department. If such actions are determined by the department to have been taken with willful intent, such person shall be subject to an administrative penalty of \$1,000 for each tree removed, cut, or trimmed in violation of this section. A person aggrieved by an action of the department levying or imposing an administrative penalty under this section may, within 30 days after receipt of the notice of administrative penalty, request an administrative hearing pursuant to chapter 120. If a timely request for a hearing has been filed and the department issues a

14 final order imposing the administrative penalty, the penalty  
15 shall become effective 30 days after the date it was issued. The  
16 timely filing of a proper notice of appeal stays the imposition  
17 of the administrative penalty until the department's action is  
18 upheld.
