I. Summary:

CS/SB 500 amends various provisions relating to massage establishments. The bill requires the denial of a massage establishment license when an applicant has been arrested, is awaiting final disposition, or has been convicted, of certain offenses listed in s. 435.04(2), F.S., or a similar law in another jurisdiction. The bill provides that denial of a license or a disciplinary action may be based on advertising to induce or engage a client in sexual activity.

The bill creates s. 480.0475, F.S., to prohibit the operation of certain massage establishments between the hours of midnight and 5 a.m.

The bill exempts specified types of massage establishments based on location of the facility or the type of supervision over those persons performing massages. The bill prohibits the use of a massage establishment as a principal domicile in areas that are not zoned for residential use by local ordinance.

The bill provides that a person who violates s. 480.0475, F.S., commits a misdemeanor of the first degree punishable as provided in s. 775.082 or s. 775.083, F.S. A subsequent violation is a

felony of the third degree punishable as provided in s. 775.082, s. 775.083, or s. 775.084, F.S. Current violations of ch. 480, F.S., are misdemeanors of the first degree.

The bill amends s. 823.05, F.S., to provide that certain massage establishments that violate the bill's provisions or the identification provisions of ch. 480, F.S., can be declared nuisances that may be abated or enjoined pursuant to Florida law.

The bill provides an October 1, 2013 effective date.

The bill amends sections 480.043, 480.047, and 823.05, Florida Statutes. The bill creates section 480.0475, Florida Statutes.

II. Present Situation:

Massage Practice Act

Chapter 480, F.S., the "Massage Practice Act," (act) regulates the practice of massage. The term "massage is defined as "the manipulation of the soft tissues of the human body with the hand, foot, arm, or elbow, whether or not such manipulation is aided by hydrotherapy, including colonic irrigation, or thermal therapy; any electrical or mechanical device; or the application to the human body of a chemical or herbal preparation."'¹

A person must apply to the Board of Massage Therapy (board) within the Department of Health (department) for approval to practice massage or to operate a massage establishment.² A "massage therapist" is a person licensed to administer massages for compensation,³ and a massage establishment is a "site or premises, or portion thereof, wherein a massage therapist practices massage."⁴

Section 480.046(1), F.S., specifies numerous grounds for disciplinary action by the board,⁵ including the following acts that are grounds for denial of a license or disciplinary action:

- Procuring a license by bribery or fraudulent misrepresentation;
- Having a license to practice massage denied, revoked, suspended, or otherwise acted against by the licensing authority of another state, territory, or country;
- Being convicted, found guilty or entering a plea of nolo contendere, regardless of adjudication, of a crime in any jurisdiction which directly relates to the practice of massage or to the ability to practice massage;
- False, deceptive, or misleading advertising;
- Aiding, assisting, procuring, or advising any unlicensed person to practice massage in violation of the act or a rule of the department or the board;
- Making deceptive, untrue, or fraudulent representations in the practice of massage;

⁴Section 480.033(7), F.S.

⁵Section 480.046, F.S.

- Being unable to practice massage with reasonable skill and safety because of illness or use of alcohol, drugs, narcotics, chemicals, or any other type of material, or due to any mental or physical condition;
- Gross or repeated malpractice or the failure to practice massage with that level of care, skill, and treatment which is recognized by a reasonably prudent massage therapist as being acceptable under similar conditions and circumstances;
- Practicing or offering to practice beyond the scope permitted by law or accepting and performing professional responsibilities which the licensee knows or has reason to know that she or he is not competent to perform;
- Delegating professional responsibilities to a person when the licensee delegating such responsibilities knows or has reason to know that such person is not qualified by training, experience, or licensure to perform;
- Violating a lawful order of the board or department previously entered in a disciplinary hearing, or failing to comply with a lawfully issued subpoena of the department;
- Refusing to permit the department to inspect the business premises of the licensee during regular business hours;
- Failing to keep the equipment and premises of the massage establishment in a clean and sanitary condition;
- Practicing massage at a site, location, or place which is not duly licensed as a massage establishment, excepting certain services permitted by board rule, at the residence or office of a client, at a sports event, at a convention, or at a trade show; or
- Violating any provision of the act, ch. 456, F.S., regarding Health Professions and Occupations, or any rules adopted pursuant to the provisions.

