Senator Latvala moved the following:

**Senate Amendment (with title amendment)**

Between lines 1954 and 1955

insert:

Section 24. Subsection (1) of section 479.262, Florida Statutes, is amended to read

479.262 Tourist-oriented directional sign program.—

(1) A tourist-oriented directional sign program to provide directions to rural tourist-oriented businesses, services, and activities may be established at intersections on rural and conventional state, county, or municipal roads only ~~in rural counties identified by criteria and population in s. 288.0656~~ when approved and permitted by county or local government

213772

14 entities within their respective jurisdictional areas at  
15 ~~intersections on rural and conventional state, county, or~~  
16 ~~municipal roads.~~ A county or local government that ~~which~~ issues  
17 permits for a tourist-oriented directional sign program is ~~shall~~  
18 ~~be~~ responsible for sign construction, maintenance, and program  
19 operation in compliance with subsection (3) for roads on the  
20 state highway system and may establish permit fees sufficient to  
21 offset associated costs. A tourist-oriented directional sign may  
22 not be used on roads in urban areas or at interchanges on  
23 freeways or expressways.
