Senator Simmons moved the following:

**Senate Substitute for Amendment (489386)**

Delete lines 927 - 938

and insert:

5. A new structure for which a notice of commencement has been issued on or after July 1, 2014, pursuant to s. 713.135, which is located seaward of the coastal construction control line created pursuant to s. 161.053, is ineligible for coverage through the corporation unless the structure meets the coastal code-plus building code criteria developed and recommended by the Florida Building Commission. Filing a notice of commencement for an addition to an existing structure that was built before July 1, 2014, requires that the addition be built according to

831848

14 the code-plus building criteria but does not require that the  
15 existing structure meet the code-plus criteria in order to be  
16 eligible for coverage through the corporation. ~~Effective January~~
