20131502e1

871 follows:

872 (b)1. The trust funds shall consist of moneys received by
873 the state which under law or under trust agreement are
874 segregated for a purpose authorized by law. The state agency or
875 branch of state government receiving or collecting such moneys
876 is responsible for their proper expenditure as provided by law.
877 Upon the request of the state agency or branch of state
878 government responsible for the administration of the trust fund,
879 the Chief Financial Officer may establish accounts within the
880 trust fund at a level considered necessary for proper
881 accountability. Once an account is established, the Chief
882 Financial Officer may authorize payment from that account only
883 upon determining that there is sufficient cash and releases at
884 the level of the account.

885 2. In addition to other trust funds created by law, to the
886 extent possible, each agency shall use the following trust funds
887 as described in this subparagraph for day-to-day operations:

888 a. Operations or operating trust fund, for use as a
889 depository for funds to be used for program operations funded by
890 program revenues, with the exception of administrative
891 activities when the operations or operating trust fund is a
892 proprietary fund.

893 b. Operations and maintenance trust fund, for use as a
894 depository for client services funded by third-party payors.

895 c. Administrative trust fund, for use as a depository for
896 funds to be used for management activities that are departmental
897 in nature and funded by indirect cost earnings and assessments
898 against trust funds. Proprietary funds are excluded from the
899 requirement of using an administrative trust fund.

20131502e1

900 d. Grants and donations trust fund, for use as a depository
901 for funds to be used for allowable grant or donor agreement
902 activities funded by restricted contractual revenue from private
903 and public nonfederal sources.

904 e. Agency working capital trust fund, for use as a
905 depository for funds to be used pursuant to s. 216.272.

906 f. Clearing funds trust fund, for use as a depository for
907 funds to account for collections pending distribution to lawful
908 recipients.

909 g. Federal grant trust fund, for use as a depository for
910 funds to be used for allowable grant activities funded by
911 restricted program revenues from federal sources.

912
913 To the extent possible, each agency must adjust its internal
914 accounting to use existing trust funds consistent with the
915 requirements of this subparagraph. If an agency does not have
916 trust funds listed in this subparagraph and cannot make such
917 adjustment, the agency must recommend the creation of the
918 necessary trust funds to the Legislature no later than the next
919 scheduled review of the agency's trust funds pursuant to s.
920 215.3206.

921 3. All such moneys are hereby appropriated to be expended
922 in accordance with the law or trust agreement under which they
923 were received, subject always to the provisions of chapter 216
924 relating to the appropriation of funds and to the applicable
925 laws relating to the deposit or expenditure of moneys in the
926 State Treasury.

927 4.a. Notwithstanding any provision of law restricting the
928 use of trust funds to specific purposes, unappropriated cash

20131502e1

929 balances from selected trust funds may be authorized by the
930 Legislature for transfer to the Budget Stabilization Fund and
931 General Revenue Fund in the General Appropriations Act.

932 b. This subparagraph does not apply to trust funds required
933 by federal programs or mandates; trust funds established for
934 bond covenants, indentures, or resolutions whose revenues are
935 legally pledged by the state or public body to meet debt service
936 or other financial requirements of any debt obligations of the
937 state or any public body; the Division of Licensing Trust Fund

946 law; trust funds that serve as clearing funds or accounts for
947 the Chief Financial Officer or state agencies; trust funds that
948 account for assets held by the state in a trustee capacity as an
949 agent or fiduciary for individuals, private organizations, or

971 solely for biomedical research activities as provided in

978 section. The schedule of annual cash outflow must be included