Pursuant to s. 480.046(2), F.S., licensure may also be denied, or certain penalties imposed, against licensees found guilty of violating any of the provision of s. 480.046(1) and s. 456.072(1), F.S. The penalties include:

- Refusal to certify, or to certify with restrictions, an application for a license.
- Suspension or permanent revocation of a license.
- Restriction of practice or license, including, but not limited to, restricting the licensee from practicing in certain settings, restricting the licensee to work only under designated conditions or in certain settings, restricting the licensee from performing or providing designated clinical and administrative services, restricting the licensee from practicing more than a designated number of hours, or any other restriction found to be necessary for the protection of the public health, safety, and welfare.
- Imposition of an administrative fine not to exceed \$10,000 for each count or separate offense. If the violation is for fraud or making a false or fraudulent representation, the board, or the department if there is no board, must impose a fine of \$10,000 per count or offense.
- Issuance of a reprimand or letter of concern.
- Placement of the licensee on probation for a period of time and subject to such conditions as the board, or the department when there is no board, may specify. Those conditions may include, but are not limited to, requiring the licensee to undergo treatment, attend continuing education courses, submit to be reexamined, work under the supervision of another licensee, or satisfy any terms which are reasonably tailored to the violations found.
- Corrective action.

- Imposition of an administrative fine in accordance with s. 381.0261, F.S., for violations regarding patient rights.
- Refund of fees billed and collected from the patient or a third party on behalf of the patient.

The board also has the power to revoke or suspend the license of a massage establishment or deny subsequent licensure if the license was obtained by fraud or misrepresentation or the licensee was found guilty of fraud, deceit, gross negligence, incompetency, or misconduct in the operation of the establishment.⁶

Disciplinary proceedings shall be conducted pursuant to the provisions of ch. 120, F.S., the Administrative Procedure Act.⁷

Sexual misconduct in the practice of massage therapy is prohibited, and is defined as violation of the massage therapist-patient relationship through which the massage therapist uses that relationship to induce or attempt to induce the patient to engage, or to engage or attempt to engage the patient, in sexual activity outside the scope of practice or the scope of generally accepted examination or treatment of the patient.⁸

Violations of the law or rules associated with practices of massage therapists and massage establishments are investigated by the department.⁹ Sexual activity by any person or persons in any massage establishment is also prohibited.¹⁰

Section 823.01, F.S., provides that all nuisances that tend to annoy the community, injure the health of the citizens in general, or corrupt the public morals are second degree misdemeanors punishable by up to 60 days in jail and a fine not exceeding \$500, and that a violation of s. 823.10, F.S., regarding certain places where controlled substances are illegally kept, sold, or used, is a third degree felony punishable by a term of imprisonment not to exceeding five years and a fine not exceeding \$5,000.

Section 60.05, F.S., provides that when a nuisance defined in s. 823.05, F.S., exists, the Attorney General, state attorney, city attorney, county attorney, or any citizen of the county may sue in the name of the state to enjoin the nuisance, the person or persons maintaining it, and the owner or agent of the building or ground on which the nuisance exists. In accordance with s. 60.06, F.S., the court shall enter orders to abate the nuisance, and has the authority to enforce injunctions by contempt.

⁷Section 480.046(4), F.S.

⁸Section 480.0485, F.S. Section 456.063, F.S., prohibits violation of the professional relationship through which the health care practitioner uses such relationship to engage or attempt to engage the patient or client, or an immediate family member, guardian, or representative of the patient or client in, or to induce or attempt to induce such person to engage in, verbal or physical sexual activity outside the scope of the professional practice of such health care profession.

A. **Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS by Regulated Industries on March 14, 2013:

The committee substitute requires the board to deny a massage establishment license upon a finding that an applicant has been arrested, is awaiting final disposition, or has been convicted of offenses listed in s. 435.04(2), F.S., or a similar law in another jurisdiction, which include offenses relating to sexual misconduct, abuse of aged or disabled adults, murder, certain manslaughter offenses, vehicular homicide, certain offenses against minors, kidnapping, false imprisonment, prostitution, lewd and lascivious behavior, indecent exposure, arson, burglary, certain firearms offenses, and certain felony offenses.

The committee substitute provides that denial of a license or a disciplinary action may be based upon the act of advertising to induce or attempt to induce a client to engage in sexual activity, or to engage or attempt to engage a client in sexual activity.

The committee substitute revises the restriction on hours of operation for massage establishments to the range of midnight to 5 a.m. It exempts from the restriction on hours of operation those massage establishments located on the premises of a clinic defined in part X of ch. 400, F.S., a timeshare property defined in s. 721.05, F.S., a public airport defined in s. 330.27, or a pari-mutuel facility defined in s. 550.002, F.S.
