I. Summary:

The bill codifies the name of Lake-Sumter State College.

The bill provides an effective date of July 1, 2013.

The bill amends ss. 288.8175 and 1000.21, Florida Statutes.

II. Present Situation:

A Florida College System (FCS) institution is authorized to change the institution’s name, with the approval of that FCS institution’s district board of trustees, and use the designation “college” or “state college” if the institution:¹

- Is authorized to grant baccalaureate degrees in accordance with current law²; and
- Is accredited as a baccalaureate-degree-granting institution by the Commission on Colleges of the Southern Association of Colleges and Schools (SACS).

If, however, a FCS institution is not authorized to grant baccalaureate degrees and is not accredited as a baccalaureate-degree-granting institution by SACS, the FCS institution may request approval from the State Board of Education (SBE) to change the institution’s name and use the designation “college” after receiving approval for such change from that FCS

institution's district board of trustees. The SBE is authorized to approve the name change if the institution enters into an agreement with the SBE to do the following:³

- Maintain as its primary mission responsibility for responding to community needs for postsecondary academic education and career degree education;⁴
- Maintain an open-door admissions policy for associate-level degree programs and workforce education programs;
- Continue to provide outreach to underserved populations;
- Continue to provide remedial education; and
- Comply with all provisions of the statewide articulation agreement that relate to 2-year and 4-year public degree-granting institutions as adopted by the SBE.⁵

Lake-Sumter Community College meets the criteria, required under current law, for approval of the name change:

- On March 27, 2012, Lake-Sumter Community college received approval from the SBE to grant a Bachelor of Applied Science degree in Organizational Management.⁶
- On June 19, 2012, Lake-Sumter Community College's district board of trustees approved the name change from Lake-Sumter Community College to Lake-Sumter State College.⁷
- On June 21, 2012, Lake-Sumter Community College received from SACS, accreditation as a baccalaureate-degree-granting institution.⁸

A FCS institution's district board of trustees that approves a change to the institution's name must seek statutory codification of such name change in law⁹ during the next regular legislative session.¹⁰
