The Committee on Communications, Energy, and Public Utilities
(Simpson) recommended the following:

1   **Senate Amendment (with title amendment)**
2
3   Between lines 153 and 154
4   insert:
5   Section 3. The Public Service Commission shall perform a
6   comprehensive review of the continuing prudency, cost
7   effectiveness, and need for any proposed nuclear power plant for
8   which cost recovery under section 366.93, Florida Statutes, has
9   been authorized if the currently anticipated inservice date for
10 the plant has been extended more than 6 years beyond the
11 original proposed inservice date and if the most recent estimate
12 of the plant's total cost has increased by more than 50 percent

13 of the original cost estimate for the plant. In making this

14 determination, the commission must consider all relevant

15 factors, including, but not limited to, the utility's need for

16 the plant, technology and fuel choices, applicable federal and

17 state licensing and permitting factors, and short- and long-term

18 costs to ratepayers. Based on its review, the commission shall

19 determine whether to authorize for cost recovery under section

20 366.93, Florida Statutes, any new or future costs for which cost

21 recovery has not already been authorized. Such review shall

22 commence on or before June 1, 2013, and shall be complete by

23 February 1, 2014.

26 And the title is amended as follows:

27   Delete line 15

28 and insert:

29   specifying criteria for such report; requiring the

30   Public Service Commission to review the circumstances

31   surrounding a proposed nuclear power plant if the

32   anticipated cost and completion date exceed the

33   original cost and completion date by a certain amount

34   or period; specifying factors to be considered and

35   dates by which the review must commence and be

36   completed; providing an
