

Amendment No.

CHAMBER ACTION

Senate

House

.

Representative Wood offered the following:

Amendment

Remove line 645 and insert:

commission. The format must specify how the information required under paragraph (b) is to be described or illustrated, and may allow for specified variations from such requirements in order to provide a more accurate and meaningful disclosure of the estimated impact of PPACA on monthly premiums, as determined by the commission. All notices shall be submitted to the office for
