

Amendment No.

CHAMBER ACTION

Senate

House

.

---

Representative Rehwinkel Vasilinda offered the following:

**Amendment**

Remove lines 56-58 and insert:

shall, beginning October 1, 2013, identify on each customers' monthly bill, whether paper, digital, or electronic, the total cost per month for advanced nuclear cost recovery per 1,000 kilowatt hours paid by each customer; the estimated date the plant will be on line and fully operational; and the total estimated cost of the plant at the time that the plant is operational. Such information must be prominent and in at least 12-point type on the first page of the bill and be updated annually to reflect changes in estimates of when the plant will be operational and the final cost of the plant when it is fully operational as determined by the Public Service Commission's

Amendment No.

16 ongoing monitoring and auditing program pursuant to s. 366.08  
17 and prudence hearing determination.
