Section 26. 13 (2) The Legislature finds that the decision to authorize
14 the use of board of trustees-owned uplands and the use of those
15 lands as set forth in the leases is not contrary to the public
16 interest; that it is in the public interest to waive the
17 competitive bid process; that the leases are not standard
18 agricultural leases; and that such leases should be amended on
19 the terms and conditions as approved by the board of trustees.

20 (3) Notwithstanding any other provision of law, the
21 Legislature finds that the lease amendments and extensions
22 approved by the board of trustees are necessary for Everglades
23 restoration purposes, are in the public interest, and provide
24 the greatest combination of benefits to the public.
