The Committee on Appropriations (Galvano) recommended the following:

Senate Amendment

Delete lines 976 - 995
and insert:
sciences, humanities, and natural sciences. The core courses may be revised or the five-course cap within each subject area may be exceeded if approved by the State Board of Education and the Board of Governors, as recommended by the subject area faculty committee and approved by the Articulation Coordinating Committee, as necessary for a subject area. Each general education core course option must contain high-level academic and critical thinking skills and common competencies that

612572

13 students must demonstrate to successfully complete the course.
14 Beginning with students initially entering a Florida College
15 System institution or state university in 2015-2016 ~~2014-2015~~
16 and thereafter, each student must complete at least one
17 identified core course in each subject area as part of the
18 general education course requirements. All public postsecondary
19 educational institutions shall ~~offer and~~ accept these courses as
20 meeting general education core course requirements. The
21 remaining general education course requirements shall be
22 identified by each institution and reported to the department by
23 their statewide course number. The general education core course
24 options shall be adopted in rule by the State Board of Education
25 and in regulation by the Board of Governors.
