5 and insert:

6 (5) DELIVERY OF SERVICES.—The corporation shall contract
7 with authorized insurers licensed under chapter 627; managed
8 care organizations authorized under chapter 641; and provider
9 service networks authorized under ss. 409.912(4) (d) and
10 409.962(13) which are prepaid plans. These insurers, managed
11 care organizations, and provider service networks must meet
12 standards established by the corporation to provide

614174

13 comprehensive health care services to enrollees who qualify for
14 services under this section. The corporation may contract for
15 such services on a statewide or regional basis. To encourage
16 continuity of care among enrollees who may transition across
17 multiple insurance affordability programs, the corporation is
18 encouraged to contract with those insurers and managed care
19 organizations that participate in more than one such program.
