent and in at least 12-point type on the first page of the bill and updated annually to reflect changes in estimates of when the plant will be operational and the final cost of the plant when it is fully operational as determined by the

Amendment No.

16 commission's ongoing monitoring and auditing program pursuant to
17 s. 366.08 and prudence hearing determination.
