AND INSERT:

From the funds in Specific Appropriation 1720, \$129,000 from the General Revenue Fund is provided for the Fish and Wildlife Conservation Commission to determine the feasibility of purchasing a building located at 3800 Esplanade Way, Tallahassee, FL, 32311, for relocation of the commission. The commission shall work with the Department of Management Services on the feasibility study and for possible inclusion of the building within the Florida Facilities Pool. The commission shall submit the results of the feasibility study to the chair of the Senate Appropriations Committee and the chair of the House Appropriations Committee by January 1, 2014.

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
